Large print sudoku puzzles. Sudoku grids are large, very easy to read, and fill out. Sudoku helps kids train their brains" Sudoku promotes logical thinking, one of the challenges of raising kids is that they often don't get a lot of training in school in "how to think." Many schools "teach to the test" with a strong focus on academic material that is directly related to standardized testing, and it's not always possible for schools to spend a lot of time on developing logical thinking and reasoning skills. This is one reason why Sudoku for kids is so important - Sudoku can help teach kids to learn deductive reasoning skills, even at a young age. Sudoku Teaches Decision-Making, Sudoku is a game of logic and critical thinking and making quick decisions based upon available evidence. With Sudoku, kids learn the immediate connection between their actions and the result - if they analyze the problem correctly and use careful reasoning, they will get a good result. The Little Big Book of Brain Games for Smart Kids Jun 02 2022 During the time of the old West, a cowboy rides into town on Sunday. He stays for three days, and leaves on Sunday. How can this be? Want a hint? Think of a name. Still stumped? The book has the answer! Kidding. But really, it does. However I will give it to you: The man's horse was named Sunday! See, the good thing about these brain games is that they are timeless and will always keep sharpening your mind. The more you do them, the better you become at them. Yeah yeah, you've heard that before. "You should do things that help enhance your brain health and memory strength." If you are an adult, you can still benefit from these. But for kids... What if they started early? Even just one or two minutes of mind games can help prepare their minds for enhanced learning. If you (or the teacher) are creative enough, you can even design the teasers to reflect everyday situations that kids may experience, adding a little valuable lesson along the way. For kids, learning and growth happen at a very early age. Brain teasers provide kids with challenges that allow them to check out their environment, understand other people, and learn to work with peers. And what about laughter? It is also no secret that laughter can be the best medicine. I mean, don't you tend to connect best over laughter? Kids can often times tell the best jokes that have us laughing all together. Why? Because jokes, which equals laughter, connect us with everyone;

with friends, family members, even strangers! OK, that is all fine, but how does this relate to this book? In *The Little Big Book of Brain Games for Smart Kids*, you will discover: what exactly is a brain teaser? How brain teasers relate to cognitive function, and increase overall smartness!
