End of the Road Sep 17 2021 "There are few real-life business stories that could match that of the downfall of Rover. Twenty years ago it would have been unthinkable that a brand with such a loyal following, that held a special place within the heart of the ordinary British man, could possibly fail. The events that led to the downfall were as tragic as they were predictable." "In an earlier edition of this book, at the point when BMW sold MG Rover, Chris Brady and Andrew Lorenz predicted with astonishing accuracy that the Phoenix takeover of the company was doomed to failure. Here, they tell the full untold story of Rover's downfall, from beginning to end."--BOOK JACKET.

The Road to Nab End Dec 21 2021 The Road to Nab End is a marvelously evocative account of growing up poor in a British mill town. From William Woodruff's birth in 1916 until he ran away to London at the age of sixteen, he lived in the heart of Blackburn's weaving community in the north of England, where the crash of 1920 left his family in extreme poverty.

A Road with No End Mar 31 2020 Born in Sumatra in 1922 and educated at the Sekola Ekonomi, Indonesia, as well as the University of Hawaii, Mochtar Lubis is a distinguished journalist and author, much respected in both the East and West. Noted for his forthright views, he was imprisoned for over four years and under house arrest for another four-and-a-half years during the Soekarno regime. As will be seen in this book, he remains a fearless upholder of the values and principles which he cherishes, and a devoted lover of his homeland, Indonesia.

The House at the End of the Road Apr 12 2021 A powerful story about race and identity told through the lives of one American family across three generations. In 1914, in defiance of his middle-class landowning family, a young white man named James Morgan Richardson married a light-skinned black woman named Edna Howell. Over more than twenty years of marriage, they formed a strong family and built a house at the end of a winding sandy road in South Alabama, a place where their safety from the hostile world around them was assured, and where they developed a unique racial and cultural identity. Jim and Edna Richardson were Ralph Eubanks's grandparents. Part personal journey, part cultural biography, *The House at the End of the Road* examines a little-known piece of this country's past: interracial families that survived and prevailed despite Jim Crow laws, including those prohibiting mixed-race marriage. As he did in his acclaimed 2003 memoir, *Ever Is a Long Time*, Eubanks uses interviews, oral history, and archival research to tell a story about race in American life that few readers have experienced. Using the Richardson family as a microcosm of American views on race and identity, *The House at the End of the Road* examines why ideas about racial identity rooted in the eighteenth century persist today. In lyrical, evocative prose, this extraordinary book pierces the heart of issues of race and racial identity, leaving us ultimately hopeful about the world as our children might see it.

The Floating Opera and The End of the Road Dec 09 2020 Tells the stories of a man's struggle with the idea of suicide and of a bed-hopping threesome brought together by a strange doctor-psychiatrist-mentor

Life At The End Of The Road Sep 29 2022 There is a very real darkness that dwells deep in our souls - and some have learned to set it free. When Laura Kamryn disappears on a trip back to her remote hometown, her distraught fiance Rey Morfin convinces Laura's childhood friend Anna Tyndall to return to the small town of Redbury to help investigate. Using Anna's knowledge of the local area, and more importantly, the people, Rey hopes to find Laura - alive. But beneath the surface, a wickedness stirs. The residents allude to a rampant fire that scarred the town, a witch from whom the children flee, and monstrous shapes that lurk in the shadows. Rey's journey will take him to the darkest corners of the English countryside, encountering a mysterious root, afternoon tea, and beings that are perhaps human no more.

The Road Less Traveled Feb 29 2020 During a pivotal few months in the middle of the First World War all sides-Germany, Britain, and America-believed the war could be concluded. Peace at the end of 1916 would have saved millions of lives and changed the course of history utterly. Two years into the most terrible conflict the world had ever known, the warring powers faced a crisis. There were no good military options. Money, men, and supplies were running short on all sides. The German chancellor secretly sought President Woodrow Wilson's mediation to end the war, just as British ministers and France's president also concluded that the time was right. *The Road Less Traveled* describes how tantalizingly close these far-sighted statesmen came to ending the war, saving millions of lives, and avoiding the total war that dimmed hopes for a better world. Theirs was a secret battle that is only now becoming fully understood, a story of civic courage, awful responsibility, and how some leaders rose to the occasion while others shrank from it or chased other ambitions. "Peace is on the floor waiting to be picked up!" pleaded the German ambassador to the United States. This book explains both the strategies and fumbles of people facing a great crossroads of history. *The Road Less Traveled* reveals one of the last great mysteries of the Great War: that it simply never should have lasted so long or cost so much.

The End of the Road Nov 27 2019 The Tour de France is always one of the sporting calendar's most spectacular and dramatic events. But the 1998 Tour provided drama like no other. As the opening stages in Ireland unfolded, the Festina team's soigneur Willy Voet was arrested on the French-Belgian border with a car-load of drugs. Raid after police raid followed, with arrest after arrest hammering the Tour. In protest, there were riders' strikes and go-slows, with several squads withdrawing en masse and one expelled. By the time the Tour reached Paris, just 96 of the 189 starters remained. And of those 189 starters, more than a quarter were later reported to have doped. The 1998 Tour de France's status as one of the most scandal-struck sporting events in history was confirmed. Voet's arrest was just the beginning of sport's biggest mass doping controversy - what became known as the Festina affair. It all but destroyed professional cycling as the credibility of the entire sport was called into question and the cycling family began to split apart. And yet, ironically, the 1998 Tour was also one of the best races in years. *The End of the Road* is the first English-language book to provide in-depth analysis and a colourful evocation of the tumultuous events during the 1998 Tour. Alasdair Fotheringham uncovers, step by step, how the world's biggest bike race sank into a nightmarish series of scandals that left the sport on its knees. He explores its long-term consequences - and what, if any, lessons were learned.

At the Very End of the Road Nov 19 2021 A deep and carefully crafted book of place that explores the impact of season and tides and weather upon the wildlife of a tiny area of mudflats and saltmarsh, and the land immediately adjacent to them in the west of England. Includes eight vignettes and a poem in each of 12 calendrical chapters to deliver an evolving understanding of the area, how it interacts and how it changes across scales of time.

The Road To Nab End Oct 19 2021 William Woodruff had the sort of childhood satirised in the famous Monty Python Yorkshireman sketch. The son of a

weaver, he was born on a pallet of straw at the back of the mill and two days later his mother was back at work. Life was extremely tough for the family in 1920's Blackburn -- a treat was sheep's head or cow heel soup -- and got worse when his father lost his job when the cotton industry started its terminal decline. Woodruff had to find his childhood fun in the little free time he had available between his delivery job and school, but he never writes self-pityingly, leaving the reader to shed the tears on his behalf. At ten his mother takes him on his one and only holiday -- to Blackpool. He never wonders where they get the money to do so, only where she disappears to with strange men in the afternoons, before taking him to the funfair, pockets jingling an hour or two later. NAB END is certainly not all grime and gloom however, there's a cast of great minor characters from an unfrocked vicar to William's indomitable grandmother Bridget who lend some colour and humour -- and all against the strongly rendered social backdrop of the 1920s and 1930s.

A Very Simple Crime Oct 07 2020 A twisting debut novel of murder and dark family secrets from a riveting new voice in crime fiction. A murdered woman. A grieving husband. And their son--a mentally handicapped adult with a history of violent outbursts. A very simple case. Or is it? Leo Hewitt, an Assistant DA once blamed for setting free a notorious child-killer, is eager to redeem himself with this intimate and grisly crime. As he digs below the surface he discovers more than he ever anticipated--including an emotionally disturbed wife, a husband who'd do anything to escape his disastrous marriage, and an accused young man with no apparent means of defense. But with each shocking new revelation, Leo is only led deeper and deeper into the darkness--an inescapable trap of blood bonds and twisted family secrets.

The Road that Has No End Mar 12 2021 This story is written as it happens, on the road. Digital technology and dot-com know-how are in harmony with minimalist living. The result is salt-of-the-earth drama related on the fly through an internet journal, culminating in a series of captivating true stories. A winning combination of integrity and know-how, with a relaxing informal prose, become informative nonfiction that reads like a novel. This first book progresses from the shedding of a traditional lifestyle to discoveries made on their bicycle journey from Arizona, USA to Panama City, Panama. On bicycle, the Travises are exposed to the ground level of society, an experience few outsiders will ever know. Along the way, the Travises witness a religious pilgrimage in Chalma, Mexico, visited ancient Aztec and Mayan ruins, were attacked by an airplane spraying pesticides in Guatemala and saw alligators, scarlet Macaws and three-toed sloths in the jungles and cloud forests of Costa Rica. You can check on their location, catch up on the latest news, and view stunning photographs from their global bicycle tour at their extensive web site: <http://www.downtheroad.org>.

The End of the Road Feb 20 2022 "Everybody has secrets, but some want to leave them behind... They say life is a journey, but what happens when you get to the end of the road?"

The End Is Nigh Oct 26 2019 Few decades have given rise to such potent mythologies as the 1930s. Popular impressions of those years prior to the Second World War were shaped by the single outstanding personality of that conflict, Winston Spencer Churchill. Churchill depicted himself as a political prophet, exiled into the wilderness prior to 1939 by those who did not want to hear of the growing threats to peace in Europe. Although it is a familiar story, it is one we need to unlearn as the truth is somewhat murkier. *The End is Nigh* is a tale of relentless intrigue, burning ambition, and the bitter rivalry in British politics during the years preceding the Second World War. Journeying from the corridors of Whitehall to the smoking rooms of Parliament, and from aircraft factories to summit meetings with Hitler, the book offers a fresh and provocative interpretation of one of the most crucial moments of British history. It assembles a cast of iconic characters--Churchill, Neville Chamberlain, Stanley Baldwin, Clement Attlee, Anthony Eden, Ernest Bevin, and more--to explore the dangerous interaction between high politics at Westminster and the formulation of national strategy in a world primed to explode. In the twenty-first century we are accustomed to being cynical about politicians, mistrusting what they say and wondering about their real motives, but Robert Crowcroft argues that this was always the character of democratic politics. In *The End is Nigh* he challenges some of the most resilient public myths of recent decades--myths that, even now, remain an important component of Britain's self-image.

The End of the Road Oct 31 2022 A wonderfully quixotic, charming and surprisingly uplifting travelogue which sees Jack Cooke, author of the much-loved *The Treeclimbers Guide*, drive around the British Isles in a clapped-out forty-year old hearse in search of famous - and not so famous - tombs, graves and burial sites.

The Palestine Papers Sep 05 2020 Documents from the classified papers leaked to Al-Jazeera in January give the clearest account yet of what really goes on in Middle East peace talks, including revealing off-the-record remarks made by Condoleezza Rice, Tony Blair, Mahmoud Abbas, and other key players. In January 2011, Al-Jazeera television published 1,600 pages of confidential papers and memoranda from the last five years of peace negotiations between Israel and the Palestinians. This book presents complete texts of a number of the most important papers, along with an analysis that reveals a complex, tortuous, and so far unproductive Palestine-Israeli peace process, in a rare, unfiltered look at a current topic as it unfolds. Issues discussed include the Israeli illegal settlements, the Hamas rockets, the Israeli Wall, the invasion of Gaza, the rights of Palestinian refugees, and the move to define Israel as an exclusively Jewish state. For the first time it is possible to compare public utterances, such as "the settlements must go" from Palestine and "we want the Palestinians to have a viable state" from Israel and the U.S., with the very different views expressed in confidential meetings and memoranda.

Love at the End of the Road May 26 2022 At an auspicious meeting at rural dating service Table for Six, Rae meets and falls in love with Northland farmer and honest Kiwi bloke Rex Roadley. What lies ahead is not without its challenges and heartaches, and the need (on both sides) to compromise. *Love at the End of the Road* is a love story with a difference. Rae's charming story is beautifully written from the heart; not only does she find love with Rex, but she finds out more about herself than she ever knew. Woven through her account is the story of the great house itself at Batley and the history of the surrounding countryside. Morphing from city to rural life isn't an easy transition, but Rae simply rolls up her sleeves and gets on with it. Together, she and Rex begin to transform the charming but battered historic villa, Batley House. As their relationship settles and deepens, they pay heed to Rae's 'thundering biological clock' and consider parenthood while Rae, who lost her mother in her late teens and, soon afterwards, her way in life, continues on her path of self discovery. Rae is drawn into every aspect of life on a 400ha sheep and beef farm; from training her cattle dog Floss to slogging through the rain and mud, competing at A&P shows, catering for the hordes at the Maungaturoto Country Club, moving cattle &- including one spectacular moment in which she is mown down but unharmed by a marauding bull! *Love at the End of the Road* is a heart-warming, amusing and inspiring story about one woman's journey of discovery. It is also a very candid and courageous story; one that explores universal themes and delves into the 'hidden corners' of a loving relationship, revealing all its joys and tribulations. Rae writes unflinchingly about what she gives up, and gains, in her new life with Rex, and just what it means to find 'love at the end of the road'.

Billy Boy Feb 08 2021

The Floating Opera and The End of the Road Jun 14 2021 *The Floating Opera* and *The End of the Road* are John Barth's first two novels. Their relationship to each other is evident not only in their ribald subject matter but in the eccentric characters and bitterly humorous tone of the narratives. Both concern strange, consuming love triangles and the destructive effect of an overactive intellect on the emotions. Separately they give two very different views of a universal human drama. Together they illustrate the beginnings of an illustrious career.

End of the Road Jul 24 2019 Contrasts our view of cars with their actual impact on our world, criticizes the current transportation system, and suggests ways to discourage use of the automobile

The Negro Motorist Green Book Sep 25 2019 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Angel End Road Jul 04 2020 Freelance journalist Colton West can't wait to finally end it with the rich and shallow Martin. Their relationship had been a mistake from the beginning. But just when Colton feels that he's made it clear to Martin it's over and he can move on with his life and career, he gets a phone call that will change his world forever. Whitfield, Vermont, is the sleepy little town where Colton grew up, a town he couldn't wait to leave. It's also the place where his best high school friend was found murdered years before, left on a road outside town that goes nowhere. The killer was never caught, although a stoic old man named George Hill, who lived with his young grandson in the only house on that road, was considered by many to be the prime suspect and passed away several years later. But now, another boy has been found dead at the end of that same lonely road, with his body eerily laid out in the same disturbing manner as Colton's best friend. And this time, the victim is Colton's fifteen-year-old nephew. With the original murder suspect deceased, Colton knows the killer of both teenagers is still on the loose, perhaps preparing to strike again, and Colton won't rest in his investigation until he unearths the whole,

ugly truth.

Sahel Mar 24 2022 The award-winning photographs of the drought-stricken Sahel region of Africa have documented the suffering and dignity of the refugees, giving a visual voice to millions of human beings who teeter on the edge of survival.

Come from Away Aug 24 2019 From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. *Come from Away* is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

The End of the Road Jun 02 2020 A nationally syndicated radio raconteur welcomes listeners to *The End of the Road*, a small Alaska town inhabited by "real" characters--unpretentious, funny, and, at times, quite touching

Solid State May 14 2021 Acclaimed Beatles historian Kenneth Womack offers the most definitive account yet of the writing, recording, mixing, and reception of *Abbey Road*. In February 1969, the Beatles began working on what became their final album together. *Abbey Road* introduced a number of new techniques and technologies to the Beatles' sound, and included "Come Together," "Something," and "Here Comes the Sun," which all emerged as classics. Womack's colorful retelling of how this landmark album was written and recorded is a treat for fans of the Beatles. *Solid State* takes readers back to 1969 and into EMI's *Abbey Road Studio*, which boasted an advanced solid state transistor mixing desk. Womack focuses on the dynamics between John, Paul, George, Ringo, and producer George Martin and his team of engineers, who set aside (for the most part) the tensions and conflicts that had arisen on previous albums to create a work with an innovative (and, among some fans and critics, controversial) studio-bound sound that prominently included the new Moog synthesizer, among other novelties. As Womack shows, *Abbey Road* was the culmination of the instrumental skills, recording equipment, and artistic vision that the band and George Martin had developed since their early days in the same studio seven years earlier. A testament to the group's creativity and their producer's ingenuity, *Solid State* is required reading for all fans of the Beatles and the history of rock 'n' roll.

The End Of The Road Jan 22 2022 When five college friends cross America in a minivan to find themselves, they chance upon a road that isn't on any map. They can't resist exploring it. The van breaks down. They find a town, a massive trailer park steeped in squalor. The town isn't on any map either. They find people in town. They'll wish they hadn't. The only sanctuary is the Big House—a giant mansion at the center of town that appears to be abandoned, only all the lights come on at night. Inside the Big House is the secret of the town. Inside, they'll finally find themselves. They won't like what they find.

Although Of Course You End Up Becoming Yourself Nov 07 2020 NOW A MAJOR MOTION PICTURE, STARRING JASON SEGAL AND JESSE EISENBERG, DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace, by turns funny and inspiring, based on a five-day trip with award-winning writer David Lipsky during Wallace's *Infinite Jest* tour In David Lipsky's view, David Foster Wallace was the best young writer in America. Wallace's pieces for Harper's magazine in the '90s were, according to Lipsky, "like hearing for the first time the brain voice of everybody I knew: Here was how we all talked, experienced, thought. It was like smelling the damp in the air, seeing the first flash from a storm a mile away. You knew something gigantic was coming." Then *Rolling Stone* sent Lipsky to join Wallace on the last leg of his book tour for *Infinite Jest*, the novel that made him internationally famous. They lose to each other at chess. They get iced-in at an airport. They dash to Chicago to catch a make-up flight. They endure a terrible reader's escort in Minneapolis. Wallace does a reading, a signing, an NPR appearance. Wallace gives in and imbibes titanic amounts of hotel television (what he calls an "orgy of spectation"). They fly back to Illinois, drive home, walk Wallace's dogs. Amid these everyday events, Wallace tells Lipsky remarkable things—everything he can about his life, how he feels, what he thinks, what terrifies and fascinates and confounds him—in the writing voice Lipsky had come to love. Lipsky took notes, stopped envying him, and came to feel about him—that grateful, awake feeling—the same way he felt about *Infinite Jest*. Then Lipsky heads to the airport, and Wallace goes to a dance at a Baptist church. A biography in five days, *Although Of Course You End Up Becoming Yourself* is David Foster Wallace as few experienced this great American writer. Told in his own words, here is Wallace's own story, and his astonishing, humane, alert way of looking at the world; here are stories of being a young writer—of being young generally—trying to knit together your ideas of who you should be and who other people expect you to be, and of being young in March of 1996. And of what it was like to be with and—as he tells it—what it was like to become David Foster Wallace. "If you can think of times in your life that you've treated people with extraordinary decency and love, and pure uninterested concern, just because they were valuable as human beings. The ability to do that with ourselves. To treat ourselves the way we would treat a really good, precious friend. Or a tiny child of ours that we absolutely loved more than life itself. And I think it's probably possible to achieve that. I think part of the job we're here for is to learn how to do it. I know that sounds a little pious." —David Foster Wallace

Safety at Street Works and Road Works Jan 10 2021 This publication sets out the statutory requirements for signing, lighting, and guarding at street works and road works. This is the core reference manual for utility companies, local authorities, street work contractors and others whose day-to-day business involves street works (works by statutory undertakers and other utility companies etc) and road works (works to maintain or repair road infrastructure). The code, which covers all of the UK and includes national variations, is now compulsory for highway/road authorities in England, Wales and Northern Ireland. It applies to all single carriageway roads and dual carriageways with a speed limit of 40 mph or less. The code is now divided into three parts: Basic Principles, Operations, and Equipment and Vehicles; site layout diagrams have been redrawn to make them easier to understand. There is: increased emphasis on using risk assessment and guidance on what to consider in such assessments; strengthened guidance on providing for pedestrians and cyclists and new guidance on traffic control measures related to road closures, one-way working and temporary road obstructions; enhanced advice on other traffic control measures including works near tramways and railways, and mobile/short duration works; and updated advice on high visibility clothing and the signing and conspicuity requirements for work vehicles. Effective from 1 October 2014 when it will supersede the 2001 edition (ISBN 9780115519581).

The Road to the World's End May 02 2020 Sigurd Hoel (1890-1960) was one of the most influential literary figures in Norway between the wars. His scope was broad; besides being a major novelist, he was a subtle and incisive literary critic, a vigorous cultural commentator, and a distinguished editor. The poet Andre Bjerke said at Hoel's death in 1960: "Had he written in English, he would have had a worldwide reputation." Among Hoel's major writings are *The Road to the World's End*, *The Troll Circle*, and *Meeting at the Milestone*. *The Road to the World's End* is a classic study of childhood and adolescence. Though the book has a dense image structure and a thematic range and depth that only an adult mind and sensibility could master, throughout its changing perspectives the narrational voice remains that of a growing child and a developing teenager.

End of the Road Aug 05 2020 "My name is Brian Keene. I'm a writer by trade and a road warrior by heart. Neither of these things are wise career or life choices. The tolls add up. Over the last twenty years, things have changed. Book tours have changed, publishing has changed, bookselling has changed, conventions have changed, horror fiction-and the horror genre-have changed. I've changed, too. The only things that haven't changed are writing and the road. They stay the same. The words we type today are the past tomorrow. Everything is connected like the highways on a map are connected. This holds true for the

history of our genre, as well. I rode into town twenty years ago. Now I'm riding out. You're all coming with me..." So begins Brian Keene's *End of the Road*—a memoir, travelogue, and post-Dante Macabre examination of modern horror fiction, the people who write it, and the world they live-and die-in. Exhilarating, emotional, heartfelt, and at times hilarious, *End of the Road* is a must-read for fans of the horror genre. Introduction by Gabino Iglesias.

The Road Jul 28 2022 The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.

The Light at the End of the Road Aug 17 2021 For fans of *The Ghost Next Door*, a new spine-tingling mystery-romance. New York Times Bestselling Author GINNY BAIRD *The Light at the End of the Road* All Samantha Williams wants is to find her way home. Her father's critically ill and the family doesn't believe he'll make it through the weekend. But the fates and Mother Nature aren't cooperating. Icy rain has caused highway closings along Sam's precipitous mountain route, and she's forced to take treacherous back roads. When her car hits black ice and skids into a ditch, Sam fears for her survival. Then a stranger appears on the scene to offer her a hand. Only, after a while, Sam starts to fear this handsome mystery man is leading her in the wrong direction... Jake Marlow normally doesn't travel this road at night. In fact, he barely gets back to the country. But a business emergency has him taking chances with the weather in his trustworthy SUV. At least, he believed it trustworthy until it blew two tires this evening. Seeking shelter in the storm, he comes across a beautiful woman in even more dire circumstances than his own. While he's sure he's never met her, there's something about Samantha Williams he feels he knows. Driven to protect her and get her to safety, Jake's prepared to make any sacrifice. Yet the mysterious light they're chasing eludes them time and again.

At the End of the Road Apr 24 2022 From the critically acclaimed author of *A Very Simple Crime*, a chilling story of a young boy coming to grips with genuine evil. A red dirt road on a sweltering day. A car loses control, flips through the air. A woman crawls out, bloody and battered, staggers toward the boy on the bike, the one she swerved to avoid. But he runs away... Kyle is ten in the summer of 1976, and his world is all about secrets—secrets hidden in the maze of cornfields, in caves, in the embers of scorched earth, behind creaking doors and down basement stairs...and in the darkest of hearts. But there's a policewoman at the front door. The Paralyzed Man watches him from a neighboring porch. And no matter which way Kyle turns, no place seems safe anymore...
