The Meditations of Marcus Auerlius Aug 10 2020 The timeless wisdom of an ancient Stoic can become a companion for your own spiritual journey. Stoicism is often portrayed as a cheerless, stiff - upper - lip philosophy of suffering and doom. Yet as experienced through the thoughtful and penetrating writings of Roman emperor Marcus Aurelius (121 - 180 CE), the Stoic approach to life is surprisingly rich, nuanced, clear - eyed and friendly. With facing - page commentary that explains the texts for you, Russell McNeil, PhD, guides you through key passages from Aurelius's Meditations, comprised of the emperor's collected personal journal entries, to uncover the startlingly modern relevance his words have today. From devotion to family and duty to country, to a near - prophetic view of the natural world that aligns with modern physics, Aurelius's words speak as potently today as they did two millennia ago. Now you can discover the tenderness, intelligence and honesty of Aurelius's writings with no previous background in philosophy or the classics. This SkyLight Illuminations edition offers insightful and engaging commentary that explains the historical background of Stoicism, as well as the ways this ancient philosophical system can offer psychological and spiritual insight into your contemporary life. You will be encouraged to explore and challenge Aurelius's ideas of what makes a fulfilling life - and in so doing you may discover new ways of perceiving happiness.

Empress of Flames Jul 01 2022 In this epic conclusion to The Girl King, two sisters war for a crown that was never meant to be theirs - though only one can wear it. As the late-Emperor's first-born, Princess Lu knows the throne rightfully belongs to her. She also can't forget her promise to shapeshifter Nok, the boy she loves, to win justice for his now powerless people. Yet even with an army at her side, Lu must face a major obstacle: the current Empress, her younger sister, Min. Princess Min used to live in Lu's shadow. Now she wields an ancient magic, one she's determined to use to forge her own path for the Empire, even if that means making enemies in court. But first, she must learn to control her power - before it consumes her . . . and the entire realm. Lu and Min are set for an epic confrontation, but the Empire faces a threat even greater than their rivalry. One that could cost them both the throne - and their lives. Praise for The Girl King: 'Everything I want in a high fantasy' Samantha Shannon, Sunday Times bestselling author 'Mimi Yu has that gift of magic' Marjorie Liu, New York Times bestselling author 'If you're down with dangerous magic, clans of shapeshifters, and worthy girls who somehow STILL need to prove their worth, then you will love this as much as I did' Kendare Blake, New York Times bestselling author

Medical Anthropology Oct 24 2021 Intended as the primary text for introductory courses on medical anthropology, this book integrates human biological data relevant to health and disease with both evolutionary theory and the social environments that more often than not produce major challenges to health and survival. Because students who take this fastest-growing anthropology course come from a variety of disciplines (anthropology, biology, especially pre-med students, and health sciences, especially), the text does not assume anything beyond a basic high-school level familiarity with human biology and anthropology. The authors first present basic biological information on a particular health condition and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives. Among the topics covered are nutrition, infectious disease, stress, reproductive health, behavioral disease, aging, race/racism and health, mental health, and healers and healing.

Sex Shamans Apr 17 2021 20 transformative stories and sexual healing practices from international pioneers in the sexual shamanism movement • Reveals intimate details about how each sex shaman overcame personal struggles with heartache, jealousy, mental illness, or social shame to realize their calling as a sacred sexual healer • Includes 20 in-depth embodiment exercises such as soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling • Includes contributions from 20 diverse voices in the sexual shamanism community, all part of the mystery school ISTA: International School of Temple Arts Drawing on traditional and modern practices, a sex shaman uses the power of erotic energy as a healing medicine. They channel divine love and embrace sexuality freely, practicing polyamory, sexual healing, and even sex magic. They teach tantra, trance dance, kundalini yoga, and other techniques for healing shame, guilt, fear, and sexual trauma. Designed to guide the reader on a journey into their own sacred sexual awakening, this book shares true stories from 20 visionary pioneers in the sexual shamanism movement, all of them

associated with the International School of Temple Arts (ISTA), a mystery school that works to illuminate the path of sexual shamanism and heal the split between sex and spirit, release the shame surrounding sexual awakening, and inspire more sexual liberation around the world. The teachers reveal intimate details of their life stories and sexual awakening journeys, showing how, by surrendering to the wisdom of the erotic current of the universe, transformation occurs. Each story is accompanied by an in-depth embodiment exercise with step-by-step instructions, including soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling. Underlying these exercises is the belief that the body is a temple that opens with pleasurable worship so spirit may dwell more fully within. The 20 contributors include Baba Dez Nichols, Bruce Lyon, Crystal Dawn Morris, Dawn Cherie, Deborah Taj Anapol, Ellie Wilde, Janine Ma-Ree, KamalaDevi McClure, Komala Lyra, Laurie Handlers, Lin Holmquist, Matooka Moonbear, Mia Mor, Ohad Pele Ezrahi, Patrik Olterman, Raffaello Manacorda, Ria Bloom, Sean O'Faolain, Stephanie Phillips, and Stephen SouLove.

The Judas Mandala Jun 07 2020 Early in the 21st century, after the Great Recession, poet and young mother Maggie Roche is harassed by a lovely woman, Sriyanie, and a famous neuroscientist, David Elfield. She doesn't know it yet, but she is about to become history's first time traveler. When agents from the far future attempt to kill her, in baffled fury she slingshots herself into the 7th millennium. Instantly she's on the run from the Ull Lords and their virtual reality devotees. These superbeings are cyborged humans constructed to live forever, with the ambition to rule the universe. Maggie is having none of this. Encountering an earlier version of Sriyanie, her fated future role in the formation of the multiverse falls upon her shoulder like a thunderous lightningbolt. A Being at the end of time she calls the Something wages endless war with its foes, the Ull Lords. Torn from her beloved child and her own time, Maggie must choose whether to accept this alienating path into an alternative cosmic history fit for a poet and a free woman.

Fire in Montana Oct 12 2020 In the summer of 1949 fifteen smokejumpers parachuted into a remote Montana canyon called Mann Gulch. It started as a very small fire in rugged country but within two hours after landing, thirteen of these young men were caught in a raging inferno and were killed. They died bravely, together with their friends, and in the service of their country. Everyone was young and attractive, healthy and strong, enthusiastic and in love. They were bursting into the prime of their lives. There were no malcontents here. Everyone did their best but events overtook them. Until now the actual time line has never been connected to the people involved. Fire in Montana connects the lives of young smokejumpers who lived with a joy of life and expectations of shining futures, the forest rangers and volunteers who fought valiantly to rescue them, and their families, lovers, and friends who were forced to wait and pray, then face the devastating and heart wrenching loss.

Nash Editions May 31 2022 "This is the magnum opus on digital printing and the book to read before color calibrating your monitor or wondering about differences in pigmented and dye-based inks. With little in the way of “how-to,” the book focuses more on why and showcases eloquent photographs, including a heartbreakingly beautiful portrait of Marilyn Monroe, a naked World War II bomber tail gunner, and the inevitable “Emperor’s New Clothes” work. Equally heartbreaking for far different reasons is Henry Wilhelm’s essay “A History of Permanence” that includes a section called “The Totally Lost Kodacolor Era” that will leave you stunned by the corporate callousness that’s described. This book not only deserves to be on the bookshelf of anybody who cares about photography, it deserves to be read." -- Joe Farace, Shutterbug Most of us know him as one member of the band Crosby, Stills, Nash and Young, but what you may not know is that at the same time Graham Nash was rocking the world, he was also pursuing a parallel career in photography and digital imaging. Nash Editions—the world’s premier fine-art digital printmaking studio, which Graham co-founded with R. Mac Holbert—represents the pinnacle of those efforts. This book uses thought-provoking essays and glorious artwork to sum up not only Nash Editions’ achievements but also the state of fine-art digital printmaking. After a brief history of printmaking, you’ll reach the heart of the book: an essay by Holbert on the genesis of Nash Editions and fine-art digital printing (which details the studio’s interactions with major artists like David Hockney); an essay by MoMA consultant Henry Wilhelm (which includes a technical comparison of traditionally and digitally prepared prints); and commentary from Nash Editions artists. The book’s more than 100 illustrations include Nash Editions artwork, photos of artists in the studio, images of the machines used in digital printing, and illustrations of the proofing process.
