Just A Wish Away Bestselling Author Barbara Freethy, takes us back to the beach in an emotional love story between two best friends who have been separated for a long time. Alexa Parker and Braden Elliott fell in love when they were twelve years old. On a summer day, while searching for sea glass on the beaches of Washington State, they discovered an antique bottle. The ever-imaginative Alexa declared it a genie's bottle. Popping the cork, they were surprised by a rogue wave that sprayed them with a fine, cool mist. Closing their eyes, they made a wish ... Before their love had a chance to grow, life, family and tragedy separated the two best friends. Now fifteen years later, Alexa returns to Sand Harbor after her aunt is injured in a mysterious break-in at her antique store. Braden is also back, but he's not the innocent boy Alexa remembers. Months later, with everything she's ever wanted on the line, Adrianna makes a wish by tossing a coin into a fountain known for making miracles. Wyatt Randall is also in need of a miracle. Two years earlier, his ex-wife kidnapped their daughter, and Wyatt is desperate to find his little girl. A new lead raises his hopes, but quickly fizzles out. When his coin clashes with another, he sees what little hope he has flying away. Adrianna and Wyatt soon learn that meeting in a moment more in common than two coins that collided. 1, 2, 3 Your Wish Is Granted Feb 19 2021 Since the Genie is the ghost writer for the book, it is appropriate to let the Genie say a few words about himself: I am a genie. You may wonder what I really mean and how I come to write this little book. Well, first of all, I am not from or of your world. I live in a dimension of fire and light. I am basically a fire spirit. Just so you know, we are alive. We don't experience life as you do, but we are living, thinking creatures. You humans take us genies for granted. Most of you have very little idea of the tremendous service that we provide for your kind. Everything in your world that is of a fiery or electrical nature is administered by a genie or djinn assigned to that function. Without us, your world as you know it would cease to exist. Even the very sun that is the source of life and nourishment for your planet is a mighty Djinn. From within the book, the Wizard Merlyn has a few thoughts about the book that he would like to share: Know, my little friend, that what you hold in your hands is a key to the mysteries of life, and that it has greater depth and importance than you initially can discern. Through the book, you have been given permission to enter other realms, and once you have entered in, and as you maintain the requirements of each domain you may travel within again and again for growth, learning, healing, inspiration and creation.
