Alain Robbe-Grillet Jan 22 2022 Alain Robbe-Grillet had traditionally been seen as an austere

experimentalist in fiction, addicted to arid and interminable descriptions of objects like coffee pots, erasers and pieces of string. His own rather bellicose theoretical pronouncements were partly to blame for this unattractive picture, belied by the immense popular success of the film *Last Year at Marienbad* (1961) (made by Alain Resnais from Robbe-Grillet's script) and the high critical esteem in which novels like *Jealousy* and *The Voyeur* are held. In his original study, first published in 1983, John Fletcher attempts to resolve this paradox by offering a new interpretation of Robbe-Grillet's work which stresses the subversive qualities of his imagination and the disturbing power of his vision of a world of labyrinths and bizarre sexual stereotypes, haunted by images of love and loss. [A Sentimental Novel](#) Feb 08 2021 In France, Alain Robbe-Grillet's final novel was sold in shrink-wrap, labeled with a sticker warning readers that this perverse fairy tale might offend certain sensibilities. It tells the story of Gigi, also known as Djinn, who is being schooled by her father to be a perfect slave and mistress. Running the gamut of unacceptable subject matter from incest to torture, this book abounds with vignettes that explore taboos and their representation in fiction, from the Brothers Grimm to the Marquis de Sade. It is titillating and disgusting, the work of a dirty old man or brilliant agent provocateur -- or both.

*The Erotic Dream Machine* May 14 2021 Robbe-Grillet is a visionary who seeks to discover unfamiliar ways of seeing and interpreting. His films, like his novels, challenge the limits of expected narrative structures and question the comfortable assumptions of conventional realism. In the interviews, conducted from 1982 until 1991, Fragola and Smith examine all nine of the films that Robbe-Grillet has created, specifically exploring the cultural milieu to which they are so closely and problematically related.

[Project for a Revolution in New York](#) Apr 12 2021 Part prophecy and part erotic fantasy, this classic

tale of otherworldly depravity features New York itself—or a foreigner's nightmare of New York—as its true protagonist. Set in the towers and tunnels of the quintessential American city, Alain Robbe-Grillet's novel turns this urban space into a maze where politics bleeds into perversion, revolution into sadism, activist into criminal, vice into art—and back again. Following the logic of a movie half-glimpsed through a haze of drugs and alcohol, *Project for a Revolution in New York* is a Sadean reverie that bears an alarming resemblance to the New York, and the United States, that have actually come into being.

Cybertext Sep 25 2019 Do the rapidly expanding genres of digital literature mean that the narrative mode--novels, films, television drama--is losing its dominant position in our culture? Author Espen Aarseth eases our fears of literary loss (at least temporarily) by pointing out that electronic text requires an interactive response to generate a literary sequence. Where's the fun if you have to write your own ending? 21 illustrations.

A Young Doctor's Notebook Nov 27 2019 Mikhail Afanasyevich Bulgakov was a Russian writer, physician and playwright active in the first half of the 20th century. He is best known for his novel *The Master and Margarita*, which has been called one of the masterpieces of the 20th century.

**Why I Love Barthes** May 26 2022 This is a unique testimony to one of the most important literary friendships of our time. Robbe-Grillet, the master of the *nouveau roman*, considered Barthes, France & rsquo;s greatest postwar literary theorist and critic, as one of his very few true friends

**Labyrinth** Jul 24 2019 Notable International Crime Novel of the Year - Crime Reads / Lit Hub From a prize-winning Turkish novelist, a heady, political tale of one man's search for identity and meaning in Istanbul after the loss of his memory. A blues singer, Boratin, attempts suicide by jumping off the Bosphorus Bridge, but opens his eyes in the hospital. He has lost his memory, and can't recall why he wished to end his life. He remembers only things that are unrelated to himself, but confuses their timing. He knows that the Ottoman Empire fell, and that the last sultan died, but has no idea when. His mind falters when remembering civilizations, while life, like a labyrinth, leads him down different paths. From the confusion of his social and individual memory, he is faced with two questions. Does physical recognition provide a sense of identity? Which is more liberating for a man, or a society: knowing the past, or forgetting it? Embroidered with Borgesian micro-stories, *Labyrinth* flows smoothly on the surface while traversing sharp bends beneath the current.

**Two Novels: Jealousy and In the Labyrinth** Aug 29 2022 Here, in one volume, are two remarkable novels by the chief spokesman of the so-called “new novel” which has caused such discussion and aroused such controversy. “Jealousy,” said the New York Times Book Review “is a technical masterpiece, impeccably contrived.” “It is an exhilarating challenge,” said the San Francisco Chronicle. The Times Literary Supplement of London called Robbe-Grillet an “incomparable artist” and the Guardian termed Jealousy “an extraordinary book.” In his native France, leading critic Maurice Nadeau wrote in France-Observateur that “In the Labyrinth is better than an excellent novel: it is a great work of literature,” and fellow novelist and critic Claude Roy judged the same work Robbe-Grillet’s “best book,” while here in America the “Parade of Books” column called In the Labyrinth “a highly emotional experience for the reader” and went on to predict: “Robbe-Grillet will take his place in world literature as a successor of Balzac and Proust.” This volume, which offers incisive essays on Robbe-Grillet by Professor Bruce Morrissette of the University of Chicago and by French critics Roland Barthes and Anne Minor, also contains a helpful bibliography of writings by and about the author.

Performativity in Art, Literature, and Videogames Jun 02 2020 This book modifies the concept of performativity with media theory in order to build a rigorous method for analyzing videogame performances. Beginning with an interdisciplinary exploration of performative motifs in Western art and literary history, the book shows the importance of framing devices in orienting audiences’ experience of art. The frame, as a site of paradox, links the book’s discussion of theory with close readings of texts, which include artworks, books and videogames. The resulting method is

interdisciplinary in scope and will be of use to researchers interested in the performative aspects of gaming, art, digital storytelling and nonlinear narrative.

The Cambridge Companion to World Literature Dec 09 2020 This Companion presents lucid and exemplary critical essays, introducing readers to the major ideas and practices of world literary studies.

**The Erasers** Oct 19 2021 Alain Robbe-Grillet is internationally hailed as the chief spokesman for the nouveau roman and one of the great novelists of the twentieth century. *The Erasers*, his first novel, reads like a detective story but is primarily concerned with weaving and then probing a complete mixture of fact and fantasy. The narrative spans the twenty-four-hour period following a series of eight murders in eight days, presumably the work of a terrorist group. After the ninth murder, the investigation is turned over to a police agent, who may in fact be the assassin. Both an engrossing mystery and a sinister deconstruction of reality, *The Erasers* intrigues and unnerves with equal force as it pull us along to its ominous conclusion.

*Djinn* Nov 07 2020 "A haunting, disorienting, brilliantly constructed novel, *Djinn* is the story of a young man who joins a clandestine organization under the command of an alluring, androgynous American girl, Djinn. Having agreed to wear dark glasses and carry a cane like a blind man, he comes to realize, through bizarre encounters, recurring visual images, and fractured time sequences he experiences as part of his undisclosed mission, that he is, in a sense, helplessly blind. His search for the meaning of his mission and for possible clues to the identity of the mysterious Djinn, becomes a quest for his own identity in an ever-shifting time-space continuum. His growing obsession with solving the mystery becomes the reader's own until, through a surprising shift in narrative

perspective, the reader too becomes lost in the dimension between past and future." -- Publisher's description

The Nouveau Roman and Writing in Britain After Modernism Jan 28 2020 The nouveau roman and Writing in Britain After Modernism recovers a neglected literary history. In the late 1950s, news began to arrive in Britain of a group of French writers who were remaking the form of the novel. In the work of Michel Butor, Marguerite Duras, Robert Pinget, Alain Robbe-Grillet, Nathalie Sarraute, and Claude Simon, the hallmarks of novelistic writing--discernible characters, psychological depth, linear chronology--were discarded in favour of other aesthetic horizons. Transposed to Britain's highly polarized literary culture, the nouveau roman became a focal point for debates about the novel. For some, the nouveau roman represented an aberration, and a pernicious turn against the humanistic values that the novel embodied. For others, it provided a route out of the stultifying conventionality and conformism that had taken root in British letters. On both sides, one question persisted: given the innovations of interwar modernism, to what extent was the nouveau roman actually new? This book begins by drawing on publishers archives and hitherto undocumented sources from a wide range of periodicals to show how the nouveau roman was mediated to the British public. Of central importance here is the publisher Calder & Boyars, and its belief that the nouveau roman could be enjoyed by a mass public. The book then moves onto literary responses in

Britain to the nouveau roman, focusing on questions of translation, realism, the end of empire, and the writing of the project. From the translations of Maria Jolas, through to the hostile responses of the circle around C. P. Snow, and onto the literary debts expressed in novels by Brian W. Aldiss, Christine Brooke-Rose, Eva Figes, B. S. Johnson, Alan Sheridan, Muriel Spark, and Denis Williams, the nouveau roman is shown to be a central concern in the postwar British literary field.

*Voyeur* Mar 24 2022 When Mathias, a travelling watch salesman, returns after many years to the island of his birth, a young girl is found dead on the rocks. As Mathias makes an increasingly tense recapitulation of his movements on the day of the event, tiny details slowly and inexorably accumulate. Through the warped screen of his distorted mind, the remembered images pile up until the reader is caught in his web of desperation. And yet in the end reality has lost all meaning, as the distinction between the narrator's recollections and the underlying facts are more and more blurred. This brilliantly executed novel, which showcases all the techniques that have secured Robbe-Grillet's place in the canon of Western literature, leaves behind a disturbing sense of unrest.

**The Blind Owl** Aug 24 2019 Sadegh Hedayat's most famous work is a deeply haunting and disturbing gem of world literature, a classic tale that defies any attempt to tie it down to a single interpretation. The story is narrated by a young man, a painter of miniatures, whose name we never learn. He feels an overbearing need to recount an experience he went through that has shattered his whole existence, rendered his life meaningless - "I am obliged to set all this down in order to disentangle the various threads of my story. I am obliged to explain it all for the benefit of my shadow on the wall." We are slowly drawn into the hallucinatory and confused world of the young man, a world in which a beautiful young woman, an old man and a cypress tree become the recurring motifs. Not only are they the images he always paints but he sees all three in a vision that

comes to plague him. This waking dream ends up becoming a nightmare from which the narrator seems unable to escape...Set in a haze of opium, *The Blind Owl* must rank as one of the most mysterious, poetic and macabre works of twentieth century fiction. It is a book of enormous power and this well-overdue reissue sees the return to print of one of the greatest Persian novels ever written.

**Two Novels** Jul 28 2022 Newly reissued with an eye-catching cover by Peter Mendelsund, two remarkable books by legendary avant-garde writer Alain Robbe-Grillet

[Understanding Alain Robbe-Grillet](#) Aug 17 2021 "Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe-Grillet's considerable richness and complexity, Smith elucidates the defining elements of the writer's fictional world - characters that barely exist, changeable narrators, plots that defy logic, notoriously meticulous descriptions that never quite form a complete story. Smith examines Robbe-Grillet's embrace of discontinuity, circularity, indeterminacy, and linguistic play. Smith also poses questions about how we should view this

perplexing writer: as an author of hyperobjective novels and short stories, a subjective novelist, a realist, or a writer who undermines the narrative's claim to represent reality. In addition Smith evaluates the sado-erotic imagery of Robbe-Grillet's middle and late novels as a metaphorical play with textual and social conventions."--BOOK JACKET.
