Veiled in Smoke (The Windy City Saga Book #1) Apr 29 2022 Meg and Sylvie Townsend manage the family bookshop and care for their father, Stephen, a veteran still suffering in mind and spirit from his time as a POW during the Civil War. But when the Great Fire sweeps through Chicago's business district, they lose much more than just their store. The sisters become separated from their father and make a harrowing escape from the flames with the help of Chicago Tribune reporter Nate Pierce. Once the smoke clears away, they reunite with Stephen, only to learn soon after that their family friend was murdered on the night of the fire. Even more shocking, Stephen is charged with the crime and committed to the Cook County Insane Asylum. Though homeless and suddenly unemployed, Meg must not only gather the pieces of her shattered life, but prove her father's innocence before the asylum truly drives him mad.

Smoke and Ashes Jul 29 2019 ** A THE SUNDAY TIMES BEST 100 BEST CRIME NOVELS SINCE 1945** 'Smoke and Ashes is Abir Mukherjee's best book yet; a brilliantly conceived murder mystery set amidst political and social turmoil - beautifully crafted' C.J. Sansom India, 1921. Captain Sam Wyndham is battling a serious addiction to opium that he must keep secret from his superiors in the Calcutta police force. But Wyndham finds himself in a tight spot when he stumbles across a corpse in an opium den. When he then comes across a second body bearing the same injuries, Wyndham is convinced that there's a deranged killer on the loose. However, revealing his presence in the opium den could cost him his career. As Wyndham and Sergeant 'Surrender-not' Banerjee set out to solve the two murders, Wyndham must tread carefully, keeping his personal demons secret, before someone else turns up dead... Berlin Aug 02 2022 Twenty years in the making, this sweeping masterpiece charts Berlin through the rise of Nazism. During the past two decades, Jason Lutes has quietly created one of the masterworks of the graphic novel golden age. Berlin is one of the high-water marks of the medium: rich in its well-researched historical detail, compassionate in its character studies, and as timely as ever in its depiction of a society slowly awakening to the stranglehold of fascism. Berlin is an intricate look at the fall of the Weimar Republic through the eyes of its citizens—Marthe Müller, a young woman escaping the memory of a brother killed in World War I, Kurt Severing, an idealistic journalist losing faith in the printed word as fascism and extremism take hold; the Brauns, a family torn apart by poverty and politics. Lutes weaves these characters' lives into the larger fabric of a city slowly ripping apart. The city itself is the central protagonist in this historical fiction. Lavish salons, crumbling sidewalks, dusty attics, and train stations: all these places come alive in Lutes' masterful hand. Weimar Berlin was the world's metropolis, where intellectualism, creativity, and sensuous liberal values thrived, and Lutes maps its tragic, inevitable decline. Devastatingly relevant and beautifully told, Berlin is one of the great epics of the comics medium.

Inventing Pollution May 07 2020 A far-reaching study, which looks at the origins of the very concept of pollution. Far from viewing cola smoke as pollution, most people of 19-century Britain viewed it as a valuable disinfectant. *Inventing Pollution* looks at the radically new understanding of pollution that emerged in the late part of the century and gave way to new ways of thinking about the environment.

Smoke and Stone Nov 24 2021 After a cataclysmic war of the gods, the last of humanity huddles in Bastion, a colossal ringed city. Beyond the outermost wall lies endless desert haunted by the souls of all the world's dead. Trapped in a rigid caste system, Nuru, a young street sorcerer, lives in the outer ring. She dreams of escape and freedom. When something contacts her from beyond the wall, she risks everything and leaps at the opportunity. Mother Death, a banished god seeking to reclaim her place in Bastion's patchwork pantheon, has found her way back into the city. Akachi, born to the wealth and splendour of Bastion's inner rings, is a priest of Cloud Serpent, Lord of the Hunt. A temple-trained sorcerer, he is tasked with bringing peace to the troublesome outer ring. Drawn into a dark and violent world of assassins, gangs, and street sorcerers, he battles the spreading influence of Mother Death in a desperate attempt to save Bastion. The gods are once again at war.

The Smoke is Rising Mar 17 2021 THE FUTURE IS HERE. India has just sent its first spacecraft to the moon, and the placid city of Mysore is gearing up for its own global recognition with the construction of HeritageLand—Asia's largest theme park. From behind the formidable gates of Mahalakshmi Gardens to the shanty houses on the edge of town, the people of Mysore are abuzz as they watch their city prepare for a complete transformation. As government officials make plans for the expected tourism extravaganza, Mysore's residents find themselves swept up in the ferment. Susheela, an elderly widow, is forced into a secretive new life. Uma, trying to escape her painful past, learns the lasting power of local gossip. And Mala must finally confront the reality of her husband's troubling behaviour. Savagely funny and deeply poignant, *The Smoke Is Rising* is a riveting portrait of a city hurtling towards an epic clash of modernity and tradition, and all the wandering souls—some hopeful, some broken, and a few somewhere in between—who find themselves caught in the middle.

Smoke Abatement and City Smoke Ordinances Apr 17 2021

The Weight of Smoke Nov 12 2020 A fictional account of the establishment of the colony of Jamestown in 1607, narrated by Captain John Smith, who recalls the trials of the colonists, disease, war with the Indians, famine, and fire.

A Mighty Mass of Brick and Smoke Aug 22 2021 Of all eras of London's history, the Victorian and Edwardian city continues to stimulate the literary, visual, and popular imaginations like no other. This collection explores the unique relationship between the literary, and more broadly, artistic imagination and experience of the Victorian and Edwardian city. It includes some major figures such as Wordsworth, Dickens, and James, but also other writers and artists who are all but forgotten. Bringing together some of the leading scholars working on representations of Victorian and Edwardian London, this collection will be of interest to scholars, researchers and students working

on literary London and more broadly the urban in the nineteenth- and early twentieth-centuries. *How Tobacco Smoke Causes Disease* Dec 14 2020 This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products.

Ship of Smoke and Steel Sep 22 2021 Ship of Smoke and Steel is the launch of Django Wexler's cinematic, action-packed epic fantasy Wells of Sorcery trilogy. In the lower wards of Kahnzoka, the great port city of the Blessed Empire, eighteen-year-old ward boss Isoka enforces the will of her criminal masters with the power of Melos, the Well of Combat. The money she collects goes to keep her little sister living in comfort, far from the bloody streets they grew up on. When Isoka's magic is discovered by the government, she's arrested and brought to the Emperor's spymaster, who sends her on an impossible mission: steal Soliton, a legendary ghost ship—a ship from which no one has ever returned. If she fails, her sister's life is forfeit. On board Soliton, nothing is as simple as it seems. Isoka tries to get close to the ship's mysterious captain, but to do it she must become part of the brutal crew and join their endless battles against twisted creatures. She doesn't expect to have to contend with feelings for a charismatic fighter who shares her combat magic, or for a fearless princess who wields an even darker power. “Truly epic, fierce, and exhilarating, Ship of Smoke and Steel will capture you and lock you away. With magical combat sequences fit for the big screen, the action is almost as breathtaking as the intrigue.” —Morgan Rhodes, New York Times bestselling author of the Falling Kingdoms series At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Smoke and Summons Aug 29 2019 A captivating world of monsters and magic from the Wall Street Journal bestselling author of The Paper Magician Series. As a human vessel for an ancient spirit, Sandis lives no ordinary life. At the command of her master, she can be transformed against her will into his weapon—a raging monster summoned to do his bidding. Unlike other vessels, Sandis can host extremely powerful spirits, but hosting such creatures can be fatal. To stay alive, she must run. And in a city fueled by smoke and corruption, she finds a surprising ally. A cunning thief for hire, Rone owns a rare device that grants him immortality for one minute every day—a unique advantage that will come in handy in Sandis's fight for freedom. But Sandis's master knows how powerful she is. He's determined to get her back, and he has the manpower to find her, wherever she runs. Now, to outwit her pursuers, Sandis must put all her trust in Rone and his immortal device. For her master has summoned more than mere men to hunt her down...

The Joy City Pool Smoke & Mirrors Jun 07 2020 Just two months after the search for her parents almost cost her everything she holds close, Kim is presented with another opportunity to find them. She struggles with the choice of taking the chance again fearing the possible consequences, adding more stress on top of her normal daily woes. This coupled with the sudden appearance of a mysterious assassin interfering with her work inside The Pool, Kim finds herself both unsettled and more curious than ever before. She must decide if she wants to pursue or let go of her new lead while also discovering who this mysterious assassin is and what threat their presence could pose to both her and The Pool.

Holy Smoke May 19 2021

Smoke Dec 26 2021 Imagine a world in which every bad thought you had was made visible. Where anger, hatred and envy appeared as a thick, infectious smoke pouring from your body, leaving soot on your skin. A society controlled by an elite who have learned to master their darkest desires. Thomas and Charlie are friends at a boarding school near Oxford, where the children of the rich and

powerful are trained to be future leaders. Charlie is naturally good, but Thomas's father was accused of a terrible crime, and Thomas fears that the same evil lies coiled inside him. Then, on a trip to London - a forbidden city shrouded in darkness - they learn all is not as it appears. So begins a quest to understand the truth about this world of smoke, soot and ash - and perhaps to change it.

'Mesmerising and imaginative ... a novel that tackles the most fundamental question of good versus evil' Hannah Beckerman, Observer 'Like an adult version of the Harry Potter books with a touch of Dickensian dystopia ...a sheer delight' Maxim Jakubowski, Lovereading 'A novel that stays in the imagination long after it is read' Adam Roberts, Guardian

The Big Smoke Jan 15 2021 Unlike in Europe, North America, Australia and elsewhere, urban history has never been sustained as a distinct field of scholarship in New Zealand. This is surprising, considering that since the early twentieth century most New Zealanders have lived in towns and cities - 86 per cent were urban in 2014. Yet we know surprisingly little about these urban dwellers and the spaces in which they lived. The pursuit of city life is one of the most important untold stories of New Zealand. *The Big Smoke* is the first comprehensive history to tell this story, presenting a dynamic and highly illustrated account of city life from 1840 to 1920. It explores such questions as: what did cities look like and how did they change; why were women especially drawn to live in cities; in what ways did Maori experience and shape cities; how far was the street a living room and stage for city life; and why did New Zealand so quickly become a nation of townspeople? At a time of national debate over housing and the growth of our cities, Ben Schrader's superb new history reveals how our urban origins have shaped the people we are today.

Daughter of Smoke & Bone Oct 24 2021 In a nation on the brink of war, a young student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth have grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers -- beautiful, haunted Akiva -- fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

Smoke and Mirrors Jun 19 2021 From the sixteenth to early-nineteenth century, four times more Africans than Europeans crossed the Atlantic Ocean to the Americas. While this forced migration stripped slaves of their liberty, it failed to destroy many of their cultural practices, which came with Africans to the New World. In *Working the Diaspora*, Frederick Knight examines work cultures on both sides of the Atlantic, from West and West Central Africa to British North America and the Caribbean. Knight demonstrates that the knowledge that Africans carried across the Atlantic shaped Anglo-American agricultural development and made particularly important contributions to cotton, indigo, tobacco, and staple food cultivation. The book also compellingly argues that the work experience of slaves shaped their views of the natural world. Broad in scope, clearly written, and at the center of current scholarly debates, *Working the Diaspora* challenges readers to alter their conceptual frameworks about Africans by looking at them as workers who, through the course of the Atlantic slave trade and plantation labor, shaped the development of the Americas in significant ways.

The Big Smoke Feb 25 2022 'Unlike in Europe, North America, Australia and elsewhere, urban history has never been sustained as a distinct field of scholarship in New Zealand. This is surprising, considering that since the early twentieth century most New Zealanders have lived in towns and cities - 86 per cent were urban in 2014. Yet we know surprisingly little about these urban dwellers and the spaces in which they lived.' The pursuit of city life is one of the most important untold

stories of New Zealand. The Big Smoke is the first comprehensive history to tell this story, presenting a dynamic and highly illustrated account of city life from 1840 to 1920. It explores such questions as: what did cities look like and how did they change; why were women especially drawn to live in cities; in what ways did Māori experience and shape cities; how far was the street a living room and stage for city life; and why did New Zealand so quickly become a nation of townspeople? Smoke Screen Oct 12 2020 When the mother of a missing two-year-old girl is seriously injured in a suspected terrorist attack in Oslo, crime-fighting duo Blix and Ramm join forces to investigate the case, and things aren't adding up ... The second instalment in an addictive, atmospheric, award-winning series. 'An exercise in literary tag-teaming from two of Norway's biggest crime writers with a bold new take ... a series with potential' Sunday Times 'Grim, gory and filled with plenty of dark twists ... There's definitely a Scandinavian chill in the air with this fascinating read' Sun 'Alongside Jo Nesbo's Knife, Smoke Screen is this summer's most anticipated read, and it doesn't disappoint' Tvedestrandsposten, Norway _____ Oslo, New Year's Eve. The annual firework celebration is rocked by an explosion, and the city is put on terrorist alert. Police officer Alexander Blix and blogger Emma Ramm are on the scene, and when a severely injured survivor is pulled from the icy harbour, she is identified as the mother of two-year-old Patricia Smeplass, who was kidnapped on her way home from kindergarten ten years earlier ... and never found. Blix and Ramm join forces to investigate the unsolved case, as public interest heightens, the terror threat is raised, and it becomes clear that Patricia's disappearance is not all that it seems... _____

Praise for the Blix & Ramm series: 'Everything about this crime novel sings, the relationship between Blix and Emma, which is complex, but also the relationship between Blix and Fosse and Kovic. The past bleeds into the present and the clever melding of the strands of the story and the slow reveal of details that propel the story is masterly. This tale often surprises or shifts in subtle ways that are pleasing and avoid cliché. As the opener for a new series this is a cracker, long live the marriage of Horst and Enger' New Books Magazine 'A fast-moving, punchy, serial killer investigative novel with a whammy of an ending. If this is the first in the Blix and Ramm series, then here's to many more!' LoveReading 'A clever, gripping crime novel with personality, flair, and heart' Crime by the Book 'A stunningly excellent collaboration from Thomas Enger and Jorn Lier Horst It's a brutal tale of fame, murder, and reality TV that gets the pulse racing' Russel McLean 'Now — what happens when you put two of the most distinguished writers of Nordic noir in tandem? Death Deserved by Thomas Enger and Jørn Lier Horst suggests it was a propitious publishing move; a ruthless killer is pursued by a tenacious celebrity blogger and a damaged detective' Financial Times

Smoke-Free Mar 29 2022 Award-winning journalist and author Barbara McLintock uses the example of BC's capital city, Victoria, as a case study to show how a region can not only pass legislation, but implement it and enforce it with such effectiveness that the compliance rate now exceeds 99 per cent. The story is a dramatic narrative in its own right, replete with details of harrowing public meetings, widespread early defiance of the law in drinking establishments, an often-hostile media climate and even death threats to those responsible for implementation and enforcement. But it also shows the benefits of enacting such a law, not just through improved air quality for patrons and workers but also how such a bylaw results in a reduced smoking rate in the population and growing popularity for the measure, even amongst smokers. This book is a must-read for every non-smokers' rights advocate, every public health official and every local or state legislator who's exploring the idea of enacting smoke-free legislation. But it also makes compelling reading for anyone interested in a true-life insider drama that offers a close-up view of a controversial public policy.

Bright Smoke, Cold Fire Apr 05 2020 Sabriel meets Romeo and Juliet in this stunning and atmospheric novel—the first in a duology—from the author of Cruel Beauty and Crimson Bound.

When the mysterious fog of the Ruining crept over the world, the living died and the dead rose. Only the walled city of Viyara was left untouched. The heirs of the city's most powerful—and warring—families, Mahyanai Romeo and Juliet Catresou, share a love deeper than duty, honor, even life itself. But the magic laid on the Juliet at birth compels her to punish the enemies of her clan—and Romeo has just killed her cousin Tybalt. Which means he must die. Paris Catresou has always wanted to serve his family by guarding the Juliet. But when his ward tries to escape her fate, magic goes terribly wrong—killing her and leaving Paris bound to Romeo. If he wants to discover the truth of what happened, Paris must delve deep into the city, ally with his worst enemy . . . and perhaps turn against his own clan. Mahyanai Runajo only wants to protect her city—but she's the only one who believes it's in peril. In her desperate hunt for information, she accidentally pulls Juliet from the mouth of death—and finds herself bound to the bitter, angry girl. Runajo quickly discovers Juliet might be the one person who can help her recover the secret to saving Viyara. Both pairs will find friendship where they least expect it. Both will find that Viyara holds more secrets and dangers than anyone ever expected. And outside the walls, death is waiting. . . .

The Big Smoke Sep 30 2019 First published in 1987, Peter Brimblecombe's book provides an engaging historical account of air pollution in London, offering a fascinating insight into the development of air pollution controls against a changing social and economic background. He examines domestic and industrial pollution and their effects on fashions, furnishings, buildings and human health. The book ends with an intriguing analysis of the dangers arising from contemporary pollutants and a glimpse of what the future may hold for London.

Fumifugium Mar 05 2020

We're for Smoke Sep 10 2020 "From Hell's Half Acre to Quality Grove, We're for Smoke tells the wild and woolly story of turn-of-the-century Fort Worth, a cow town on the cusp of becoming a modern industrial city. Told through a series of fictionalized characters drawn from actual newspaper accounts detailing their tangles with the law, ranging from high and low society, black and white, male and female, perpetrator and victim, We're for Smoke reveals a society scrabbling to emerge from the chaotic growing pains of the frontier West. The book reproduces actual turn-of-the-century newspaper accounts of gunfights, jailbreaks, attempted lynchings, and riots. Readers and fans of *The Son* by Philipp Meyer, *Boardwalk Empire* by Nelson Johnson, and Larry McMurtry's *Horseman Pass By* would enjoy *We're for Smoke*"--

The Smoke of London Oct 04 2022 William M. Cavert investigates the origins of urban air pollution, explaining how this problem arose during the early modern period.

I Am Smoke Jun 27 2019 "Wowww!"— Raina Telgemeier, #1 NY Times, #1 USA Today, #1 Publishers Weekly bestselling author/illustrator "Herz presents a provocative and unique look at the lifecycle and benefits of smoke throughout the millennia. Lopez's multimedia artwork further illuminates the ethereal nature of smoke as it drifts and dances across the page."- John Rocco, NY Times Bestselling author and Caldecott Honoree "A fascinating, refreshing, and beautifully atmospheric take on something often taken for granted. I'll never look at smoke the same way again!"- Matthew Cordell, Caldecott Medalist author/illustrator "I Am Smoke is an absolutely beautiful book, where smoke is both poetry and science. Readers will rest, float, and dance along with smoke's quiet power across time and traditions. I have lingered over its pages more than once, and I'm sure young readers will, too."- NY Times Bestselling author Doreen Cronin Smoke itself acts as narrator, telling us how it has served humankind since prehistoric times in signaling, beekeeping, curing and flavoring food, religious rites, fumigating insects, and myriad other ways. Smoke speaks

in mesmerizing riddles: "I lack a mouth, but I can speak.... I lack hands, but I can push out unwanted guests.... I'm gentler than a feather, but I can cause harm...". This rhythmically powerful narration is complemented by illustrations in which swirling smoke was captured on art paper held over smoky candle flames, and the dancing smoke textures were then deepened and elaborated with watercolors and Photoshop finishes. With this unique method, Merce López "let the smoke decide how the idea I had in mind would dance with it, giving freedom to the images." The resulting illustrations are astounding, and they resonate with the otherworldly text.

Eating Smoke Jul 09 2020 During the period of America's swiftest industrialization and urban growth, fire struck fear in the hearts of city dwellers as did no other calamity. Before the Civil War, sweeping blazes destroyed more than \$200 million in property in the nation's largest cities. Between 1871 and 1906, conflagrations left Chicago, Boston, Baltimore, and San Francisco in ruins. Into the twentieth century, this dynamic hazard intensified as cities grew taller and more populous, confounding those who battled it. Firefighters' death-defying feats captured the popular imagination but too often failed to provide more than symbolic protection. Hundreds of fire insurance companies went bankrupt because they could not adequately deal with the effects of even smaller blazes. Firefighters and fire insurers created a physical and cultural infrastructure whose legacy—in the form of heroic firefighters, insurance policies, building standards, and fire hydrants—lives on in the urban built environment. In *Eating Smoke*, Mark Tebeau shows how the changing practices of firefighters and fire insurers shaped the built landscape of American cities, the growth of municipal institutions, and the experience of urban life. Drawing on a wealth of fire department and insurance company archives, he contrasts the invention of a heroic culture of firefighters with the rational organizational strategies by fire underwriters. Recognizing the complexity of shifting urban environments and constantly experimenting with tools and tactics, firefighters fought fire ever more aggressively—"eating smoke" when they ventured deep into burning buildings or when they scaled ladders to perform harrowing rescues. In sharp contrast to the manly valor of firefighters, insurers argued that the risk was quantifiable, measurable, and predictable. Underwriters managed hazard with statistics, maps, and trade associations, and they eventually agitated for building codes and other reforms, which cities throughout the nation implemented in the twentieth century. Although they remained icons of heroism, firefighters' cultural and institutional authority slowly diminished. Americans had begun to imagine fire risk as an economic abstraction. By comparing the simple skills employed by firefighters—climbing ladders and manipulating hoses—with the mundane technologies—maps and accounting charts—of insurers, the author demonstrates that the daily routines of both groups were instrumental in making intense urban and industrial expansion a less precarious endeavor.

Thin Blue Smoke Aug 10 2020 LaVerne Williams is a reformed felon, ex-ballplayer, and owner of Kansas City's best barbecue joint. Ferguson Glen is an Episcopal priest and faded literary star, lover of God, women and liquor (but not necessarily in that order). Their lives intersect at LaVerne's diner - 'Smoke Meat', as the regulars call it. There they are joined by a cast of remarkable characters, including LaVerne's devoted right-hand man, A.B. Clayton; blues legend 'Mother' Mary Weaver; and Sammy Merzeti, a young man with a bloody past - and a bloodier future. *Thin Blue Smoke* is an epic redemption tale, the story of two men coming to terms with their pasts. It is also a novel about faith, race, storytelling, bourbon, the language of rabbits, and the finer points of barbecue technique. Heartrending and bitterly funny, it marks the arrival of a vital new voice in American fiction.

The Chimney of the World Feb 13 2021 In this innovative contribution to the field of environmental history, Stephen Mosley explores the devastating human and environmental costs of smoke pollution in the world's first industrial city.

The Smokeless City Jan 03 2020

Berlin Book Two Nov 05 2022 The second installment of the epic historical trilogy *The Second* volume of Jason Lutes's historical epic finds the people of Weimar Berlin searching for answers after the lethal May Day demonstration of 1929. Tension builds along with the dividing wall between communists and nationalists, Jews and Gentiles, as the dawn of the Second World War draws closer.

Meanwhile, the nightlife of Berlin heats up as many attempt to distract themselves from the political upheavals within the city. The American jazz band Cocoa Kids arrives and quickly becomes a fixture. The lives of the characters within Lutes's epic weave together to create a seamless portrait of this transitory city. Marthe Muller follows her lover Kurt Severing as he interviews participants in the May Day demonstration, but she moonlights in the city's lesbian nightlife. Severing acts as a window through which the political shifts within the city and its participants can be seen. As with Berlin

Heart of Smoke Dec 02 2019 The Princess Trials meets The Hunger Games in this new dystopian romance series by Young Adult author Megan O'Russell. One will betray her. One will save her. One will destroy her world. The Princess Trials meets The Hunger Games in this new paranormal dystopia. Do the work, steal the goods, keep her sister alive—a simple plan Lanni has been clinging to. With the city burning around her and vampires hiding in the shadows, making it until morning is the best she can hope for. But order in the city is crumbling, and the thin safety that's kept Lanni alive won't be enough to protect her family. The people who live in the glittering glass domes—lording over the city, safe from the dangers of the outside world—have grown tired of the factory filth marring their perfect apocalypse. When the new reign of chaos threatens her sister, Lanni faces a horrible choice—accept the fate she was born to, or join the enemy she's sworn to destroy. Praise for Heart of Smoke "A worthy successor to The Hunger Games!" - Amazon Reviewer "The pacing reminded me of early Brandon Sanderson novels. Highly recommend!" - Amazon Reviewer "Powerful, raw, and eye-opening." - Amazon Reviewer *** Heart of Smoke is a young adult, paranormal romance series that weaves vampires and werewolves into a dystopian society, creating a post-apocalyptic, end of the world adventure. Whether you're in the mood for love triangles, a friends to lovers twist, or just crave young adult fiction books that feature girls in STEM, Heart of Smoke is an apocalyptic sci-fi YA fans will love. With runaways, orphans, and science fiction feats of genetic engineering that will change your view of the apocalypse, this is a series you'll be dying to binge! This complete series of vampire novels is also available in paperback. *** Heart of Smoke is perfect for fans of Suzanne Collins, Veronica Roth, Victoria Aveyard, Stephenie Meyer, Heidi Catherine, K. A. Riley, Kyla Stone, Kortney Keisel, and Marissa Meyer.

Smoke City Sep 03 2022 2019 IPPY Award Silver Medalist 2019 IBPA Ben Franklin Award Silver Medalist Powell's Books Best Fiction of 2018 "Rosson is a talent to be watched." - Jason Heller, NPR Marvin Deitz has some serious problems. His mob-connected landlord is strong-arming him out of his storefront. His therapist has concerns about his stability. He's compelled to volunteer at the local Children's Hospital even though it breaks his heart every week. Oh, and he's also the guilt-ridden reincarnation of Geoffroy Thérage, the French executioner who lit Joan of Arc's pyre in 1431. He's just seen a woman on a Los Angeles talk show claiming to be Joan, and absolution seems closer than it's ever been . . . but how will he find her? When Marvin heads to Los Angeles to locate the woman

who may or may not be Joan, he's picked up hitchhiking by Mike Vale, a self-destructive alcoholic painter traveling to his ex-wife's funeral. As they move through a California landscape populated with "smokes" (ghostly apparitions that've inexplicably begun appearing throughout the southwestern US), each seeks absolution in his own way. In *Smoke City*, Keith Rosson continues to blur genre and literary fiction in a way that is in turns surprising, heartfelt, brutal, relentlessly inventive, and entirely his own.

Smoke and Mirrors Oct 31 2019 Car photography often evokes the same recycled tropes. Predictably slick, hi-spec images on the front pages of glossy magazines, or huge blow-ups on giant billboards which have one designed aim: to sell a lifestyle. But our relationship to cars is so much more meaningful than these images might suggest. Like the camera, the car has changed the way we explore the world. With cars came road trips, and with road trips came some of the most important photographic documentaries of our time. A car is a vehicle not just for transport but for our hopes, desires, and even values. In *Really Good Car Photography*, a selection of world-renowned and up-and-coming photographers come together to pay tribute to the car from the 60s to the present day. From images of lonely car parks and cars 'sleeping' at night under tarpaulins, moody shots from New York City in the 70s to witty close-ups of badly-repaired cars and painterly landscapes shot through wet windscreens, these photographs display cars at their most playful, introspective and meaningful, reminding us that there is more to them than just metal and machinery - for cars are emotionally intertwined with the lives we live. Moving away from the one-dimensional imagery that has become synonymous with car photography and offering a selection of penetrating, unusual and poignant pictures in return, *Really Good Car Photography* is an utterly iconoclastic look at cars that reinvents what is possible for the genre.
