[Baptism and the Baptists](#) Jan 05 2020 Since its first publication in 2000, Baptism and the Baptists has become the definitive work on the subject. It examines the theology and practice of believers' baptism among twentieth-century Baptists associated with the Baptist Union of Great Britain, and identifies the major influences which have led to its development. In the nineteenth and early twentieth century, the majority of Baptists concentrated predominantly on the mode and subjects of baptism (immersion and believers), understanding the rite merely as an ordinance--the believer's personal profession of faith in Christ. However, in continuity with a tradition of Baptists going back as far as the first Baptists in the second and third decades of the seventeenth century, there were also a significant number of ministers and scholars who saw the inadequacy of this view of baptism both biblically and theologically. This sacramental view developed and grew throughout the twentieth century, and influenced a resurgence of baptismal sacramentalism in the early twenty-first century among Baptists not just in Britain, but also in North America, Europe, and further afield.

[College & University Food Service Manual](#) Apr 07 2020 Abstract: The successful college food service director has enthusiasm, empathy, dedication, ethics, quality consciousness, an outgoing personality, leadership ability, food service knowledge, business knowledge, close association with other food service professionals, and awareness of and dedication to good nutrition. A new food service director chronologically prioritizes steps to take to reorganize his operation. The manual presents reorganization steps chronologically to include: 1) developing a master plan; 2) setting up a food purchasing system; 3) establishing budgets and control; 4) building a staff; 5) maintaining food quality; and 6) dealing with residence halls, cash operations, vending, sanitation, safety, catering, special events, and public relations. Appendixes and exhibits provide illustrative, helpful suggestions. A food service director's job can be creative, imaginative, challenging, interesting, and rewarding for the director who is on top of things.
