And Jeff was fighting the same fight, against the same psychological beast, as he uttered the grisly details: Gabe's mother, Ira McLaughlin, had been butchered to death: Dissected... slowly. Apparently, the killer took pleasure in cutting off appendages- one section at a time- at each of the major joints in the extremities. A tourniquet had been applied preventing massive blood loss... the victim eventually succumbed to shock. As insult to injury, the killer had also etched a note into the victim's torso: "will U-turn and look the other way, or watch while I kill?" -KILLuR
