Art History, Art Criticism, and Art

Production: Case studies of seven selected sites Jul 29 2019 This study attempts to discover

(1) the factors that generate support for a strong, substantive art education program in a district's curriculum, and (2) what factors influence the willingness and ability of school districts and teachers to carry out and maintain a discipline-based art education that strives for balance among the historical, critical, and productive domains of the visual arts. It uses case studies of seven sites (Whitehall, Ohio; Hopkins, Minnesota; Palo Alto, California; Decatur and Champaign, Illinois; Brooklyn, New

York; Milwaukee, Wisconsin; and Virginia Beach, Virginia). As a group, the case studies illustrate the importance of support from school board members, superintendents, and principals, of a written curriculum, and of in-service training. They provide examples of school-museum collaboration, and dispel the notion that systematic instruction compromises or constrains individual creativity.

Made to Last (Where Love Begins Book #1)

Nov 05 2022 Miranda Woodruff has it all. At least, that's how it looks when she's starring in her homebuilding television show, From the Ground Up. So when her network begins to talk about making cuts, she'll do anything to boost ratings and save her show--even if it means pretending to be married to a man who's definitely not the fiance who ran out on her three years ago. When a handsome reporter starts shadowing Miranda's every move, all his digging into her personal life brings him a little too close to the truth--and to her. Can the girl whose entire identity is wrapped up in her on-screen persona finally find the nerve to set the

record straight? And if she does, will the life she's built come crashing down just as she's found a love to last? "Sweet, fun, and faith-filled, Melissa Tagg's Made To Last is a story made to delight lovers of romance and behind-the-scenes reality TV. the book ended. Melissa's fresh voice and ability to craft a well-written story hooked me with the opening line and held my attention to the very end. Her flawed characters, LOL moments and spiritual truth provided a foundation for a stellar debut novel. I even had to dab my teary eyes a couple of times. Melissa Tagg is an author to

watch and one whose books I want to fill my shelves."--Lisa Jordan, award-winning author of Lakeside Reunion and Lakeside Family
