Enchanted, Inc. Dec 22 2021 “A totally captivating, hilarious, and clever look on the magical kingdom of Manhattan, where kissing frogs has never been this fun.”—Melissa de la Cruz, author of *The Au Pairs* Katie Chandler had always heard that New York is a weird and wonderful place, but this small-town Texas gal had no idea how weird until she moved there. Everywhere she goes, she sees something worth gawking at and Katie is afraid she’s a little too normal to make a splash in the big city. Working for an ogre of a boss doesn’t help. Then, seemingly out of the blue, Katie gets a job offer from Magic, Spells, and Illusions, Inc., a company that tricks of the trade to the magic community. For MSI, Katie’s ordinariness is an asset. Lacking any bit of magic, she can easily spot a fake spell, catch hidden clauses in competitor’s contracts, and detect magically disguised intruders. Suddenly, average Katie is very special indeed. She quickly learns that office politics are even more complicated when your new boss is a real ogre, and you have a crush on the sexy, shy, ultra powerful head of the R&D department, who is so busy fighting an evil competitor threatening to sell black magic on the street that he seems barely to notice Katie. Now it’s up to Katie to pull off the impossible: save the world and—hopefully—live happily ever after.

Damsel Under Stress Mar 25 2022 To-do: Stop the bad guys. Rescue the wizard. Find the perfect outfit for New Year’s Eve. At last, Owen Palmer, the dreamboat wizard at Magic, Spells, and Illusions, Inc., has conjured up the courage to get Katie Chandler under the mistletoe at the office holiday party. But just when it looks like Katie has found her prince, in pops her inept fairy godmother, Ethelinda, to throw a wand into the works. Ethelinda’s timing couldn’t be worse. A plot hatched by MSI’s rogue ex-employees, Idris and his evil fairy gal pal Ari, threatens to expose the company’s secrets—and the very existence of magic itself. Even worse, it could also mean the end of Katie’s happily-ever-after. Now Katie and Owen must work side by side (but alas, not cheek to cheek) to thwart the villains’ plans. Braving black-magic-wielding sorceresses, subway-dwelling dragons, lovelorn frog princes, and even the dreaded trip to meet Owen’s parents at Christmas, Katie and her beau are in a battle to beat Idris at his own sinister game. All mischief and matters of the heart will come to a head at a big New Year’s Eve gala, when the crystal ball will drop, champagne will pour, and Katie will find herself truly spellbound. Praise for Shanna Swendson’s *Once Upon Stilettos* “Magical and totally delightful . . . [a] quirky, lighthearted romance.”—freshfiction.com “A fast and funny read. Chicklit meets urban fantasy.”—Mary Jo Putney, author of *The Marriage Spell*

The Leper King Apr 13 2021 *The Leper King* is a story of authentic history and imaginative fantasy interwoven with faith and love, war and magic set amidst the turbulent times of the Crusades. Upon the premature death of his father, BALDWIN IV, stricken with leprosy from a young age, ascends to the throne of Jherusalem at the age of thirteen. Immediately, enemies threaten his reign as war looms with the great leader of Islam, SALEHDIN. Guided by his trusted friend and Chancellor, Archbishop WILLIAM of Tyre, the young leper sets out to prove himself worthy of the crown, despite the political intrigues of his own High Court. Among those at Court with whom he must contend are his recently returned mother, AGNES de Courtenay, a grasping woman of immoral character, and his sister, SIBYLLA, who comes to Court after spending most of her life shut away from the world in a convent to marry a Western lord against her will. Being a minor, Baldwin must submit to the Regency of his much older cousin, RAYMOND III of Tripoli; but the young king chaffs beneath the Regents authority, longing to put it behind him so he can pursue his own course of action against the enemy. While Raymond continually argues for peace with the Muslims, Baldwin and the new lord of Kerak, REYNALD de Chtillon, hope to bring the Sarrazins to war before the sultans power grows too strong to push back. Unbeknownst to the king and the lords of Outremer, an old and secret cabal of heretic conspirators known only as the Order of Sion led by one, AMALRIC de Lusignan, that seeks to gain control of the kingdom. Their purpose is to proclaim a new form of Christianity with Jherusalem as its ecclesiastical seat of power in opposition to Rome and to crown a sacred king of their own making. That sacred king is none other than Amalrics brother, GUION de Lusignan, whom they claim is a blood descendant of Jhsu Christ. In this conspiracy, two influential men of the kingdom aid them: HERACLIUS, Archbishop of Caesarea and OTHON de Saint-Amant, Master of the famed warrior-monks, the Knights Templar. Saint-Amant, however, is a deeply conflicted man who begins to question how Sion, and the secretive master he reluctantly follows, is manipulating him and his Order. With Agnes diseased son crowned king, it isnt long before Lusignan draws her into the intrigues of the conspiracy as well with the belief she can protect her son. Seeking divine guidance in the Church of the Holy Sepulcher in the aftermath of battle, Baldwin meets, by chance, an elderly woman who thanks him for a simple act of his kindness. He

is astonished, though, when she casts aside her cloak and disguise, revealing to him that she is MARY MAGDALEN, a beautiful and immortal woman of Faerie who vows to guide and befriend him. Only later does she tell him that his leprosy is not the result of disease, but of a magic spell cast by an unseen enemy; a spell that not only devours the king's life, but also becomes the enemy's own undoing. So begins a tale of history and fantasy, in which a young king must determine whether his faith or fate will guide him in the defense of his fragile kingdom. To Catch a Queen Mar 13 2021 Uneasy lies the head that wears a crown - especially the crown of the fairy realm... Sophie Drake has made a promise, and she never breaks her word. She will free Michael Murray's long-lost wife from the fairy realm even if her intensifying feelings for him make it the most painful thing she's ever done. But Sophie is running out of time. Dark fae forces are stirring, threatening the human world. To make matters worse, humans are being cast out of the Realm, whether or not they want to leave, and the shock from these sudden evictions can even prove fatal. It's only a matter of time before it happens to Michael's wife. All this in the name of the fairy queen. Stunned, Sophie knows this is impossible because she's the queen. She won the throne fair and square, through trials and blood. Now she must find and fight an impostor for a crown she never wanted in order to save both the Realm and the human world.

A Fairy Tale Nov 01 2022 Once upon a time, a girl named Sophie Drake danced with the fairies in the woods behind her grandparents' Louisiana home. But she closed the door to the fairy world and turned her back on the Fae when they tried to steal her little sister Emily. Fourteen years later, Sophie heads to New York City on a desperate mission. Emily, now an up-and-coming Broadway actress, has gone missing. Only Sophie suspects the Fae. Now Sophie has her work cut out for her. Emily's abduction is part of a larger plot involving the missing Queen of the fairy realm. An upstart fairy is making a bid to assume control of the entire Realm, unite the fairies, and become master over the human world. To free her sister, Sophie must derail this power scheme and find the true Queen of the Realm. That's a lot for a small-town ballet teacher to tackle, but with the unlikely aid of her sometimes flighty sister, a pair of elderly shopkeepers with a secret, a supremely lazy (but surprisingly knowledgeable) bulldog, and a wounded police detective searching for his own missing person, she just might prevail - if she can force herself to confront her own past and face her true nature.

There's just no real evidence of his involvement, and without that, the MSI team can't do anything to stop him from wreaking magical havoc in the city. To track the criminal enchantments back to their source, Sam will have to rally his security gargoyle pals, do some old-fashioned sleuthing, and keep his wizard friend Owen Palmer focused on the case instead of on that cute girl he spotted at the bookstore. I had fun reading this one. I liked the inclusion of Aly's psychic powers and how she tried to use them to help solve the mystery. It made sense how she got involved and how she went about figuring out who had done it. And I liked how natural and realistic instead forced some of the coincidences felt. The mystery kept me guessing, although the murderer wasn't too big of a surprise there were some nice twists along the way and I was never quite sure who the murderer was. I liked Aly as a main character and reading about her and her powers. I liked the side characters and how each had their own personality that made it easy to remember.
