Getting Off Feb 05 2020 "Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read" (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to Getting Off. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we've all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. Getting Off offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—"a profoundly genuine, gripping story that any reader can appreciate" (Vice). "In reading Garza's insight into her own experiences, we better understand ourselves" (The New York Times Book Review).

Rated X Dec 17 2020 An empowering, sex-positive, behind-the-scenes look at both Hollywood and the porn industry in this celebrity memoir unlike any other. Perfect for fans of Pleasure Activism and How to Make Love Like a Porn Star. Maitland Ward got her start in acting as a teenager when she was cast in The Bold and the Beautiful, but it wasn't until she joined the later seasons of the sitcom Boy Meets World that she got her first taste of fame. As the loveable, sexy (but not too sexy) co-ed Rachel McGuire, Ward soon found herself being typecast as the good girl next door and was repeatedly denied darker, more intriguing roles. So she made a career change—one that required her to turn away from the Disney universe—and eventually established herself as one of the most-respected actresses in the porn industry today. Now, Ward reveals the ups and downs of her fascinating career, including personal stories from her time on one of the most beloved shows of the 1990s, in this anything but a run-of-

the-mill memoir. By showing Hollywood and triple-X stardom in a whole new light, she offers a fresh and stirring perspective on the sex industry. Ultimately a story of hope and triumph, *Rated X* is a sharp and provocative look at a former Disney princess who found her fairy tale in porn.

War Porn Mar 08 2020 "War porn," n. Videos, images, and narratives featuring graphic violence, often brought back from combat zones, viewed voyeuristically or for emotional gratification. Such media are often presented and circulated without context, though they may be used as evidence of war crimes. War porn is also, in Roy Scranton's searing debut novel, a metaphor for the experience of war in the age of the War on Terror, the fracturing and fragmentation of perspective, time, and self that afflicts soldiers and civilians alike, the global networks and face-to-face moments that suture our fragmented lives together. In *War Porn* three lives fit inside one another like nesting dolls: a restless young woman at an end-of-summer barbecue in Utah; an American soldier in occupied Baghdad; and Qasim al-Zabadi, an Iraqi math professor, who faces the US invasion of his country with fear, denial, and perseverance. As *War Porn* cuts from America to Iraq and back again, as home and hell merge, we come to see America through the eyes of the occupied, even as we see Qasim become a prisoner of the occupation. Through the looking glass of *War Porn*, Scranton reveals the fragile humanity that connects Americans and Iraqis, torturers and the tortured, victors and their victims.

The Death of Porn Jun 30 2019 Your Battle against Porn Isn't about Porn. It's about Hope. Pornography may seem inescapable, but God can free us from its destructive power. How then can we reclaim our God-given identity to take a stand against—and ultimately starve—the predatory porn industry? In *The Death of Porn*, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. The Right to Sex May 10 2020 A SUNDAY TIMES BESTSELLER BLACKWELL'S BOOK OF THE YEAR 2021 SHORTLISTED FOR THE ORWELL PRIZE 2022 Essential lessons on the world we live in, from one of our greatest young thinkers – a guide to what everybody is talking about today 'Unparalleled and extraordinary . . . A bracing revivification of a crucial lineage in feminist writing' JIA TOLENTINO 'I believe Amia Srinivasan's work will change the world' KATHERINE RUNDELL 'Rigorously researched, but written with such spark and verve. The best non-fiction book I have read this year' PANDORA SYKES ----- How should we talk about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. Since #MeToo many have fixed on consent as the key framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity – its deep ambivalences, its relationship to gender, class, race and power – we need to move beyond 'yes and no', wanted and unwanted. We need to interrogate the fraught relationships between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, pleasure and power, capitalism and liberation. We need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, *The Right to Sex* is a landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.

Girls Who Like Boys Who Like Boys Nov 03 2019 This book investigates what women enjoy about consuming, and in some cases producing, gay male erotic media—from slashfic, to pornographic texts, to visual pornography—and how this sits within their consumption of erotica and pornography more generally. In addition, it will examine how women’s use of gay male erotic media fits in with their perceptions of gender and sexuality. By drawing on a piece of wide-scale mixed methods research that examines these motivations, an original and important volume is presented that serves to explore and contribute to this under-researched area.

The Feminist Porn Book Jan 18 2021 “This thrilling anthology brings together scholars, producers, and fans of feminist pornography to define an emerging movement of gender and sexual visionaries.” —Lisa Duggan The Feminist Porn Book brings together for the first time writings by feminists in the adult industry and research by feminist porn scholars. This book investigates not only how feminists understand pornography, but also how feminists do porn—that is, direct, act in, produce, and

consume one of the world's most lucrative and growing industries. With original contributions by Susie Bright, Candida Royalle, Betty Dodson, Nina Hartley, Buck Angel, Lynn Comella, Jane Ward, Ariane Cruz, Kevin Heffernan, and more, *The Feminist Porn Book* updates the arguments of the porn wars of the 1980s, which sharply divided the women's movement, and identifies pornography as a form of expression and labor in which women and racial and sexual minorities produce power and pleasure. "Besides being extremely thought-provoking, this must-read collection is accessible to all readers, and the topic inherently makes it engaging and fun."

Your ability to change everything - including yourself - starts here Chemist Elizabeth Zott is not your average woman. Just in Time: Moments in Teaching Philosophy Jun 10 2020 "Serious philosophy is not an attempt to construct a system of beliefs, but the activity of awakening, the conversation passionately pursued. Only if professional philosophy reclaims this paradigm and finds ways to embody it, will it achieve an active place in the thought and life of our culture." --James Conlon, "Stanley Cavell and the Predicament of Philosophy." This book is a collection of serious philosophical essays that aim to awaken readers, teachers, and students to a desire for conversation passionately pursued. The essays in this volume speak about sex, movies, poetry, and politics, in short, about those things contemporary Americans passionately discuss. These are the subjects that were taught for forty-three years in James Conlon's classroom at Mount Mary University, a Catholic urban university for women in Milwaukee, Wisconsin. This volume celebrates Conlon's work while calling to all who continue to teach and learn about philosophy in contemporary times with the message that relevant philosophy deals with life as it is lived in the moment.
