A Newbies Guide to IOS 7 Oct 02 2020 Are you the proud owner of a new iPhone 5s or 5c (or upgrading the operating system on the phone from iOS 6 to 7)? Congratulations! Apple's iPhone is an incredible piece of personal technology that brings your work, play, education and more into the palm of your hand. The latest version of iPhone comes in two flavors - the 5s and 5c. With a blazingly fast A7 processor, improved camera sensors, and a new fingerprint security feature, iPhone 5s improves upon the impressive hardware of the iPhone 5 model. The iPhone 5c retails at a lower price, without some of the hardware improvements of the 5s. The iPhone 5c comes in four fun new colors, blue, green, yellow and pink. Both the 5s and the 5c also ship with iOS 7, the newest version of Apple's iOS mobile operating system. iOS 7 is a powerhouse of an OS, with a completely new design, centralized settings and management features, a new and improved Siri, streamlined notifications, a brand new iTunes radio feature, multitasking, and the addition of Apple AirDrop. iPhones running iOS 7 are even more fun, useful, social and easy to use. If you're unsure of what any of this means for you, no worries! We've written this guide just for you. While iPhone 5s is an impressive feat of technology and engineering, we'll skip the technical jargon and help you learn how to get the most out of your new iPhone in plain English. If you're new to iPhone or to iOS, we promise there's nothing to fear. iPhone is incredibly intuitive - with a handful of

buttons and a few gestures, you'll gain access not only to a top-notch mobile phone, but also to a world of information, music, video, games, connectivity, productivity and more. And it gets better - we think you're even going to have fun learning all this stuff!

A Beginners Guide to iPhone 8 / 8 Plus May 21 2022 If you believe some news stories, the latest iPhone update (iOS 11) is radically different and you should beware of updating! They're wrong! This book is for both new users of iPhone and those upgrading to the latest update. I'll walk you through the changes and show you why updating is nothing to be afraid of. Why do you need this book? This book was written for my parents; people who needed to know as much as possible, as quickly as possible. There are people who want to know every single little detail about the iPhone, and you will find that in Apple's comprehensive manual. If you are like my parents though, new to the iPhone and just want to learn all the basics in about 30 to 60 minutes or an hour that is, then this guide will help you. People who just want to know how to add their contacts, how to take photos, and how to email. It's not for advanced users, though if you are upgrading from the previous Apple iOS (iOS 10) then you will most probably find it useful. If you are ready to learn read on!
