Lord of the Flies Jul 25 2019 A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright sun, fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrible beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern literary classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, the historical context relevant to the novel and an essay on Lord of the Flies by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for A-level or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

Kent Test: 100s of Sample Test Questions and Answers for the

F in Exams Pop Quiz Jun 15 2021 Will some students ever learn from their mistakes? We hope not. A new collection of real—and really hilarious—wrong answers. This all-new collection of hilariously totally wrong, real test answers serves a fresh batch of A+ wit misapplied to F- quiz scores. Studying would reveal that the most powerful light source known to man isn't "lightsabers," nor do we salt the roads when it snows "to make them taste better." But where's the fun in that? From the same wellspring of failure as the million-selling F in Exams series, this special pop quiz collection will amuse and entertain anyone preparing to face down a test paper as well as those just glancing far away from a classroom.

F in Exams Sep 30 2022 F stands for "funny" in this perfect gift for students or anyone who has ever had to struggle through a test and needs a good laugh. Celebrating the creative side of failure, a way we can all relate to, F in Exams gathers the most hilarious and inventive test answers ever by students who, faced with a question they have no hope of getting right, decide to have a little fun instead. Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common? A: Unusual names), math, or other subjects, these 250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.

Functional Skills Maths Level 2 20 2021 Whichever Exam Board you are working for you will find this book useful for Functional skills Maths level 2. In the actual test although the use of calculators is allowed it is sometimes useful to do simple sums with confidence without using calculators. In addition to basic addition, subtraction, multiplication and division you are expected to be familiar with fractions, decimals, percentages, ratios and proportions in everyday context. Everyday problems often involve being able to estimate as well as being able to work with simple formulas like Speed, Distance and Time and of course conversions from one type of currency to another when you go on holiday! Also, basic Data Interpretation or Statistics is useful to make sense of data that is presented numerically or visually in a workplace or in newspaper articles. There are also chapters on basic shapes and spaces since you also need to be able to work out perimeters, areas and volumes of basic shapes as well as be familiar with plans and drawing nets! Although the examples in this book start simply they gradually build up to Level 2. Finally the test questions at the end contain detailed answers.
