Children's Literature Sep 10 2020 Ever since children have learned to read, there has been children's literature. Children's Literature charts the makings of the Western literary imagination from Aesop's fables to Mother Goose, from Alice's Adventures in Wonderland to Peter Pan, from Where the Wild Things Are to Harry Potter. The only single-volume work to capture the rich and diverse history of children's literature in its full panorama, this extraordinary book reveals why J. R. R. Tolkien, Dr. Seuss, Laura Ingalls Wilder, Beatrix Potter, and many others, despite their divergent styles and subject matter, have all resonated with generations of readers. Children's Literature is an exhilarating quest across centuries, continents, and genres to discover how, and why, we first fall in love with the written word. "Lerer has accomplished something magical. Unlike the many handbooks to children's literature that synopsize, evaluate, or otherwise guide adults in the selection of materials for children, this work presents a true critical history of the genre. . . . Scholarly, erudite, and all but exhaustive, it is also entertaining and accessible. Lerer takes his subject seriously without making it dull."—Library Journal (starred review) "Lerer's history reminds us of the wealth of literature written during the past 2,600 years. . . . With his vast and multidimensional knowledge of literature, he underscores the vital role it plays in forming a child's imagination. We are made, he suggests, by the books we read."—San Francisco Chronicle "There are dazzling chapters on John Locke and Empire, and nonsense, and Darwin, but Lerer's most interesting chapter focuses on girls' fiction. . . . A brilliant series of readings."—Diane Purkiss, Times Literary Supplement

A Lullaby to Awaken the Heart May 31 2022 A key Dzogchen text—available together with its Tibetan commentaries, including from the fifteenth Karmapa—from a preeminent translator. The Aspiration Prayer of Samantabhadra, one of the most famous and often-recited Dzogchen texts, is at once an entreaty by the primordial buddha, Samantabhadra, that all sentient beings recognize the nature of their minds and thus become buddhas, and also a wake-up call by our own buddha nature itself. This monumental text outlines the profound view of Dzogchen in a nutshell and, at the same time, provides clear instructions on how to discover the wisdom of a buddha in the very midst of afflictions. In this volume, Karl Brunnhölzl offers translations of three versions of the Aspiration Prayer and accompanies them with translations of the commentaries by Jigmé Lingpa, the Fifteenth Karmapa, and Tsültrim Sangpo. He offers further contextualization with his rich annotation and appendices, which include additional translation from Jigmé Lingpa, Longchenpa, and Patrul Rinpoche. This comprehensive, comprehensible book illuminates this profound text and greatly furthers our understanding of Dzogchen—and of our own nature.

Sinner's Creed Dec 02 2019 Sinner's Creed is the uncensored memoir of Scott Stapp, Grammy Award-winning leader of the multiplatinum rock band CREED. During CREED's decade of dominance and in the years following the band's breakup, Scott struggled with drugs and alcohol, which led not only to a divorce, but also to a much-publicized suicide attempt in 2006. Now clean, sober, and in the midst of a highly successful solo career, Scott has finally come full circle—a turnaround he credits to his renewed faith in God. In Sinner's Creed, Scott shares his story for the first time—from his fundamentalist upbringing, the rise and fall of CREED, and his ongoing battle with addiction, the rediscovery of his faith, and the launch of his solo career. The result is a gripping memoir that is proof positive that God is always present in our lives, despite the colossal mess we sometimes make of them.
