Whatever effect it had on you, or whatever charm it retains in your memory, is, perhaps, to be attributed to the favorable circumstances under which it was originally told." (The Ghost of Doctor Harris) American novelist and short story writer Nathaniel Hawthorne (1804-1864) published his first work, a novel titled Fanshawe, in 1828; he later tried to suppress it, feeling it was not equal to the standard of his later work. He published several short stories in various periodicals, which he collected in 1837 as Twice-Told Tales. Much of Hawthorne's writing centres on New England, many works featuring moral allegories with a Puritan inspiration. His fiction works are considered to be part of the Romantic movement and, more specifically, Dark romanticism. His themes often centre on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity. This edition includes: Biography of Nathaniel Hawthorne Collections of Short Stories: Twice-Told Tales (1837) Grandfather's Chair (1840) Biographical Stories Mosses from an Old Manse (1846) Wonder Book For Girls and Boys (1851) The Snow Image and Other Twice Told Tales (1852) Tanglewood Tales For Girls and Boys (1853) The Dolliver Romance and Other Pieces, Tales and Sketches (1864) The Story Teller Sketches in Magazines

15 Short Stories For Vietnamese Learners Oct 16 2021 This book, the first of a collection dedicated to short stories, was created to fill a void in the area of Vietnamese learning materials. Beyond the traditional textbooks to learn the basics of the language, there are few to none resources allowing learners to deepen their knowledge of Vietnamese. These 15 Short Stories For Vietnamese Learners are meant to provide you with entertaining stories, along with a unique system of literal translation to allow you to fully understand the construction of more elaborate sentences in Vietnamese. What is the aim of this collection of stories? 1) To provide a wide array of stories, with a double aim: make the reading pleasurable and to learn vocabulary used in different situations. 2) Gradual difficulty. This edition, intended for "beginners" only contains stories of less than 500 words, classified in increasing order. 3) Vietnamese being a monosyllabic language, it may be difficult for a learner to distinguish one word from another. To help the learner, we have 3) 2 types of translations: A. Literal English Translation, that allows you to easily recognize each individual word B. Proper English translation: that allows you to see how ideas in English are expressed in daily Vietnamese. 4) For each story, there is also an audio track available, also spoken out a bit slower than the usual conversational speed, so that you also have the possibility to improve your listening ability and your pronunciation. This book is the result of the collaboration between Phan Ngoc Thi and Ralf Krenning. Thi, who majored in English, has a deep understanding of his own language as well as extensive experience in teaching it to foreigners. Ralf, now a writer after a career in the pharmaceutical industry, has a passion for learning languages. Together, they identified the difficulties for foreigners to master Vietnamese and then proposed this unique solution, contained in this e book, to significantly ease the learning process of Vietnamese, while reading entertaining texts.

Short Stories From The Library of Wayne King Livingston Feb 26 2020 The stories you are about to read are from traveling and a culmination from eight years of my wife and I living among the people in lands of rich stories, not excluding Ireland. It has given me great joy to write of our adventures in a format that takes the best of times, stirred with some paths of fallen friends and then mixed into the tales within! These reminiscences will be treasured by my wife Pat and I - forever! No one character is represented in his or her entirety and no narrative can be said to be an actual event. These storied chapters herein, capture our lives as it might have happened. I have pasted the wonderful characters together from all the many vignettes we encompassed while dwelling amongst one of the most reflective societies today. Not reflective in some lofty sense, but as in a mirror of life that needs the rich loamy land and vibrant countryside to place one's heart into. Ireland, with not much doubt, is the last and most beautiful, virginal country left today. Thanks to flying, there are many corners and stories on this earth that I have seen and wrote about of great exotic beauty and depth, but the endowments of pastoral Ireland leave one breathless. It's soft and natural charm is the result of native Irishmen resisting the huge industrial revolution that has changed lives within the short span of our diminutive existences. The Emerald Isle is a refuge from the unbridled growth of material things. Time will undoubtedly take this last resort, but there are those of us who have advantaged ourselves with an affair of the heart - a sojourn with Ireland! The Author

[The Signal-Man Illustrated](#) Jan 07 2021 ""The Signal-Man"" is a horror/mystery story by Charles Dickens, first published as part of the *Mugby Junction* collection in the 1866 Christmas edition of *All the Year Round*. The railway signal-man of the title tells the narrator of an apparition that has been haunting him. Each spectral appearance precedes a tragic event on the railway on which the signalman works. The signalman's work is at a signal-box in a deep cutting near a tunnel entrance on a lonely stretch of the railway line, and he controls the movements of passing trains. When there is danger, his fellow signalmen alert him by telegraph and alarms. Three times, he receives phantom warnings of danger when his bell rings in a fashion that only he can hear. Each warning is followed by the appearance of the spectre, and then by a terrible accident. The first accident involves a terrible collision between two trains in the tunnel. Dickens may have based this incident on the Clayton Tunnel crash[1] that occurred in 1861, five years before he wrote the story. Readers in 1866 would have been familiar with this major disaster. The second warning involves the mysterious death of a young woman on a passing train. The final warning is a premonition of the signalman's own death"
