Mycenean Pottery in Italy and Adjacent Areas Sep 03 2022 In this 1958 book all the evidence bearing on Mycenean influence in Italy was gathered together for the first time. This evidence consists almost entirely of Mycenean pottery found in south Italy, Sicily, and the Aeolian Islands. Earlier studies on the subject are reviewed in the light of this research and in relationship to Furumark's analysis and classification of Mycenean pottery, but the most important part of the book is devoted to Mycenean finds from the excavations at Lipari and Torre Catelluccia, and to the large amount of pottery, for the greater part unpublished, from Taranto. The book is based on first-hand study by the author on the sites and is supplemented by more than 350 illustrations of pottery fragments and complete vases, very few of which have been previously published, and maps of the central Mediterranean and Sicily. Mycenean connexions with north Italy are also discussed, and the question of possible penetration to other areas in the western Mediterranean is briefly considered.

Dagger Hill Oct 31 2019 Stranger Things meets One of Us Is Lying in Devon Taylor's creepy paranormal mystery about four friends who find themselves hunted by a malevolent presence in their sleepy hometown. It knows your fear... Summer, 1989. Four best friends—Gabe, Kimberly, Charlie, and Sonya—are preparing for their last summer together before senior year, after which they'll all be splitting up to start college in different parts of the country. They make a promise to always find their way back to each other, no matter how far away from their sleepy Pennsylvania hometown they get. But their plans are destroyed when a plane crashes right on top of their favorite hangout outside of town—and right on top of them. In the catastrophic aftermath of the incident, Gabe, Sonya and Charlie are plagued by eerie visions and messages from an unknown watcher. They soon realize that the plane crash was no accident, and now they are being hunted by a sinister presence. And everyone is still searching for Kimberly, who has been missing ever since Gabe saw somebody wearing a gas mask carry her out of the woods the day the sky fell down on them... Praise for Dagger Hill: "A wild and satisfying romp through small town friendships, government conspiracies, bloody histories, long-kept secrets—and all of your deepest, darkest fears." —Katrina Leno, author of Horrid "Visceral ... a jolting read in the style of Stephen King—one with plenty of 1980s nostalgia and a tender LGBTQ romance." —Publishers Weekly

Dagger of Eons Jan 27 2022 There are horrors and evils that lurk among the stars. Bob has spent centuries trying to protect humanity from the worst of them, especially from the schemes of his older brother. Now humanity's ancient enemies are rising once more to exert an insidious and corrupting influence. On the run and with time running out, Bob must sift through the layers of mysteries and find a way to stop the destruction of all he holds dear. Desperate times call for desperate measures; measures that will demand a high price.

Is There a British Chalcolithic? Apr 29 2022 The Chalcolithic, the phase in prehistory when the important technical development of adding tin to copper to produce bronze had not yet taken place, is not a term generally used by British prehistorians and whether there is even a definable phase is debated. *Is there a British Chalcolithic?* brings together many leading authorities in 20 papers that address this question. Papers are grouped under several headings. Definitions, Issues and Debate considers whether appropriate criteria apply that define a distinctive period (c. 2450 - 2150 cal BC) in cultural, social, and temporal terms with particular emphasis on the role and status of metal artefacts and Beaker pottery. *Continental Perspectives* addresses various aspects of comparative regions of Europe where a Chalcolithic has been defined. *Around Britain and Ireland* presents a series of large-scale regional case studies where authors argue for and against the adoption of the term. The final section *Economy, Landscapes and Monuments*, looks at aspects of economy, land-use and burial tradition and provides a detailed consideration of the Stonehenge and Avebury landscapes during the period in question. The volume contains much detailed information on sites and artefacts, and comprehensive radiocarbon datasets that will be invaluable to scholars and students studying this enigmatic but pivotal episode of British Prehistory.

Delphi Complete Dramatic Works of Thomas Dekker (Illustrated) Nov 12 2020 The Elizabethan dramatist Thomas Dekker was a versatile and prolific writer, whose career spanned several decades and brought him into contact with many of the period's most famous dramatists. Of the surviving plays that are entirely Dekker's work, the best-known are 'The Shoemakers Holiday' (1600) and 'The Honest Whore, Part 2' (1630), which are typical of his work in their use of the moralistic tone of traditional drama. His ear for colloquial speech served him well in his vibrant portrayals of daily life in London and his works are characterised for their boisterousness nature and an inimitable mixture of realistic detail and romanticised plot. Dekker was also a writer of pamphlets, celebrated for their lively depictions of London life, vividly charting the city's traumatic times. For the first time in publishing history, this eBook presents Dekker's complete dramatic works, with numerous illustrations, rare plays and masques, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Dekker's life and works * Concise introductions to the novels and other texts * 27 plays, with individual contents tables * Features many rare dramas appearing for the first time in digital publishing * Images of how the plays were first printed, giving your eReader a taste of the original texts * Excellent formatting of the texts * Rare pamphlets available in no other collection * Special criticism section, with two essays evaluating Dekker's contribution to history of the theatre * Features two bonus biographies - discover Dekker's literary life * Scholarly ordering of texts into chronological order and genres Please visit www.delphiclassics.com to browse through our range of exciting titles CONTENTS: The Solo Plays The Shoemaker's Holiday (1599) Old Fortunatus (1600) Lust's Dominion (c. 1600) The Weakest Goeth to the Wall (1600) The Noble Spanish Soldier (c. 1602) The Whore of Babylon (1607) If This Be Not a Good Play, the Devil is in It (1611) Troja-Nova Triumphans (1612) The Welsh Ambassador (1623) London's Tempe (1629) The Honest Whore, Part II (1630) Match Me in London (1631) The Wonder of a Kingdom (1634) The Collaborative Plays Satiro-Mastix (1601) Blurt, Master Constable (1602) Patient Grissil (1603) The Honest Whore, Part I (1604) The Magnificent Entertainment (1604) The Family of Love (c. 1607) Northward Ho (1607) Westward Ho (1607) The Famous History of Sir Thomas Wyatt (1607) The Roaring Girl (1610) The Witch of Edmonton (1621) The Virgin-Martyr (1622) The Sun's Darling

DAGGER Mar 29 2022 ~AD 1019 Ancient Finland ~ Jaakko's obsessive hunt for the monster that killed his wife and son falters. When rumors reach him of a burned Mage who wields unheard of Power, the huntsman seeks him, determined to beg for magic that will bring down the beast. Aila waits in growing fear as she watches her beloved Wyman fall under Eyulf's sway. When a plan to free him goes awry, a confrontation with the Mage gives him knowledge he should never have learned and ends in the shedding of innocent blood. Avitus prepares Wyman's kingdom for war even as he tries to keep the King's growing madness from his warriors. As the threat of invasion grows closer, his desperation leads the Steward to seek help. He hires Karhu to find the secret of the invader's uncanny skill in battle. Her guise as a displaced heir to a kingdom ends in failure and she finds herself wrapped up in treachery and accused of murder. Erkki, a skilled and thriving Smith, agrees to work with Eyulf in the forging of some special gifts. The Mage imbues the metal with Rune-Song as the Smith's uneasiness with the Mage's erratic behavior grows. The strands of Eyulf's lies pull tighter around them all.

The Blood Dagger Trilogy Boxset (The Outcasts, The Watchers, Tree of Souls) Oct 24 2021 This digital boxset includes all three books in *The Blood Dagger Series* and contains over 1,400 pages of magic, heroism, and strong protagonists-perfect for fans of *Mortal Instruments* and the CW's *Supernatural*. **THE OUTCASTS** (Volume 1) Mystical relics. Powerful vampires. Strange allies. It's hell being a teenager, especially if you're being hunted by vampires. Larna Collins has never understood why her dad skipped out on her and her mother when she was twelve years old. Until then, he was a devoted and loving father. But six years later, during a renovation of her childhood home, she unearths her father's journal from under a floorboard. According to his final entry before he left, he had recently visited a small parish in England. The entries drew her to this quaint village, which Larna discovers isn't as charming as its blood-craving inhabitants want her to believe, and she learns that she isn't the only one trying to track her father down. Could this explain her father's disappearance? Or was placing her in the center of danger her dad's master plan all along? **THE WATCHERS** (Volume 2) An upstart slayer. A clan of vampires. A world of trouble. Eighteen-year-old Corinth Taylor didn't sign up to become a Watcher—an elite warrior destined to restore balance to the human race—he was chosen. Corinth can barely control his own hormones . . . much less the deadly blade. And to make matters worse, his best friend, Larna, just so happens to be the very thing he's supposed to eliminate. But when vampires and slayer find a common enemy, Corinth knows it's his innate calling to hunt evil down. And evil has a name: Gabriel Stanton. The enigmatic vampire who escaped their capture, has plans for Corinth, Larna, and Alastair . . . and it's a threat they'll never see coming. When the line between good and evil gets crossed, devastating consequences start to happen. As Watcher and vampire worlds collide, Corinth must decide where to place his trust: with his old allies or his killer instincts. An upstart slayer. A clan of vampires. What could go wrong? It's only the end of the world. **TREE OF SOULS** (Volume 3) The first vampire. The last Nephilim. The end of a saga. Ever since his meeting with a group of all-powerful angels calling themselves the Grigori went awry, things aren't looking up for Corinth Taylor or for his best friend, Larna Collins. After Corinth was almost stabbed to death, Alastair Iszler, Corinth's brother-in-arms, heroically stepped in to save Corinth's life. Larna, still reeling after losing the love of her life, has only one mission in mind: kill the vampire who tortured Corinth. Sarah. But things aren't so cut and dry anymore when friends turn into enemies and enemies turn into friends. Trusting Gabriel Stanton, the leader of one of the most powerful vampire clans in the world, might just be enough to cause his downfall by her hands. Especially since she has the worst kind of history with him—the killing-your-father kind. Will Corinth make it through his transition to become a vampire? Will the Grigori's plan at world domination come into fruition? Can they pull together in time to stop the threat? Find out in the last and most action-packed novel in *The Blood Dagger Series*. It will not disappoint. A must-read from start to finish. Sink your teeth into a fun, fierce

vampire series today.

Operational Amplifiers Aug 29 2019 Combining academic rigor with engineering practicality, this senior-level text surveys the analysis and design of operational amplifier circuits in one single sourcebook. Examines the circuits in which operational amplifiers are used and covers the devices' nonidealities, along with the techniques available to minimize resulting errors. With numerous problems and examples, the text emphasizes applications of the devices, organizing them into eight major areas. The internal design of two integrated circuit op amps is also included.

BattleTech Legends: Dagger Point Dec 26 2021 Covert Operations... Edwin Amis, new commander of the Eridani Light Horse, faces a tough decision: Should he openly defy Sun-Tzu Liao, the First Lord of the Star League? The First Lord has sent Star League troops as "peacekeepers" to the St. Ives Compact to prevent open rebellion by angry citizens—but they're not seeking peace. Amis knows the mission is only a guise for reclaiming territory for the Capellan Confederation, and he's ready to station counter-forces on Milos, close to the heart of the Capellan capital. But on Milos, things are already escalating—Death Commando Chen Shao and his ruthless partner, Nessa Ament, have secretly murdered a dissident's family in cold blood. Now both forces are at each other's throats in what could erupt into full-scale war unless Amis can find a way to defuse the situation before more blood is shed...on a planetary scale...

The Liver Jan 03 2020 In its Fifth Edition, this classic book retains its traditional strength of relating molecular physiology to understanding disease pathology and treatment as it explores the current state and future direction of hepatology. Painstakingly revised, this edition includes 60 new chapters. As in previous editions, a section called Horizons summarizes advances of extraordinary nature in areas expected to have a substantial impact on hepatology. The Fifth Edition's Horizons section includes emerging topics such as tissue engineering of the liver, liver-directed gene therapy, decoding the liver cancer genome, and imaging cellular proteins and structure. To preserve essential background information which has not changed while making room for the panoply of major new contributions to understanding of liver disease, 14 chapters from the previous edition are freely available online at gastrohep.com. Dagger Quest Jul 01 2022 An aging Coast Guard patrol boat is all that stands between the world and nuclear annihilation! The world is on the brink of war, with NATO mobilizing to counter a Russian threat to Poland and Lithuania and leaders openly discussing war options. In the midst of the crisis, a Russian bomber collides with a U.S. fighter off Florida causing the accidental launch of a nuclear-tipped hypersonic missile. A Coast Guard cutter on a routine patrol finds a drug-laden sailboat smashed and adrift north of the Florida Keys. The boat's damage is from a near miss by the Russian missile which has not harmlessly flown deep into the Gulf of Mexico as originally thought, but crashed somewhere in the Keys. The Coast Guard crew is in a race against a vicious and powerful international crime syndicate to find and recover the Russian nuke before its discovery can trigger a nuclear war. Exploring the friendship and teamwork of a typical ship's crew, in the face of unexpected and hazardous challenges, *Dagger Quest* provides a fast-paced, taut story - excellent fare for both sea adventure and military thriller fans. Reviews: "Submerging readers in the octane-fueled action of America's coastal military, *Dagger Quest* by Edward M. Hochsmann is a highly entertaining cross between a seafaring adventure and a high-stakes military drama. "When a suspected drug-running ship is found destroyed in Cuban waters, Ben Wyporek, the Executive Officer of a Coast Guard cutter, is plunged into an international quagmire of missiles, secrets, and organized crime. Though the nuclear premise is exciting enough, the more interesting tension of the novel comes from the richly penned cast, with their interpersonal struggles, romances, bruised egos, and conflicting philosophies of leadership. The relationship between Sam and Ben, CO and XO, is both paternal and fraternal, underpinning the strong themes of sacrifice, duty, and friendship that drive this novel forward. "At a time of wildly unstable geopolitics, this novel will hit home for contemporary readers. While some of the elements smack of pulp fiction drama, the authenticity of the prose and the detailed technical writing makes readers forget this isn't a direct account of an international incident. Hochsmann also captures the pace, attitude, hierarchy, and seriousness of life on board a cutter, evidence of his own law enforcement experience in the Coast Guard." Self-Publishing Review

Chapter and Verse - New Order, Joy Division and Me Mar 05 2020 Founding member and guitarist of Joy Division and the lead singer of New Order, Bernard Sumner has been famous over the years for his reticence. Until now... An integral part of the Manchester music scene since the late 1970s, his is the definitive version of the events that created two of the most influential bands of all time. Chapter and Verse includes a vivid and illuminating account of Bernard's Salford childhood, the early days of Joy Division, the band's enormous critical and popular success, and the subsequent tragic death of Ian Curtis. Bernard describes the formation of New Order, takes us behind the scenes at the birth of classics such as 'Blue Monday' and gives his first-hand account of the ecstasy and the agony of the Hacienda days. Sometimes moving, often hilarious and occasionally completely out of control, this is a tale populated by some of the most colourful and creative characters in music history, such as Ian Curtis, Tony Wilson, Rob Gretton and Martin Hannett. Others have told parts of the story, in film and book form. Now, for the first time, Bernard Sumner gives you chapter and verse.
