Traitor's Hope Apr 01 2020 For centuries the Roju Council silenced all who opposed them, spreading lies and killing innocents in order to maintain the status quo and ensure that female Kisoshi were little more than a long forgotten myth. Now that Mishi and Taka have helped to depose the corrupt council, the land of Gensokai is reeling as it takes its first steps towards recovery. As the New Council attempts to corral the renegade allies of the defunct regime, Taka is asked to take charge of a frontline infirmary, putting her in the heart of the battle. To survive, she will have to rely on a person she cannot possibly trust. Meanwhile, Mishi is asked to lure a vicious band of mountain raiders into the open--a mission that has proven fatal to all who have attempted it so far. Making matters worse, Mishi's mind keeps betraying her and she fears that her kiso and katana will betray her next. As the two friends fight to re-establish the peace in their homeland, the only question is where the next betrayal will come from, and if Mishi and Taka will have the strength to survive it.

I won't let anything get in my way, not even the new "it boy" of the NFL and my hot-as-hell neighbor. What's the worst thing about getting death glares from his new neighbor? It doesn't make him want her any less. I've worked my ass off to make it to the pros. The last thing I need is the complication of a relationship, especially since my last one was a total train wreck. But I can't stop thinking about the feisty girl next door with the smart mouth. Girl Hunter Dec 10 2020 What happens when a classically-trained New York chef and fearless omnivore heads out of the city and into the wild to track down the ingredients for her meals? After abandoning Wall Street to embrace her lifelong love of cooking, Georgia Pellegrini comes face to face with her first kill. From honoring that first turkey to realizing that the only way we truly know where our meat comes from is if we hunt it ourselves, Pellegrini embarks on a wild ride into the real world of local, organic, and sustainable food. Teaming up with veteran hunters, she travels over field and stream in search of the main course—from quail to venison and wild boar, from elk to javelina and squirrel. Pellegrini's road trip careens from the back of an ATV chasing wild hogs along the banks of the Mississippi to a dove hunt with beer and barbeque, to the birthplace of the Delta Blues. Along the way, she meets an array of unexpected characters—from the Commish, a venerated lifelong hunter, to the lawyer-by day, duck-hunting-Bayou-philosopher at dawn—who offer surprising lessons about food and life. Pellegrini also discovers the dangerous underbelly of hunting when an outing turns illegal—and dangerous. More than a food-laden hunting narrative, Girl Hunter also teaches you how to be a self-sufficient eater. Each chapter offers recipes for finger-licking dishes like: wild turkey and oyster stew stuffed quail pheasant tagine venison sausage fundamental stocks, brines, sauces, and rubs suggestions for interchanging proteins within each recipe Each dish, like each story, is an adventure from beginning to end. An inspiring, illuminating, and often funny journey into unexplored territories of haute cuisine, Girl Hunter captures the joy of rolling up your sleeves and getting to the heart of where the food you eat comes from.

Yawar Fiesta Nov 08 2020 Fiction. In English translation. José María Arguedas is one of the few Latin American authors who loved and described his natural surroundings, and he ranks among the greatest writers of any time and place. He saw the beauty of the Peruvian landscape, as well as the grimness of social conditions in the Andes, through the eyes of the Indians who are a part of it. Yawar Fiesta describes the social relations between Indians, mestizos, and whites in the Peruvian highland town of Puquio in the early twentieth century. Each group's reaction to the national government's attempt to suppress the traditional Indian-style bullfight reflects their attitude toward social change more generally. Included with the text of the novel is Arguedas' anthropological essay "Puquio: A Culture in the Process of Change," written eighteen years after Yawar Fiesta. The article emphasizes the social changes in the village that resulted from the road construction described in

the novel. While Arguedas' poetry was published in Quechua, he invented a language for his novels in which he used native syntax with Spanish vocabulary, making translation into other languages extremely difficult. Frances Horning Barraclough has met the challenge and produced an excellent work that remains faithful to the author's use of language to reflect with lived experience of Peruvian Indians.
