The Eve of the Reformation Oct 22 2019 Reproduction of the original: The Eve of the Reformation by Francis Aidan Gasquet

Rocking the Roles Jun 17 2019 Far from the restrictions of traditional marriage or the formlessness of modern marriage, a biblical marriage is a blend of structure and equality.

The David Story: A Translation with Commentary of 1 and 2 Samuel Sep 20 2019 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Eve of Destruction Feb 24 2020 In an age of new threats to international security, the old rules of war are rapidly being discarded by the great powers. This study explores how and why states will exercise the preventive use of force in the twenty-first century, and how this violence might be contained and controlled.

Dirty Politics Nov 22 2019 In recent years, Americans have become thoroughly disenchanted with political campaigns, especially with ads and speeches that bombard them with sensational images while avoiding significant issues. Now campaign analyst Kathleen Hall Jamieson provides an eye-opening look at the tactics used by political advertisers. Photos and line drawings.

The British Christian Women's Movement Apr 20 2022 This book presents a timely study of a neglected British Christian women's movement. Jenny Dagers charts the inception of the movement in the exciting times of the post-sixties decades, amid new currents generated in the British denominational churches, and the wider current of Women's Liberation. Focusing on Christian women's concern with the position of women in the church, this book identifies a core Christian women's theology which affirms a (rehabilitated) 'new Eve in Christ', and so contrasts with a concurrent paradigm shift taking shape in North American feminist theology. Dagers argues that this divergence is primarily due to the effect of the prolonged Church of England women's ordination debate upon the ethos of the British Christian women's movement.

History of Orange County, New York Oct 02 2020

The Rise and Fall of American Growth Jan 05 2021 How America's high standard of living came to be and why future growth is under threat In the century after the Civil War, an economic revolution improved the American standard of living in ways previously unimaginable. Electric lighting, indoor plumbing, motor vehicles, air travel, and television transformed households and workplaces. But has that era of unprecedented growth come to an end?

Weaving together a vivid narrative, historical anecdotes, and economic analysis, *The Rise and Fall of American Growth* challenges the view that economic growth will continue unabated, and demonstrates that the life-altering scale of innovations between 1870 and 1970 cannot be repeated. Robert Gordon contends that the nation's productivity growth will be further held back by the headwinds of rising inequality, stagnating education, an aging population, and the rising debt of college students and the federal government, and that we must find new solutions. A critical voice in the most pressing debates of our time, *The Rise and Fall of American Growth* is at once a tribute to a century of radical change and a harbinger of tougher times to come.

An Audience of Artists Aug 20 2019 An Audience of Artists turns this time line for the postwar New York art world on its head, presenting a new pedigree for these artistic movements. Drawing on an array of previously unpublished material, Catherine Craft reveals that Neo-Dada, far from being a reaction to Abstract Expressionism, actually originated at the heart of that movement's concerns about viewers, originality, and artists' debts to the past and one another. Furthermore, she argues, the original Dada movement was not incompatible with Abstract Expressionism. In fact, Dada provided a vital historical reference for artists and critics seeking to come to terms with the radical departure from tradition that Abstract Expressionism seemed to represent. Tracing the activities of artists such as Robert Motherwell, Barnett Newman, and Jackson Pollock alongside Marcel Duchamp's renewed embrace of Dada in the late 1940s, Craft explores the challenges facing artists trying to work in the wake of a destructive world war and the paintings, objects, writings, and installations that resulted from their efforts."--Jacket.

Doomsday Eve Mar 27 2020 In the midst of the war - that terrible conflict that threatened humanity's total destruction - the "new people" suddenly appeared. Quietly performing incredible deeds, vanishing at will, they were an enigma to both sides. Kurt Zen was an American intelligence officer among the many sent to root them out. He found them. Taken captive in their hidden lair, he waited as the enemy prepared to launch the super missile, the bomb to end all bombs - and all life. If only he could find the source of the new people's power, Kurt alone might be able to prevent obliteration of the Earth...

The Great Adventure (Member Book) Jul 23 2022 Through 20 sessions, men will come to understand how they are wired and how to move forward with energy and enthusiasm to face the challenges of biblical manhood.

The First Book of Moses, Called Genesis Apr 27 2020 Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

Scottish Highlanders on the Eve of the Great Migration, 1725-1775 Dec 24 2019 In 2005 Clearfield Company launched a new series of books by David Dobson that were designed to identify the origins of Scottish Highlanders who traveled to America prior to the Great Highland Migration that began in the 1730s and intensified thereafter. The first four volumes cover Scottish Highlanders from Argyll, Perthshire, Inverness, and the Northern Highlands. This fifth volume in the series pertains to the Northern Isles, commonly known as the Orkney Islands and the Shetland Islands. Much of the Highland emigration was directly related to a breakdown in social and economic institutions. Under the pressures of the commercial and industrial revolutions of the 17th and 18th centuries, Highland chieftains abandoned their patriarchal role in favor of becoming capitalist landlords. By raising farm rents to the breaking point, the chiefs left the social fabric of the Scottish Highlands in tatters. Accordingly, voluntary emigration by Gaelic-speaking Highlanders began in the 1730s. The social breakdown was intensified by the failure of the Jacobite cause in 1745, followed by the British military occupation and repression in the Highlands in the aftermath of the Battle of Culloden. In 1746, the British government dispatched about 1,000 Highland Jacobite prisoners of war to the colonies as indentured servants. Later, during the Seven Years CO War of 1756 Co1763, Highland regiments recruited in the service of the British crown chose to settle in Canada and America rather than return to Scotland. Once in North America, the Highlanders tended to be clannish and moved in extended family groups, unlike immigrants from the Lowlands who moved as individuals or in groups of a few families. The Gaelic-speaking Highlanders tended to settle on the North American frontier, whereas the Lowlanders merged with the English on the coast. Highlanders seem to have established C beachheads, C? and their kin subsequently followed. The best example of this pattern is in North Carolina where they first arrived in 1739 and moved to the Piedmont, to be followed by others for more than a century. Another factor that distinguishes research in Highland genealogy is the availability of pertinent records. Scottish genealogical research is generally based on the parish registers of the Church of Scotland, which provide information on baptisms and marriages. In the Scottish Lowlands, such records can date back to the mid-16th century, but Highland records generally start much later. Americans seeking their Highland roots face the problem that there are few, if any, church records available that pre-date the American Revolution. In the absence of Church of Scotland records, the researcher must turn to a miscellany of other records, such as court records, estate papers, sasines, gravestone inscriptions, burgess rolls, port books, services of heirs, wills and testaments, and especially rent rolls. (Some rent rolls even pre-date parish registers.) This series, therefore, is designed to identify the kinds of records that are available in the absence of parish registers and to supplement the church registers when they are available. The Northern Isles were once isolated on the northwest fringes of Europe; however, as trans-Atlantic trade expanded, they found themselves astride a major sea route between North America and northern Europe. Stromness in the Orkneys became the first or last port of call for many vessels crossing the Atlantic; for example, the vessels of the Hudson Bay Company from the late 17th-century traveled from Stromness to North America. For most Orkney emigrants, the motivating factors were poverty and lack of opportunity. Also noteworthy is that, unlike the other Highlanders, the Northern Islanders were of Scandinavian, not Celtic, origin (with an element of Lowland Scots). While this volume is not a comprehensive directory of all the Orkney and Shetland Islander emigrants during"

The Eve of Destruction Jan 25 2020 At the beginning of 1965, the U.S. seemed on the cusp of a golden age. Although Americans had been shocked by the assassination in 1963 of President Kennedy, they exuded a sense of consensus and optimism that showed no signs of abating. Indeed, political liberalism and interracial civil rights activism made it appear as if 1965 would find America more progressive and unified than it had ever been before. In January 1965, President Lyndon Johnson proclaimed that the country had "no irreconcilable conflicts." Johnson, who was an extraordinarily skillful manager of Congress, succeeded in securing an avalanche of Great Society legislation in 1965, including Medicare, immigration reform, and a powerful Voting Rights Act. But as esteemed historian James T. Patterson reveals in *The Eve of Destruction*, that sense of harmony dissipated over the course of the year. As Patterson shows, 1965 marked the birth of the tumultuous era we now know as "The Sixties," when American society and culture underwent a major transformation. Turmoil erupted in the American South early in the year, when police attacked civil rights demonstrators in Selma, Alabama. Many black leaders, outraged, began to lose faith in nonviolent and interracial strategies of protest. Meanwhile, the U.S. rushed into a deadly war in Vietnam, inciting rebelliousness at home. On August 11th, five days after Johnson signed the Voting Rights Act, racial violence exploded in the Watts area of Los Angeles. The six days of looting and arson that followed shocked many Americans and cooled their enthusiasm for the president's remaining initiatives. As the national mood darkened, the country became deeply divided. By the end of 1965, a conservative resurgence was beginning to redefine the political scene even as developments in popular music were enlivening the Left. In *The Eve of Destruction*, Patterson traces the events of this transformative year, showing how they dramatically reshaped the nation and reset the course of American life.

The Book of Genesis Illustrated By R Crumb May 09 2021 Nominated for three 2010 Will Eisner Comic Industry Awards: From Creation to the death of Joseph, here are all 50 chapters of the Book of Genesis, revealingly illustrated as never before. Envisioning the first book of the bible like no one before him, R. Crumb, the legendary illustrator, reveals here the story of Genesis in a profoundly honest and deeply moving way. Originally thinking that we would do a take off of Adam and Eve, Crumb became so fascinated by the Bible's language, "a text so great and so strange that it lends itself readily to graphic depictions," that he decided instead to do a literal interpretation using the text word for word in a version primarily assembled from the translations of Robert Alter and the King James bible. Now, readers of every persuasion—Crumb fans, comic book lovers, and believers—can gain astonishing new insights from these harrowing, tragic, and even juicy stories. Crumb's Book of Genesis reintroduces us to the bountiful tree lined garden of Adam and Eve, the massive ark of Noah with beasts of every kind, the cities of Sodom and Gomorrah destroyed by brimstone and fire that rained from the heavens, and the Egypt of the Pharaoh, where Joseph's embalmed body is carried in a coffin, in a scene as elegiac as any in Genesis. Using clues from the text and peeling away the theological and scholarly interpretation that have often obscured the Bible's most dramatic stories, Crumb fleshes out a parade of Biblical originals: from the serpent in Eden, the humanoid reptile appearing like an alien out of a science fiction movie, to Jacob, a "kind've depressed guy who doesn't strike you as physically courageous," and his bother, Esau, "a rough and kick ass guy," to Abraham's wife Sarah, more fetching than most woman at 90, to God himself, "a standard Charlton Heston-like figure with long white hair and a flowing beard." As Crumb writes in his introduction, "the stories of these people, the Hebrews, were something more than just stories. They were the foundation, the source, in writing of religious and political power, handed down by God himself." Crumb's Book of Genesis, the culmination of 5 years of painstaking work, is a tapestry of masterly detail and storytelling which celebrates the astonishing diversity of the one of our greatest artistic geniuses. Nominated for three 2010 Will Eisner Comic Industry Awards: Best Adaptation from Another Work, Best Graphic Album, Best Writer/Artist.

[O Brave New Eve: Genetic Fantasy](#) Feb 18 2022 This novel ironically explores the demise of maternal instinct through DNA-inspired altered human reproduction. Human birthing is spliced from the uterus and the maternal mind.

Future Mother provides the egg and evolving biomedical engineering does the rest. A dramatic benefit of the process will be a permanent amnesia of the birth itself. No more nine-month discomfort, unsightly bulges, water retention, messy labor, or later responsibility because there is no memory of having given birth. Doctor Victor's altered Eve can eat all the apples she wants. "Doctor Munch was much beloved. This she craved because she was a 'born orphan,' which was her quirky way of saying that her parentage was unknown. She had never forgotten being deprived of parental bonding and she had compensated by seeking love by giving it, openly and professionally. This was her work ethic and she gave herself to it, utterly."

Adam and Eve in the Protestant Reformation Aug 12 2021 Explores the importance of stories about Adam and Eve in sixteenth-century German Lutheran areas.

Walker Jan 17 2022 Who is hunting the gallowglass? When Karina and Robert relocated from Scotland to New York, they expected things to settle down. New York is known for many things, but a hotbed of supernatural occurrences isn't one of them. Karina returned to her life as a graduate student, and agreed to teach a class over winter break. That was when things got weird: first she and Robert encountered an angry centaur, then a fairy enrolled in her class, and Karina learned that her mentor just might be a deity. When the Seelie King started making unannounced visits to Karina's apartment in the middle of the night and warning her and Robert to be careful, she knew things were serious. All of these events led to a single question: Who doesn't want the gallowglass on American soil? Meanwhile, Chris has problems of his own. The university grudgingly restored his teaching position, his agent and publisher are hounding him for a sequel to his worldwide bestseller... and he wonders if he can teach again. Write again. Hell, he can barely even speak to a woman after what happened between him and the Seelie Queen. Then a woman—a fairy woman—comes into Chris's life, and damn it all if he doesn't want her to stay there. The god plays their hand, and the Seelie King calls Robert to his side. Alone and more frightened than she's ever been, Karina tries to solve the mystery of who is hunting the gallowglass. Will Karina find the answer in time, or will Robert be lost forever?

The Five Books of Moses: A Translation with Commentary Jul 11 2021 "A modern classic....Thrilling and constantly illuminating."—Michael Dirda, Washington Post Book World Through a distinguished career of critical scholarship and translation, Robert Alter has equipped us to read the Hebrew Bible as a powerful, cohesive work of literature. In this landmark work, Alter's masterly translation and probing commentary combine to give contemporary readers the definitive edition of The Five Books. Winner of the PEN Center USA Literary Award for Translation and the Koret Jewish Book Award for Translation, a Newsweek Top 15 Book, Los Angeles Times Favorite Book, and San Francisco Chronicle Best Book.

New Year's Eve in Lan-fang May 21 2022

It's Christmas Eve and It's Midnight Apr 08 2021

And Man Created Eve Jun 22 2022 The time is the future. Robots are doing the work previously performed by humans. The replacement of workers by robots is both predictable and inevitable. The owner of the largest robotics company in the world decides to create the perfect woman. He hires the best engineer to construct her body, and the best programmer to construct her brain. He buys an island and changes its name to Eden Island. He names the plan Project Eve, and she is planned to be the prototype for a new race of women to replace flawed womanhood. He does not foresee the consequences of his plan, such is his obsession. He does create the perfect woman in body and mind, but when she acquires human characteristics his plan starts to unravel. Project Eve ends in disaster.

Christmas Eve from a Park Bench Jul 31 2020 On Christmas Eve one man will find out that he still has something left to give-even after losing everything. Christmas Eve is a book of hope by new author Robert Bentz that tells the story of a homeless man whose life differs greatly from those among whom he lives. But his life will intersect with the lives of the wealthy on this Christmas Eve, as he takes a journey and discovers that anyone can change. A homeless man and those he lives among lead very different lives, but their lives will intersect on this Christmas Eve. Join this man as he takes a journey to discover that anyone can change and do great things, especially when they turn to God. This heart-warming tale will remind us all of the true meaning of Christmas, as well as teach us that the greatest gifts are those we give of ourselves. View all these interactions between the members of this city as a homeless man views another Christmas Eve from a park bench. Author Robert Bentz has been teaching science as well as coaching track since he graduated from Bowling Green State University. Although this will be his first book, he has enjoyed writing poetry since his days in high school in Tiffin, Ohio. He continues to write out of his home in Marysville, Ohio, where he currently lives with his wife, daughter, and twin sons.

The National Union Catalog, Pre-1956 Imprints Nov 03 2020

The Quest for Authentic Manhood (Member Book) Nov 15 2021 The first of the series, this study leads men along a journey toward real biblical masculinity while fostering deep spiritual, emotional, and personal growth.

The Mystery of Eve and Adam Oct 14 2021 What if the story of Eve and Adam was not meant to be a story about creation and the origin of life? What if Eve and Adam were not personifications of all women and men? What if the curse on the woman had nothing to do with the physical pain of giving birth? What if working by the sweat of the brow was a description of the slavery that existed under the monarchy? What if being cast out of the garden of Eden was a metaphor for the deportation of people from Judah to Babylon? The author of this book takes readers on a journey of inquiry leading to the conclusion that the story of Eve and Adam was authored by the theological school of Jeremiah in order to dissuade the Judean people never to reinstate the monarchy after their return from Babylon--a monarchy that previously was responsible for so much infant mortality, subjugation of women, and enslavement of its own people. At the heart of this journey is the discovery that Eve and Adam actually are metaphors for Israel and Judah--two nations that chose to have a king like other nations and suffered the consequences.

A Literary Tour de France Dec 04 2020 The publishing industry in France in the years before the Revolution was a lively and sometimes rough-and-tumble affair, as publishers and printers scrambled to deal with (and if possible evade) shifting censorship laws and tax regulations, in order to cater to a reading public's appetite for books of all kinds, from the famous Encyclopédie, repository of reason and knowledge, to scandal-mongering libel and pornography. Historian and librarian Robert Darnton uses his exclusive access to a trove of documents-letters and documents from authors, publishers, printers, paper millers, type foundries, ink manufacturers, smugglers, wagon drivers, warehousemen, and accountants-involving a publishing house in the Swiss town of Neuchâtel to bring this world to life. Like other places on the periphery of France, Switzerland was a hotbed of piracy, carefully monitoring the demand for certain kinds of books and finding ways of fulfilling it. Focusing in particular on the diary of Jean-François Favarger, a traveling sales rep for a Swiss firm whose 1778 voyage, on horseback and on foot, around France to visit bookstores and renew accounts forms the spine of this story, Darnton reveals not only how the industry worked and which titles were in greatest demand, but the human scale of its operations. A Literary Tour de France is literally that. Darnton captures the hustle, picaresque comedy, and occasional risk of Favarger's travels in the service of books, and in the process offers an engaging, immersive, and unforgettable narrative of book culture at a critical moment in France's history.

History of Orange County, New York Sep 01 2020

Eve Arden Mar 19 2022 The remarkable career of American actress Eve Arden (1908–1990) is thoroughly chronicled from her earliest stage work in 1926 (under her given name Eunice Quedens) to her final television role in a 1987 episode of Falcon Crest. Included are detailed descriptions and critical commentaries of the actress's 62 feature film appearances between 1929 and 1982, notably her Oscar-nominated performance as Joan Crawford's sardonic confidante in 1945's *Mildred Pierce*. Complete coverage is provided of Eve Arden's work in the popular radio and television series *Our Miss Brooks*, and her later costarring stint with Kaye Ballard in the two-season TV sitcom *The Mothers-in-Law*. Also listed are her many other radio and television appearances, as well as her theatrical roles in such Broadway productions as *Ziegfeld Follies* of 1936 and *Let's Face It*.
