*The Alienist (TNT Tie-in Edition)* Nov 03 2019 NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • “A first-rate tale of crime and punishment that will keep readers guessing until the final pages.”—Entertainment Weekly “Caleb Carr’s rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us.”—The Detroit News When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or “alienist”—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society’s belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* “[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores.”—The Washington Post Book World “Mesmerizing.”—Detroit Free Press “The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller.”—The Buffalo News “Engrossing.”—Newsweek “Gripping, atmospheric . . . intelligent and entertaining.”—USA Today “A high-spirited, charged-up and unflinching smart

thriller.”—Los Angeles Times “Keeps readers turning pages well past their bedtime.”—San Francisco Chronicle

**Hold on to the Sun** May 10 2020 The Israeli author's poetry, essays, and stories on the haunting legacy of WWII "swirl mystically out of history and into dazzling floods of wonder" (Don DeLillo, author of *White Noise*). In this portrait of the artist as a young woman, one of Israel's most acclaimed contemporary writers weaves together a kaleidoscope of fiction, poetry, and essays. Populated by both fictional and real people, each tale is in some way a search for meaning in a post-Holocaust world. Reminiscent of W.G. Sebald, characters irrationally and humanely find reason for hope in a world that offers little. Essays describe Govrin's visits to Poland as a young adult, where her mother had survived a death camp, but had lost her husband and their child, Govrin's half-brother. Capturing the depths of denial and the exuberance of youth in a multiplicity of voices, this haunting collection "joins the few serious books that try through artistic means to face the unspeakable" (Aharon Appelfield, author of *Badenheim 1939*).

One day when Joanna is away, the previous owner visits Conrad to bequeath a vital piece of the house's historic heritage, a photo album that he claims "belongs to the house." Thumbing through the old, sepia-colored photographs of midwives and fearful, unhappily pregnant girls in their starched, nineteenth-century dresses, Conrad is suddenly chilled to the bone: staring back at him with a countenance of hatred and rage is the image of his own wife.... Thus begins a story of possession, sexual obsession, and, ultimately, murder, as a centuries-old crime is reenacted in the present, turning Conrad and Joanna's American dream into a relentless nightmare. An extraordinary marriage of supernatural

**Miner's Daughter** Jan 30 2022 Backbreaking work, threadbare clothes, and black coal dust choking the air -- this is what a miner's daughter knows. Willa Lowell fears that this dust marks her to be nothing else, that she will never win against the constant struggle to survive. Even the fierce flame of her family's love -- her one bright spot against the darkness -- has begun to dim. Willa yearns for a better life -- enough food to eat, clothes that fit, and a home free of black grit. She also yearns for a special love, the love of a boy who makes her laugh and shares the poetry she carries in her heart. When a much brighter future is suddenly promised to her family, Willa knows it is a miracle . . . until she discovers that every promise has a price. But she also discovers that the real change has burned inside her all along -- if only she is strong enough to mine it. Writing in a style that is as breathtaking and lyrical as it is powerful, Gretchen Moran Laskas draws from her family's past to bring to life the story of a girl struggling against seemingly insurmountable odds. *The Miner's Daughter* will touch readers' hearts and stay with them long after they've read the last word.
