Turkish Short Stories for Beginners Dec 09 2020 Do you know what the hardest thing for a Turkish learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Turkish tongue. How Turkish Short Stories for Beginners works: - Each story is interesting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Turkish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Turkish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Turkish Short Stories for Beginners and level up your Turkish right now!

The Delights of Learning Turkish Feb 29 2020 'The Delights of Learning Turkish' is a self-study course book that takes the learner from the beginner level to the intermediate level in Turkish. It is designed for English speakers, targeting adult and young adult learners; especially for those planning to settle and live in Turkey or visiting Turkey for business or pleasure. It is a comprehensive, explanatory approach to Turkish language teaching how to construct and use the language both in formal and colloquial forms with dialogues, examples, grammar points, vocabulary and exercises. It shows the grammatical structures in detail with examples, which enables the learners to make their own sentences instead of depending on off-the-shelf phrases. In the book, you can also find general information about the Turkish alphabet and Turkish language as well as notes on Turkish culture in daily life. Covering so many language points, this book is also a grammar reference that targets a wide range of audience including advanced learners. At the end of the book, you will find the keys to the exercises. There are also Turkish - English and English - Turkish glossary sections as well as Turkish proverbs and idioms added to the book with explanations.
