About the Author Charley Dickson is a former Oregonian who now lives full-time in a 38' Class A motorhome in various places around the country. In his 30+ years of RVing, he and his wife have traveled in a pop-up trailer, a 30' travel trailer, a 29' Class C motorhome, a 40' 5th wheel trailer, and two Class A motorhomes. He's been to most of the country, but there are still many places he and his wife will be seeing. He's a firm believer in being more of a do-it-yourselfer rather than having someone else do a repair or modification. As such, he's a staunch supporter of doing the homework to find out as many aspects of a certain subject as possible. As such, this book is written for other folks who want to know more about RVing. *HowExpert* publishes how to guides by everyday experts.

**The Mirror Book** Jul 09 2020 *The Mirror* dinghy was a significant factor in the boom of dinghy sailing in the 1960s, introducing thousands to the delights of sailing. While sailing has come a long way since then and there have been a lot of far more exotic craft launched, the *Mirror* remains a

fantastic boat in which to learn to sail and to compete at the highest levels. With this second edition, The Mirror Book has been bought into the Start to Finish series format alongside such revered books as The Laser Book, The Topper Book, The Catamaran Book and The Foiling Dinghy Book. Like these titles, this book tells you everything you need to know about sailing the boat (whether it be the original gaff-rigged boat or has the newer Bermuda rig). Written for those starting out through to those striving to win a championship, the book is packed with practical advice and illustrated with step-by-step photographs. It covers: setting up the Mirror and early sailing experiences; developing skills on all points of sailing and with the spinnaker; racing & masterclasses to become a championship winner. Over 180 photographs show you exactly how it's done, and 72 diagrams illustrate key boat parts, the different points of sailing and complex on-the-water scenarios with clarity. It is written by Peter Aitken, formerly the UK National Mirror Coach, who has coached teams to win world championships in the Mirror, Cadet and 420 classes, and Tim Davison, a successful racer and author of countless books on sailing. The UK Mirror Class Association have contributed to this update and it is endorsed by Dave Wade, double Mirror National Champion, who says: "Armed with this book, your understanding of Mirror sailing techniques will grow, and your results will improve. I thoroughly recommend it."

[The Voyager's Handbook : The Essential Guide to Blue Water Cruising](#) Jun 19 2021 "Belongs in the bookshelf of every cruising vessel."—Blue Water Sailing "If you are serious about that extended voyage, read The Voyager's Handbook."—Sailing "Every now and then a new voice emerges in the world of sailing literature that stands out, a voice that is both clear and of lasting quality. The appearance of such a new voice is something of an event, and that's what we'd call the publication of The Voyager's Handbook."—Blue Water Sailing This inspirational and comprehensive manual leads you step by step through every aspect of choosing, planning, and following the voyager's life. Using three example boats representing three cruising lifestyles—Simplicity, Moderation, and Highlife—Beth Leonard helps make your bluewater dreams come true, whether you're sailing on a shoestring or a CEO's pension. Starting with the things you can't do without—an enthusiastic crew, a seaworthy boat, and, of course, money—Leonard offers sage advice on how to select crewmembers who are truly committed to the voyage, how to choose the right boat for you, and how to find just the right approach to financing your voyage and making the most of every dollar spent. Managing life from a floating home and keeping that home livable, seaworthy, and safe requires you to become, among other things, the ship's purser, engineer, doctor, cook, and cruise director. You'll discover how to prepare for these new roles and put necessary equipment and arrangements in place before you untie your docklines. This exquisitely detailed guide also helps you master the skills you'll need to handle a boat at sea with a small crew, including Weather forecasting Passage planning Watchkeeping Heavy-weather sailing Emergency management Midocean repairs Complete with dozens of easy-to-use graphs and tables for quick reference, along with the hard-won wisdom of experienced cruisers, The Voyager's Handbook is the ultimate resource for anyone who is planning, preparing for, or just dreaming about a great adventure on the high seas.

**The Dinghy Cruising Companion** May 19 2021 'You will venture into the fringes of the wilderness with the minimum of simple gear, to live with it on its own terms. You will know that one of the sure ways to contentment in this life is a small boat, a fair wind, and a new coast to explore.' Dinghy cruising is a wonderful way to experience nature and new coastlines at close quarters and low cost. Sailing where larger boats cannot reach, and sleeping under canvas onboard or ashore, this is boating taken right back to the basics, and all the better for that. This guide, for all aspiring or already-enthusiastic dinghy cruisers, shows how to get started and how to expand your horizons. The information and advice is interwoven with wonderfully evocative stories of the author's adventures afloat, from idyllic weeks pottering around secluded rivers and coastlines to hair-raising voyages to remote islands. The text covers: Finding a good boat Fitting out for daysailing Boatcraft under engine and oar Mooring and anchoring Preparing for open water Out at sea Coastal navigation Dinghy homemaking Keeping comfortable and safe Illustrated throughout with inspirational colour photos and helpful illustrations, this book shows just why small boats are the perfect passport to remote and beautiful places.

**RYA Yachtmaster Handbook (G-G70)** Oct 31 2019 The RYA Yachtmaster examination is the gold-standard qualification for sail and power boaters the world over. This eBook is the RYA's official and definitive guide to the exam. It offers a unique insight into what you need to know, how the exam will be conducted, and the skills required. Whether you are going to take the exam, or are thinking of it and want to find out what you will face on the day, this is the book that you must have. Author James Stevens is the creator of the current RYA Yachtmaster scheme for sail and power boats. Formerly the RYA's Training Manager, he has over 30 years' experience examining, and there is nobody better to help you succeed.

**Going Ashore Made Easy** Jan 03 2020 Any boater will tell you that sometimes getting ashore on a dinghy can be an adventure. Reading this book will help you stay safe and have fun as you use your dinghy to connect with land and other vessels. Going Ashore Made Easy is also appropriate for anyone entering the market for a new dinghy and outboard as a standalone vessel for recreation or transportation, or as a tender to a larger boat. It is the most comprehensive and up-to-date book on the topic; in fact, it may be the only book to help a prospective buyer negotiate the variety of choices available. This book will help novice and seasoned dinghy operators to safely rig, operate, transport and maintain their investment, and to employ the craft for a wide variety of useful and purely fun activities – perhaps more than you ever imagined. Given the breadth of information on outboard motors, this book is valuable to any mariner who uses an outboard motor to propel their sailboat or powerboat.
