Between Ghosts Jan 10 2021 WINNER of the 2017 EPIC Award for Contemporary Romance In 2003, journalist Connor Regan marched through London to add his voice to a million others, decrying the imminent invasion of Iraq. Eight months later, his brother, James, was killed in action in Mosul. Three years on, Connor finds himself bound for Iraq to embed with an elite SAS team. He sets his boots on the ground looking for closure and solace—anything to ease the pain of his brother's death. Instead he finds Sergeant Nathan Thompson. Nat Thompson is a veteran commander, hardened by years of combat and haunted by the loss of his best friend. Being lumbered with a civilian is a hassle Nat doesn't need, and he vows to do nothing more than keep the hapless hack from harm's way. But Connor proves far from hapless, and too compelling to ignore for long. He walks straight through the steel wall Nat's built around his heart, and when their mission puts him in mortal danger, Nat must lay old ghosts to rest and fight to the death for the only

man he's ever truly loved.

*Lament at Loon Landing Jul 04 2020* When famous folk singer Laura Fairplay agrees to appear at the annual maritime music festival to perform a newly discovered piece of music by the legendary Stephen Foster, everyone in the quaint seaside village of Pirate's Cove is delighted—including mystery bookstore owner and sometimes amateur sleuth, Ellery Page. Several mysterious accidents later, Ellery is less ecstatic—especially when it becomes clear to him that someone plans to sink the celebrity songbird forever.

*Wrong Way Home Oct 07 2020 -- ONE WRONG TURN. ONE RIGHT MAN. -- Colin. Rule-follower. Future doctor. Witness to murder. Captive. Taron. Survivalist. Mute. Murderer. Captor. Like every other weekend, Colin is on his way home from university, but he's taunted by the notion that he never takes risks in life and always follows the beaten path. On impulse, he decides to take a different route. Just this one time. What he doesn't realize is that it's the last time he has a choice. He ends up taking a detour into the darkest pit of horror, abducted by a silent, imposing man with a blood-stained axe. But what seems like his worst nightmare might just prove to be a path to the kind of freedom Colin never knew existed. Taron has lived alone for years. His land, his rules. He'd given up on company long ago. After all, attachment is a liability. He deals with his problems on his own, but the night he needs to dispose of an enemy, he ends up with a witness to his crime. The last thing Taron needs is a nuisance of a captive. Colin doesn't deserve death for setting foot on Taron's land, but keeping him isn't optimal either. It's only when he finds out the city boy is gay that an altogether different option arises. One that isn't right, yet tempts him every time Colin's pretty eyes glare at him from the cage. \*"When Taron looped the heavy metal collar around the slender neck and closed the padlock, his body throbbed with the excitement of knowing he owned this boy. Was it wrong? Yes, yes it was. Was it so, so good? Definitely." Themes: prepping, alternative lifestyles, disability, crime, loneliness, enemies to lovers, forced proximity, fish out of water, opposites attract, abduction, Stockholm syndrome, family issues Genre: Dark, thriller M/M romance Heat level: Scorching hot, emotional, explicit scenes Length: ~ 70,000 words (Standalone) This book is part of CRIMINAL DELIGHTS. Each novel can be read as a standalone and contains a dark M/M romance. Warning: These books are for adult readers who enjoy stories where lines between right and wrong get blurry. High heat, twisted and tantalizing, these are not for the fainthearted.*

*A Case for Christmas Aug 24 2019* He loves no-one and never will. Lord Christmas Gale is a genius and a misanthrope, and, quite to his disgust, adored by all of Society for his capacity to solve mysteries. When a man approaches him seeking help in locating a lost dog, Gale rebuffs him. But what begins with a missing dog ends in murder and intrigue—two of Gale's favourite things, if it weren't for the orphan that comes attached to them. Oh, and Benjamin Chant. He has sworn to never love again. The Honourable Mr. Benjamin Chant isn't sure how he got swept up in Gale's mad investigation, but there's something intriguing about the man—a vulnerability that most of the world doesn't notice, but which captures Chant's interest, and his sympathy, from their first meeting. After a disastrous love affair in the

past, Chant has sworn to never give his heart away again. Especially to a man who does not want it. But it isn't just their hearts at stake. When their investigation takes a dangerous turn and their lives are threatened, both Gale and Chant are forced into the realisation that perhaps two imperfect men might fit perfectly together—that is, if they can outwit the killer who is intent on seeing them both dead. *A Case for Christmas* is the second book in the *Lords of Bucknall Club* series, where the Regency meets m/m romance. The *Lords of Bucknall Club* can be read in any order.

*Malibu Rising* Feb 29 2020 NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • From the author of *Daisy Jones & The Six* and *The Seven Husbands of Evelyn Hugo* . . . ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *Time*, *Marie Claire*, *PopSugar*, *Parade*, *Teen Vogue*, *Self*, *She Reads* • “Irresistible . . . High drama at the beach, starring four sexy, surfing siblings and their deadbeat, famous-crooner dad.”—*People* Four famous siblings throw an epic party to celebrate the end of the summer. But over the course of twenty-four hours, the family drama that ensues will change their lives forever. *Malibu*: August 1983. It's the day of Nina Riva's annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long past time for him to confess something to the brother from whom he's been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can't stop thinking about promised she'll be there. And Kit has a couple secrets of her own—including a guest she invited without consulting anyone. By midnight the party will be completely out of control. By morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family's generations will all come rising to the surface. *Malibu Rising* is a story about one unforgettable night in the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind.

*Access to International Justice* Nov 19 2021 There is much debate about the scope of international law, its compatibility with individual state practice, its enforceability and the recent and limited degree to which it is institutionalized. This collection of essays seeks to address the issue of access to justice, the related element of domestic rule of law which does not yet figure significantly in debates about international rule of law. Even in cases in which laws are passed, institutions are present and key players are ethically committed to the rule of law, those whom the laws are intended to protect may be unable to secure protection. This is an issue in most domestic jurisdictions but also one which poses severe problems for

international justice worldwide. The book will be of interest to academics and practitioners of international law, environmental law, transitional justice, international development, human rights, ethics, international relations and political theory.

The Dream Thieves Oct 19 2021 This is the second book in a brand new series from bestselling author, Maggie Stiefvater. Fans of *SHIVER* (9781407115009), *LINGER* (9781407121086) and *FOREVER* (9781407121116) will love this new quartet!

The Girl Who Knew Too Much Aug 17 2021 Amanda Quick, the bestselling author of *'Til Death Do Us Part*, transports readers to 1930s California, where glamour and seduction spawn a multitude of sins . . . When Hollywood moguls and stars want privacy, they head to an idyllic small town on the coast, where the exclusive Burning Cove Hotel caters to their every need. It's where reporter Irene Glasson finds herself staring down at a beautiful actress at the bottom of a pool . . . The dead woman had a red-hot secret about up-and-coming leading man Nick Tremayne, a scoop that Irene couldn't resist - especially since she's just a rookie at a third-rate gossip rag. But now Irene's investigation into the drowning threatens to tear down the wall of illusion that is so deftly built around the famous actor, and there are powerful men willing to do anything to protect their investment. Seeking the truth, Irene finds herself drawn to a master of deception. Oliver Ward was once a world-famous magician - until he was mysteriously injured during his last performance. Now the owner of the Burning Cove Hotel, he can't let scandal threaten his livelihood, even if it means trusting Irene, a woman who seems to have appeared in Los Angeles out of nowhere four months ago . . . With Oliver's help, Irene soon learns that the glamorous paradise of Burning Cove hides dark and dangerous secrets. And that the past - always just out of sight - could drag them both under . . .

The Escape Aug 05 2020 The Sunday Times bestseller returns with her most thrilling book yet, An unputdownable read for fans of *Into the Water* and *The Girlfriend*.

The Inner Coast: Essays Sep 17 2021 Prize-winning essays on our changing place in the natural world by the best-selling author of *Moby-Duck*. Writing

in the grand American tradition of Annie Dillard and Barry Lopez, Donovan Hohn is an "adventurous, inquisitive, and brightly illuminating writer" (New York Times). Since the publication of *Moby-Duck* a decade ago, Hohn has been widely hailed for his prize-winning essays on the borderlands between the natural and the human. *The Inner Coast* collects ten of his best, many of them originally published in such magazines as the *New York Times Magazine* and *Harper's*, which feature his physical, historical, and emotional journeys through the American landscape. By turns meditative and comic, adventurous and metaphysical, Hohn writes about the appeal of old tools, the dance between ecology and engineering, the lost art of ice canoeing, and Americans' complicated love/hate relationship with Thoreau. *The Inner Coast* marks the return of one of our finest young writers and a stylish exploration of what Guy Davenport called "the geography of the imagination."

*The Psychology of Doping in Sport* Feb 20 2022 This is the first book to draw together cutting-edge research on the psychological processes underlying doping use in sport and exercise, thereby filling an important gap in our understanding of this centrally important issue in contemporary sport. Covering diverse areas of psychology such as social cognition, automatic and controlled processes, moral decision-making, and societal and contextual influence on behaviour, the book also explores methodological considerations surrounding doping assessment in psychological research as well as future directions for evidence-based preventive interventions and anti-doping education. Written by a team of leading international researchers from countries including the US, Canada, Australia, the UK, Greece, Germany, Italy, Denmark and Ireland, the book integrates empirical findings with theoretical guidance for future psychological research on doping, and illuminates the challenges, needs and priorities in contemporary doping prevention. It is important reading for advanced students and researchers in sport and exercise science, sport management and sport policy, and will open up new perspectives for professional coaches, sports administrators, policy makers and sport medicine specialists looking to better understand the doping behaviours of athletes in sport.

*Engaging in Narrative Inquiries with Children and Youth* Nov 27 2019 Renowned scholar and founder of the practice of narrative inquiry, D. Jean Clandinin, and her coauthors provide researchers with the theoretical underpinnings and processes for conducting narrative inquiry with children and youth. Exploring the unique ability of narratives to elucidate the worldview of research subjects, the authors highlight the unique steps and issues of working with these special populations. The authors address key ethical issues of anonymity and confidentiality, the relational issues of co-composing field and research texts with subjects, and working within the familial contexts of children and youth; include numerous examples from the authors' studies and others - many from indigenous communities-- to show narrative inquiry in action; should be invaluable to researchers in education, family relations, child development, and children's health and services.

*Disrupt* Jun 14 2021 Donovan Beckett is a recluse who wants no commitments or entanglements of any kind. He works hard to ensure no one can penetrate the wall he's carefully constructed around himself--until the day his new neighbor stumbles into him. It isn't anything like instant love. Far from

it. Eden Avery doesn't want to be curious about her neighbor. He's the most infuriating and closed-off person she's ever met—not to mention the rudest. She doesn't want to find the uptight bastard irresistible and she shouldn't be able to sense the minute he's within spitting distance, but does. She really shouldn't fantasize about his hands on her body, but that's happening too. They can fight it all they want, but nothing can stop the mutual attraction that's about to disrupt both of their lives.

*Mad Or Bad?: A Critical Approach to Counselling and Forensic Psychology* Jun 22 2019 A cutting-edge text that provides a comprehensive introduction to mental health problems and criminal behaviour, this book explores the link between mental health and criminality and considers the most common and effective therapeutic approaches for working with offenders and victims of crime. · Part 1 explores the predominant tensions between forensic and therapeutic agendas; · Part 2 considers how criminal and 'insane' identities and careers may be considered gendered, classed, culturally and age-dependent experiences, and be related to power and oppression; · Part 3 examines issues around sex and sexuality in forensic and therapeutic settings; · Part 4 introduces a range of therapeutic approaches for working with offenders and victims of crime; · Part 5 covers forensic and therapeutic practices, including programmes for the prevention of both mental health issues and offending. Edited by an expert team from the Open University and written by a broad range of contributors, this book draws on a wealth of experience in this popular subject area. It will be a key text for students of forensic psychology, counselling and psychotherapy, and for health and social care professionals working in therapeutic and forensic settings.

*Between the Sheets* Sep 25 2019 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY RT BOOK REVIEWS Sure to thrill readers of Susan Mallery and Rachel Gibson, Molly O'Keefe's sizzling series cranks up the tension as a bad boy rides into town on his motorcycle—and teaches the girl next door to lose control when it comes to desire. After years of running, Wyatt Svenson has now parked himself in Bishop, Arkansas, trying to do the right thing and parent a son he didn't even know he had until recently. Over six feet tall and packed with muscles and power, Ty likes to get his hands dirty, fixing his motorcycle at night and keeping his mind away from the mistakes he's made. Then his pretty neighbor shows up on his driveway, doesn't bother to introduce herself, and complains about the noise. First impression? She should loosen up. Funny that she turns out to be his son's elementary school art teacher—and the only one willing to help his troubled boy. Ty needs her. In more ways than one. Though Shelby Monroe is safe in her structured life, she is drawn to Ty's bad-boy edge and rugged sexuality. What if she just lets it all go: her worries about her mother, her fear of heartbreak, and her tight self control? What if she grabs Ty and takes a ride on the wild side? "What if" becomes reality—intense, exhilarating . . . and addictive. But Ty wants more than a secret affair. He wants it all with Shelby. But will she take a chance and open her heart? Ty is determined to convince Shelby to take the biggest risk of her life: on him. Praise for *Between the Sheets* "Phenomenal . . . The story is deep, complex, and rich, with emotional tones of hope, loss, regret, pain, and so many flavors of love."—Publishers Weekly (starred review) "The characters are genuine, their

stories are authentic and there is a rawness of emotion that is completely unexpected. The chemistry Ty and Shelby share is electric and their sex scenes are sizzling on a whole new level. This is a fantastic read that surprises and thoroughly delights.”—RT Book Reviews (4-1/2 stars, Top Pick) “Dark, edgy, and emotionally turbulent, *Between the Sheets* is a . . . modern-day romance that speaks of second chances, love, heartbreak, redemption, and hope.”—Smexy Books “Once again, Molly O’Keefe explodes the traditional trope and creates characters that breathe. . . . *Between the Sheets* did what great books should do and let me live beside these people of Bishop and come to care about them. A lot.”—The Best Reviews “An intense, heartbreaking and poignant novel that is also insanely hot and incredibly passionate . . . another powerful novel of love and healing by Molly O’Keefe that old and new fans of the *Boys of Bishop* series do not want to miss.”—Book Reviews & More by Kathy

Almost Like Being in Love Apr 12 2021 After witnessing a shooting and fearful for her life, Pepper Prescott hides out in the mountains where she finds her old lover, Dan Graham, a former Special Forces soldier.

Maternity Leave Dec 21 2021 What does it mean to be a successful working parent? And how do working parents cope in the United States, the only developed nation with no paid parental leave requirement? Despite some positive advancement in the voluntary adoption of paid parental leave, many organizations over the past 25 years have instead decreased paid leave benefits offered to employees in the United States, choosing instead to let unpaid leave under the Family Medical Leave Act (FMLA) serve in its place. This regression in practice is perhaps the greatest unintended consequence of FMLA and surely was not the intent of Congress. *Maternity Leave: Policy and Practice, Second Edition* approaches parental leave from a variety of perspectives: legal, political, social, institutional, organizational, and, most importantly, from the personal perspectives of the women and men interviewed expressly for the book. This second edition offers two new chapters: the first puts the issue of maternity leave within the context of work-life balance issues, and the second explores case studies from states, cities, and private organizations. Incorporating new census data, related reports, and academic studies, authors Victoria Gordon and Beth M. Rauhaus utilize relevant and cutting-edge research in their exploration of parental leave, and they enrich this research with the individual stories of ordinary working parents as well as those who choose not to have children. Assuming no prior specialized knowledge, this book can be assigned on a variety of undergraduate and graduate courses in politics, public policy, public administration, gender studies, and human resource management, and will equally be of interest to parents, policy makers, and C-suite managers.

Heavy Mar 24 2022 Being dead doesn’t mean resting in peace. Bill thought the wait was the hardest part – until he’s thrown together with someone he hates more than anything in eternity. For fans of *Preacher* and *The Punisher!* Paradise is lost and Heaven’s gotta wait... Bill may be dead, but he’s got a job to do. Welcome to the Big Wait, where folks who don’t quite make the cut go to work off their debt. Everyone in the Wait’s got a job. Bill is a Heavy, whose job is policing the multiverse, making sure bad eggs get what’s coming to them. He’s on track to earn his Climb and reunite with the woman he loves...until he meets his new partner: the worst dude of all time. Heavy

is *The Punisher* for neurotics; *Inception* for the impatient; *Preacher* for...well, it's a lot like *Preacher*. Max Bemis (*Moon Knight*, *Centipede*, *X-Men: Worst X-Man Ever*) and Eryk Donovan (*Memetic*, *Ghost of Ohio*) bring you a story about the existential purpose of dumb boys with big guns.

On the Same Page Mar 31 2020 Shy bookstore owner Heath doesn't think real men can hold a candle to the hot characters in his favorite genre. Dom Xavier--intrigued by the BDSM book he spots by the cash register--might change his mind.

My *Ántonia* Jul 28 2022 '*My Ántonia*' was originally published in 1918 and was praised as a masterpiece of Willa Cather. It evokes the life of Willa Cather's childhood, and commemorates the spirit and courage of immigrant pioneers in America. One of Cather's earliest novels, it is the story of *Ántonia Shimerda*, who arrives on the Nebraska frontier as part of a family of Bohemian emigrants. Her story is told through the eyes of Jim Burden, a neighbor who will befriend *Ántonia*, teach her English, and follow the remarkable story of her life. Working in the fields of waving grass and tall corn that dot the Great Plains, *Ántonia* forges the durable spirit that will carry her through the challenges she faces when she moves to the city. But only when she returns to the prairie does she recover her strength and regain a sense of purpose in life. In the quiet, probing depth of Willa Cather's art, *Ántonia*'s story becomes a mobbing elegy to those whose persistence and strength helped build the American frontier.

Asking For It Dec 09 2020 'A soul-shattering novel that will leave your emotions raw. This story will haunt me forever. Everyone should read it' Guardian In a small town where everyone knows everyone, Emma O'Donovan is different. She is the special one - beautiful, popular, powerful. And she works hard to keep it that way. Until that night . . . Now, she's an embarrassment. Now, she's just a slut. Now, she is nothing. And those pictures - those pictures that everyone has seen - mean she can never forget. For fans of Caitlin Moran, Marian Keyes and Jodi Picoult. BOOK OF THE YEAR AT THE IRISH BOOK AWARDS 2015. The award-winning, bestselling novel about the life-shattering impact of sexual assault, rape and how victims are treated.

*Bayesian Statistics for Beginners* Oct 26 2019 This is an entry-level book on Bayesian statistics written in a casual, and conversational tone. The authors walk a reader through many sample problems step-by-step to provide those with little background in math or statistics with the vocabulary, notation, and understanding of the calculations used in many Bayesian problems.

*Domestic Violence and Sexuality* Nov 07 2020 This book provides the first detailed discussion of domestic violence and abuse in same-sex relationships, offering a unique comparison between same-sex and heterosexual contexts. Catherine Donovan and Marianne Hester examine how experiences of domestic violence and abuse are shaped by gender, sexuality, and age, seeking to understand what factors drive victims to seek?or not seek?help. Employing a pioneering methodology that includes both quantitative and qualitative research, they provide a new framework of analysis?what they call ?practices of love"?that challenges heteronormative models of engaging domestic violence in research, policy, and practice.

*Six Degrees of Separation* Sep 29 2022 In the sequel to *Six Degrees of Lust*,

F.B.I. team leader Samuel Shaughnessy and bar manager Machlan O'Bannon are exploring a new phase in their non-relationship. The intention is to take it slowly but power plays are still their favorite activity, and it isn't long before lines begin blurring. After ending their friends with benefits agreement no rules are left in place to guide them, and soon enough the only thing that's clear is that neither man is fighting hard enough to reestablish the boundaries. Their particular situations haven't improved in the three months since their first encounter. Sam is still focused on his immediate family issues, and everything indicates Mac will have to go to war with his own family before he can reclaim his freedom. The last thing they need is additional complications. But when the opening of a night club brings Mac to New York City and a break in the Leviticus investigation leads Sam to Houston, they discover how closely their worlds have been connected from the very beginning. Hiding from the life-altering collision is not an option. Will they take the easier road and go their separate ways, or will they come to terms with their past and take a chance on each other? *By Degrees* is an ensemble serial with continuing story lines. *Six Degrees of Separation* is the second installment, and it must be read after *Six Degrees of Lust*.

*Postmodern Counternarratives* Aug 29 2022 This book provides a wide-ranging discussion of realism, postmodernism, literary theory and popular fiction before focusing on the careers of four prominent novelists. Despite wildly contrasting ambitions and agendas, all four grow progressively more sympathetic to the expectations of a mainstream literary audience, noting the increasingly neglected yet archetypal need for strong explanatory narrative even while remaining wary of its limitations, presumptions, and potential abuses. Exploring novels that manage to bridge the gap between accessible storytelling and literary theory, this book shows how contemporary authors reconcile values of postmodern literary experimentation and traditional realism.

*The Art of Teaching Science* May 26 2022 A fully revised edition of this thorough introduction to the theory and practice of science teaching in middle and secondary schools Science teaching is an art that requires a unique combination of knowledge and skills to engage students and foster their understanding. This book is a thorough introduction and embraces the full spectrum of contemporary reforms in education. It presents science teaching as a dynamic, collaborative activity and highlights recent developments in research into excellence in science teaching. Emphasizing pedagogy, curriculum, and assessment, this book is designed for educators preparing to teach science at middle and high school levels. Fully revised and updated, this second edition includes new chapters which address the use of ICT in the science classroom and suggest innovative ways of developing an engaging, thinking science classroom. Throughout the book, the authors reflect a student-centered approach to science teaching as advocated in reform curriculum documents throughout the world. Written by leading science educators and incorporating classroom examples and activities, this book outlines the main issues science teachers face today.

*Finlay Donovan Is Killing It* Sep 05 2020 "Getting the job done" for one single mom takes on a whole new meaning in *Finlay Donovan is Killing It*. One of *Suspense Magazine's* "Best Thrillers of 2021" One of New York Public Library's Best Books of 2021 Nominated for the Left Coast Crime 2022 Lefty

Award for the Best Humorous Mystery "Funny and smart, twisty and surprising."—Megan Miranda Finlay Donovan is killing it . . . except, she's really not. She's a stressed-out single-mom of two and struggling novelist, Finlay's life is in chaos: the new book she promised her literary agent isn't written, her ex-husband fired the nanny without telling her, and this morning she had to send her four-year-old to school with hair duct-taped to her head after an incident with scissors. When Finlay is overheard discussing the plot of her new suspense novel with her agent over lunch, she's mistaken for a contract killer, and inadvertently accepts an offer to dispose of a problem husband in order to make ends meet . . . Soon, Finlay discovers that crime in real life is a lot more difficult than its fictional counterpart, as she becomes tangled in a real-life murder investigation. Fast-paced, deliciously witty, and wholeheartedly authentic in depicting the frustrations and triumphs of motherhood in all its messiness, hilarity, and heartfelt moment, Finlay Donovan Is Killing It is the first in a brilliant new series from YA Edgar Award nominee Elle Cosimano.

Hearsay Dec 29 2019 Senior associate attorney Derrick Swain wants it all: a loving husband, a fulfilling career, and a couple of kids. After years of hard work he's on the fast track to a promotion. He's also met the man of his dreams. A week of daily lunch meetings in Central Park provides the perfect setting to get to know him better, and Derrick thinks it won't be long before they take the next step and go on a date. But instead of asking him out, the object of his affection stops showing up without explanation, leaving him to wonder what went wrong. As part owner of one of the most prestigious law firms in New York City, Roman Bradford knows that professional success isn't the be all end all. Although he's been lucky in life, true love has eluded him for the most part. One too many failed relationships have caused him to be leery of trying again, until he meets a man that can only be described as temptation personified. A few conversations is all it takes for Roman to start believing things will be different this time around. It doesn't matter that they are boss and employee, or that he's feeling too much, too fast. Not when he can see the same emotions in Derrick's eyes. Then life turns on a dime, and Roman has no option but to let his chance at happiness go. A battle of wills ensues when a life-altering case brings them together a year later. Roman wants to do the right thing by not letting anything happen between them, and Derrick is determined to prove they're meant to be together. Evidence will be presented and final arguments will be made. Will they be able to come to an agreement, or will they opt to have their potential relationship dismissed?

Immunisation against infectious diseases Feb 08 2021 This is the third edition of this publication which contains the latest information on vaccines and vaccination procedures for all the vaccine preventable infectious diseases that may occur in the UK or in travellers going outside of the UK, particularly those immunisations that comprise the routine immunisation programme for all children from birth to adolescence. It is divided into two sections: the first section covers principles, practices and procedures, including issues of consent, contraindications, storage, distribution and disposal of vaccines, surveillance and monitoring, and the Vaccine Damage Payment Scheme; the second section covers the range of different diseases and vaccines.

Outland Jul 24 2019 When the Yellowstone supervolcano erupts, it's up to six college students and their experimental physics project to prevent the end of civilization. When an experiment to study quantum uncertainty goes spectacularly wrong, physics student Bill Rustad and his friends find that they have accidentally created an inter-dimensional portal. They connect to Outland—an alternate Earth with identical geology, but where humans never evolved. The group races to establish control of the portal before the government, the military, or evildoers can take it away. Then everything changes when the Yellowstone supervolcano erupts in an explosion large enough to destroy civilization and kill half the planet. The team has just hours to get as many people as possible across to Outland before a lethal cloud of ash overwhelms them. Nothing has prepared the refugees for what they find—a world of few resources and unprecedented dangers. Somehow, they must learn to survive, because Outland may be not just a safe haven—it could be their new home. This 2019 edition has been substantially revised by the author.

Introduction to Coaching Psychology Jun 02 2020 This collection featuring chapters by leading international practitioners will offer an introduction to coaching psychology for those new to it, including students, trainees, psychologists, and coaches. Introduction to Coaching Psychology covers key topics, including the background and development of coaching psychology, the coach-coachee relationship, coaching psychology approaches and models, and themes such as assessment, contracting, and the setup in coaching psychology practice. Applications in coaching psychology are considered, including a look at particular coaching psychology specialisms and interventions, as well as discussions about working in organisations, working with young people, and life and personal coaching. Professional practice issues, such as boundaries and best practice, and coaching and diversity, are also explored. Furthermore, a review of coaching psychology research is presented. The book also offers a rich collection of case studies to illustrate the practice of coaching psychology in a real-world setting and concludes with a consideration of the future of the field. This timely and accessible book will be essential reading for anyone new to the field, as well as coaches, psychologists, and counsellors interested in the theory, research, and practice of coaching psychology.

The War We Never Fought May 14 2021 Again and again British politicians, commentators and celebrities intone that 'The War on Drugs has failed'. They then say that this is an argument for abandoning all attempts to reduce drug use through the criminal law. Peter Hitchens shows that in Britain there has been no serious 'war on drugs' since 1971, when a Tory government adopted a Labour plan to implement the revolutionary Wootton report. This gave cannabis, the most widely used illegal substance, a special legal status as a supposedly 'soft' drug (in fact, Hitchens argues, it is at least as dangerous as heroin and cocaine because of the threat it poses to mental health). It began a progressive reduction of penalties for possession, and effectively disarmed the police. This process still continues, behind a screen of falsely 'tough' rhetoric from politicians. Far from there being a 'war on drugs', there has been a covert surrender to drugs, concealed behind an official obeisance to international treaty obligations. To all intents and purposes, cannabis is legal in Britain, and other major drugs are not

far behind. In *The War We Never Fought*, Hitchens uncovers the secret history of the government's true attitude, and the increasing recruitment of the police and courts to covert decriminalisation initiatives, and contrasts it with the rhetoric. Whatever and whoever is to blame for the undoubted mess of Britain's drug policy, it is not 'prohibition' or a 'war on drugs', for neither exists.

*Six Degrees of Lust* Oct 31 2022 New York City FBI team leader Samuel Shaughnessy lives for his immediate family and his job. After a marriage gone wrong, he has stuck to a firm rule when it comes to relationships: he doesn't have them. Sexually active and emotionally unavailable keeps him satisfied, especially now that he is in hot pursuit of a serial killer targeting gay men. Machlan O'Bannon manages a successful sports bar in Houston, and after years of waiting, he's ready to stand up and be the man he always wanted to be: out, proud and drama-free. His politically-aligned family wants to keep him locked in the closet, but Mac just wants to be true to himself and live his own life. One man is as high strung as the other is laid back. A chance meeting brings them together, and one night of passion ignites a fire neither can fight. Their lives are not only miles apart, but as different as day and night. They don't want to get involved, but they might not be able to keep apart.

*Finlay Donovan Knocks 'Em Dead* Apr 24 2022 A USA TODAY BESTSELLER! From Edgar-Award nominee Elle Cosimano, comes *Finlay Donovan Knocks 'Em Dead*—the hilarious and heart-pounding follow-up to *Finlay Donovan is Killing It*. "Cosimano skillfully combines suspense and laughs in the manner of Janet Evanovich's early (and best) novels, finished off with a metafictional twist."—*New York Times Book Review* "A funny and smart, twisty and surprising series."—*Megan Miranda* *Finlay Donovan is*—once again—struggling to finish her next novel and keep her head above water as a single mother of two. On the bright side, she has her live-in nanny and confidant Vero to rely on, and the only dead body she's dealt with lately is that of her daughter's pet goldfish. On the not-so-bright side, someone out there wants her ex-husband, Steven, out of the picture. Permanently. Whatever else Steven may be, he's a good father, but saving him will send her down a rabbit hole of hit-women disguised as soccer moms, and a little bit more involvement with the Russian mob than she'd like. Meanwhile, Vero's keeping secrets, and Detective Nick Anthony seems determined to get back into her life. He may be a hot cop, but *Finlay's* first priority is preventing her family from sleeping with the fishes... and if that means bending a few laws then so be it. With her next book's deadline looming and an ex-husband to keep alive, *Finlay* is quickly coming to the end of her rope. She can only hope there isn't a noose at the end of it...

*Handbook of Personality at Work* Jul 16 2021 Personality has emerged as a key factor when trying to understand why people think, feel, and behave the way they do at work. *Better Schools with Evidence-based Policy: Adaptable Policy for Teachers and School Leaders* provides an extensive set of free-to-use policies for building better schools. The policies included in this book cover a broad range of popular topics for schools that are not readily accessible, and each policy is built on theory, driven by research, and created by experts. Each policy is based on substantial evidence, and this is ensured through the inclusion of contributors who are active and highly reputable in their respective field. Most schools are obliged to write and maintain policy, and not all school leaders have the required skills, time, or expertise to do this effectively. *Building Better Schools with Evidence-based Policy: Adaptable Policy for Teachers and School Leaders* is a time-saving resource for schools. It aims to address the reported research-to-practice gap in education by delivering accessible evidence-based practice in a ready-to-use adaptable format. All policies within this book are designed to be adapted and tailored to the unique diversity and needs of each school as reflected by the context and the people that make up the school community. This book is relevant to every person who works in a school - worldwide. Users of this book can rest assured that each policy has been carefully formulated from the current understandings of best practice. This is a practical innovation and an example of how schools can use research evidence in their day-to-day practices.
