Essential Novelists - Honore de Balzac Feb 28 2022 Welcome to the Essential Novelists book series, were we present to you the best works of remarkable authors. For this book, the literary critic August Nemo has chosen the two most important and meaningful novels of Honore de Balzac which are Father Goriot and A Woman of Thirty. Honore de Balzac was a French realism novelist, playwright, essayist and critic. His serial novel, La Comédie humaine, is among his most extensive works. Novels selected for this book: - Father Goriot - A Woman of Thirty This is one of many books in the series Essential Novelists. If you liked this book, look for the other titles in the series, we are sure you will like some of the authors.

Father Goriot by Honore de Balzac Apr 20 2021 Old Goriot or Father Goriot is an 1835 novel by French novelist and playwright Honore de Balzac (1799-1850), included in the Scenes de la vie Parisienne section of his novel sequence La Comedie humaine. Set in Paris in 1819, it follows the intertwined lives of three characters: the elderly dotting Goriot; a mysterious criminal-in-hiding named Vautrin; and a naive law student named Eugene de Rastignac. Originally published in serial form during the winter of 1834/35, Le Pere Goriot is widely considered Balzac's most important novel. It marks the first serious use by the author of characters who had appeared in other books, a technique that distinguishes Balzac's fiction. The novel is also noted as an example of his realist style, using minute details to create character and subtext. The novel takes place during the Bourbon Restoration, which brought profound changes to French society; the struggle by individuals to secure a higher social status is a major theme in the book. The city of Paris also impresses itself on the characters - especially young Rastignac, who grew up in the provinces of southern France. Balzac analyzes, through Goriot and others, the nature of family and marriage, providing a pessimistic view of these institutions. The novel was released to mixed reviews. Some critics praised the author for his complex characters and attention to detail; others condemned him for his many depictions of corruption and greed. A favorite of Balzac's, the book quickly won widespread popularity and has often been adapted for film and the stage. It gave rise to the French expression "Rastignac", a social climber willing to use any means to better his situation.

The Poor Relations - First Episode Mar 20 2021 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written- and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend-ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

The Poor Relations: Cousin Betty & Cousin Pons Jan 18 2021 "Cousin Betty" - Set in mid-19th-century Paris, it tells the story of an unmarried middle-aged woman who plots the destruction of her extended family. Bette works with Valérie Marneffe, an unhappily married young lady, to seduce and torment a series of men. One of these is Baron Hector Hulot, husband to Bette's cousin Adeline. He sacrifices his family's fortune and good name to please Valérie, who leaves him for a tradesman named Crevel. "Cousin Pons" - Sylvain Pons, a musician in a Parisian boulevard orchestra, has two failings: his passion for collecting works of art and his passion for good food. Being a gourmet, Pons much enjoys dining regularly with his wealthy lawyer cousins M. and Mme Camusot de Marville. To remain on good terms with the Camusots, he tries to find a man for their unappealing daughter Cécile, but when this falls through, he is banished. However, when Mme Camusot learns of the value of Pons's art collection she strives to obtain possession of it as the basis of a dowry for her daughter. In this new development of the plot a bitter struggle ensues between various vulture-like figures, all of whom are keen to lay their hands on the collection.

Cousin Pons Apr 01 2022 Mild, harmless and ugly to behold, the impoverished Pons is an ageing musician whose brief fame has fallen to nothing. Living a placid Parisian life as a bachelor in a shared apartment with his friend Schmucke, he maintains only two passions: a devotion to fine dining in the company of wealthy but disdainful relatives, and a dedication to the collection of antiques. When these relatives become aware of the true value of his art collection, however, their sneering contempt for the parasitic Pons rapidly falls away as they struggle to obtain a piece of the weakening man's inheritance. Taking its place in the Human Comedy as a companion to Cousin Bette, the darkly humorous Cousin Pons is among of the last and greatest of Balzac's novels concerning French urban society: a cynical, pessimistic but never despairing consideration of human nature.

The Works of Honore de Balzac Aug 25 2021

Honoré de Balzac Sep 01 2019 A book on the experience of reading Honoré de Balzac's La Comédie humaine which recounts the process of Peter Brooks's own discovery of Balzac. A personal account of coming to terms with Balzac: moving from more classical and restrained authors to the highly-coloured melodramatic novels of the Human Comedy, which give us the dynamics of a new and challenging world on the threshold of modernity. This volume shows readers how to read, and to love reading, Balzac, and how to engage with his vast work.

The Deserted Woman Aug 01 2019 When young Gaston moves to Bayeux, a small province in Normandy, he feels stranded. Though he would rather spend his time in the capital city, Gaston must stay in Bayeux until he recovers from his illness. He feels unsatisfied and bored, until he hears the rumor about a woman living as a recluse on the countryside. Victomtesse de Beauseant is a beautiful woman who had been abandoned by her husband many years ago. Devastated, and now stuck in a loveless marriage because she cannot get a divorce, she lives in isolation. Gaston is moved by her story and becomes fixated, desperate to meet her. When he finally gets the courage to visit her home, Victomtesse de Beauseant is flattered by his infatuation, and despite her being ten years his senior, Beauseant and Gaston become lovers. However, their private paradise is soon interrupted by Gaston's disapproving mother, who is pressuring him to marry a woman he does not love. As rumors grow and Gaston's mother becomes more persistent, Gaston and Victomtesse's love is tested and threatened like never before. The Deserted Woman exemplifies Honoré de Balzac's extraordinary literary ability that has influenced esteemed authors such as Henry James and Charles Dickens. With intricate prose and unparalleled compassion, Honoré de Balzac explores the too-common predicament of women trapped in unhappy relationships. The Deserted Woman tells the emotional tale of the pressure society put on women and men to enter marriages that prioritized social and financial compatibility over a real, mutual, love connection. Though it does not exist to such an extent in Western society, Balzac's The Deserted Woman invites readers to consider how this spirit of unhealthy marriages is still alive in modern relationships. Balzac dedicated much of his career to the pursuit of capturing all aspects of society with his realist lens, creating celebrated work that influences the perspective of society. This edition of The Deserted Woman by Honoré de Balzac features a striking new cover design and is reprinted in a modern, easy-to-read font, creating an approachable reading experience for a contemporary audience.

Cousin Bette Feb 16 2021 Cousin Bette (1846), long considered Balzac's last great novel, is a key work in his Comédie humaine. Grounded in a meticulous documentation of contemporary France, this tale is set in the prosperous Paris of Louis-Phillipe and details a jealous woman's campaign of persecution against her own family. This new translation has an introduction by David Bellos which sets this work in its social, historical, and literary context.

Collected Works of Honoré de Balzac, Illustrated Oct 15 2020 Owing to his keen observation of detail and unfiltered representation of society, Balzac is regarded as one of the founders of realism in European literature. Balzac sought to present his characters as real people, neither fully good nor fully evil, but completely human. His labyrinthine city provided a literary model used later by English novelist Charles Dickens and Russian author Fyodor Dostoevsky. The novel sequence La Comédie humaine, which presents a panorama of post-Napoleonic French life, is generally viewed as his magnum opus.. An original illustration.
