The Queens English Aug 18 2021 What is good English, and why do we need it? The Queen's English shows how the English language, used properly, has great power to instruct, move and entertain people, but used incorrectly, can lead to a lack of clarity and confusion. This book informs in a light-hearted way, reminding readers how to use the basics of grammar, punctuation and spelling, as well as further teaching them new tips and tricks of style, rhetoric, vocabulary and the use of foreign phrases, to give their writing and speech a stylish and impressive flair. The book also shows the perils of using language incorrectly, offering extremely (if unintentionally) humorous examples of where bad English can cause one thing to mean something entirely different! Authoritative yet entertaining, and illustrated with pithy drawings, this is the ideal book for anyone who strives for clear, stylish and accurate communication.

Children's English in Singapore Aug 06 2020 Combining the World Englishes framework with First Language Acquisition methodology, this book investigates children's acquisition of L1 English in the context of multilingual Singapore,

one of the traditional Kachruvian Outer Circle or ESL countries. The book investigates language choice, use, and dominance in Singaporean families, identifies common linguistic characteristics of L1 Singapore English, as well as the acquisitional route that Singaporean children take. It discusses characteristics at the different levels of language organization, i.e., phonological, morphosyntactic, lexical, and pragmatic features, drawing on a variety of systematically elicited data and Praat-based acoustic analyses. Comparing the results to similar data obtained from children living in England (both mono- and bi-/multilingual), the book also sheds light on how the acquisitional steps taken by Singaporean children differ from or are similar to traditional native speakers of English and children from immigrant families in England.

Real Grammar Oct 27 2019 Real Grammar takes a fresh approach to English grammar. Real Grammar gives you freedom to communicate effectively in English with clarity and confidence. Traditional grammar books tell you what people say. Real Grammar explains why we say it. Learning why will allow you to truly understand English. You will discover the core

concepts of English and gain a deeper understanding of how English works. Once you understand the simple connected core concepts of English, you can use them in a variety of situations to express a wide range of ideas. Real Grammar explores English grammar in a logical way, connecting what you learn with what you already know. Real Grammar features:- Simple explanations- Clear diagrams- Real life examples- Meaningful practice Real Grammar as a teaching resource: As teachers, we want our students to use what they learn in class when they communicate in English. Knowing grammatical structures is one thing, but being able to use them in a natural way can prove challenging. The key is to get the student to understand why. This is done by:- Presenting grammar concepts clearly.- Comparing the new grammar concept to similar grammar concepts the student is already aware of. This helps the students understand the similarities and differences, developing their ability to apply grammar in a way that communicates their thoughts clearly.- Expanding into uses in other situations. We present other contexts that a part of speech is used in, guiding the student to reason, come to their own conclusions, and discover why. Real Grammar includes explanations and practice activities that can be taught as grammar lessons or can be easily integrated into other English classes. www.realgrammar.com

Fundamentals of English Grammar Student Book with MyEnglishLab, 5e

Jan 11 2021 Using a time-tested approach that has helped millions of students around the world, Fundamentals of English Grammar blends direct grammar instruction with carefully sequenced practice to develop speaking, writing, listening, and reading skills. The fifth edition has been extensively revised to keep pace with advances in theory and practice, particularly from cognitive science. Now more than ever, teachers will find an extensive range of presentations, activities, and tasks to meet the specific needs of their classes. New to This Edition * A pretest at the start of each chapter allows learners to assess what they already know and orient themselves to the chapter material. * Practice, spaced out over time, helps students learn better. Numerous exercises have been added to provide more incremental practice. * New charts and exercises show patterns to help learners make sense of the information. * Meaning-based practice is introduced at the sentence level. Students do not have to wait for longer passages to work with meaning. * Frequent oral exercises encourage students to speak more naturally and fluidly. * Step-by-step writing activities promote written fluency. All end-of-chapter tasks include writing tips and editing checklists. * A wide range of contextualized exercises, frequently including life skills vocabulary, encourages authentic language use. * Updated grammar

charts based on corpus research reflect current usage and highlight the differences between written and spoken English in formal and informal contexts. * The BlackBookBlog focuses on student success, cultural differences, and life-skills strategies. * End-of-the-chapter Learning Checks help students assess their learning. * A Pearson Practice English app with end-of-chapter learning checks, Student Book audio, and guided PowerPoint videos. * Revised MyEnglishLab for a fully blended program.
