Moment Maker Jan 22 2022 How to Make Every Moment of Every Day Count Every moment of every day, you have a choice to make. You can either let the minutes pass you by or you can claim them for what they are: opportunities to unlock the full depth of life's potential. For Carlos Whittaker, renowned blogger, musician and worship leader, and husband and dad, living deliberately is a way of life. Making moments that are significant, memorable, or impactful are a part of how he navigates each day, and it has forever changed the landscape of his story. In Moment Maker, Carlos explains his methodology for living intentionally and claiming moments that touch the lives of others, whether that be his family, his friends, his colleagues, or total strangers. Carlos isn't asking anyone to make a big investment in time, energy, or money. He is simply uncovering the investment of attention. You don't have to buy tickets to special events or orchestrate elaborate surprises. You just have to be aware—of your surroundings, the people you encounter, the things that interest those important to you, the opportunities that present themselves—and be prepared to seize those moments and see lives changed.

Social Work in Europe Feb 08 2021 It is an acknowledged if not accepted fact that all European societies are being fundamentally transformed, and indeed perceptively unsettled, by increased migrations across nations and by the asserted presence of established minorities within their borders. The scale and speed at which these transformations have taken place have brought in their wake considerable social impacts and no small measure of fear and anxiety. Encounters with such diversity are part and parcel of the social work task, and learning how to negotiate them should be a de facto aspect of the training and continuous professional development of social workers and other social professions. However, the moral and political dimensions of the role, scope and nature of the social work task in responding appropriately to these changed and changing realities are rather more contested. This volume addresses many dimensions of the response to issues of race and ethnicity in social work practice in Europe. It extends the debates on inter-cultural and race equality practice in social work through a stimulating and innovative collection of contributions. This book was originally published as a special issue of the European Journal of Social Work. *Liars, Inc.* Oct 07 2020 A dark and twisted psychological tale, which Kirkus Reviews called "captivating to the very end" in a starred review—perfect for fans of *I Hunt Killers* and *Gone Girl*. Max Cantrell has never been a big fan of the truth, so when the opportunity arises to sell forged permission slips and cover stories to his classmates, it sounds like a good way to make a little money. So with the help of his friend Preston and his girlfriend, Parvati, Max starts *Liars, Inc.* Suddenly everybody needs something, and the cash starts pouring in. Who knew lying could be so lucrative? When Preston wants his own cover story to go visit a girl he met online, Max doesn't think twice about it. But then Preston never comes home. And the evidence starts to pile up—terrifying clues that lead to Preston's body. Terrifying clues that point to Max as the killer....

Paint Me! Apr 24 2022 Red, blue, and yellow are just the tip of the iceberg when you have a good imagination. In this charming and colorfully illustrated story, a young girl makes her way through the day?first painting a portrait of her dog, and then painting anything and everything she can find. With a simple, affectionate plot that adequately teaches colors and embraces the "creative process" for many kids, *Paint Me!* offers a message of self discovery and promotes a love of art and creativity. Featuring a heartwarming story and simple yet stunningly compelling illustrations from author and illustrator Sarah Frances Hardy, *Paint Me!* encourages children to explore their creativity and express themselves. Children ages 2 to 5 will love following the little girl through her painting process, learning new colors (both primary and secondary) as she creates a colorful mess around her house. The story concludes with bedtime, making this a wonderful bedtime read for young children. The expressive illustrations are sure to inspire a whole new generation of young artists. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers?picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Beard on Pasta Sep 17 2021 Classic pasta dishes from America's 1st and most beloved master chef Whether you're entertaining guests or simply cooking for 1, pasta is sure to delight. The ultimate comfort food, it can be found in the cuisines of nearly every culture. James Beard, heralded by the New York Times as "the dean of American cookery" enriches our understanding of this culinary staple with his collection of recipes and commentary on store-bought versus homemade pasta, wine pairings, choosing the perfect cheese, and other insights. From familiar spaghetti entrées to more adventurous fare, such as udon noodle soup and spätzle, Beard brings meals from all over the globe into the home chef's kitchen. Under the guidance of America's original gastronomic genius, the basic noodle is elevated in dishes such as basil lasagna, Portuguese fish stew with orzo, and cheddar angel hair soufflé. Beard on Pasta is full of easy-to-follow recipes, along with tips on preparation, sauce, and serving that you'll be eager to try. This comprehensive cookbook provides all the tools you need to make delectable and unforgettable pasta for any occasion.

Estimating Market Value and Establishing Market Rent at Small Airports Jul 04 2020 "Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.

Dance, Music and Cultures of Decolonisation in the Indian Diaspora Jun 26 2022 Dance, Music and Cultures of Decolonisation in the Indian Diaspora provides fascinating examples of dance and music projects across the Indian Diaspora to highlight that decolonisation is a creative process, as well as a historical and political one. The book analyses creative processes in decolonising projects, illustrating how dance and music across the Indian Diaspora articulate socio-political aspirations in the wake of thinkers such as Gandhi and Ambedkar. It presents a wide range of examples: post-apartheid practices and experiences in a South African dance company, contestations over national identity politics in Trinidadian music competitions, essentialist and assimilationist strategies in a British dance competition, the new musical creativity of second-generation British-Tamil performers, Indian classical dance projects of reform and British multiculturalism, feminist intercultural performances in Australia, and performance re-enactments of museum exhibits that critically examine the past. Key topics under discussion include postcolonial contestations, decolonising scholarship, dialogic pedagogies and intellectual responsibility. The book critically reflects on decolonising aims around respect, equality and the colonial past's redress as expressed through performing arts projects. Presenting richly detailed case studies that underline the need to examine creative processes in the cultures of decolonisation, Dance, Music and Cultures of Decolonisation in the Indian Diaspora will be of great interest to scholars of South Asian Studies, Diaspora Studies, Performing Arts Studies and Anthropology. The chapters were originally published as a special issue of South Asian Diaspora.
