Number the Stars. Ten-year-old Ada has never left her one-room apartment. Her mother is too humiliated by Ada's twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn't waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. "Achingly lovely...Nuanced

How to End the Reading War and Serve the Literacy Needs of All Students Dec 05 2019 The twenty-first century Reading War is, in fact, nothing new, but some of the details are unique to our current culture driven by social media. This volume seeks to examine the current Reading War in the context of the historical recurrence of public and political debates around student reading abilities and achievement. Grounded in a media fascination with the "science of reading" and fueled by a rise in advocates for students with dyslexia, the current Reading War has resulted in some deeply troubling reading policy, grade retention and intensive phonics programs. This primer for parents, policy makers, and people who care confronts some of the most compelling but misunderstood aspects of teaching reading in the U.S. while also offering a way toward ending the Reading War in order to serve all students, regardless of their needs. The revised/expanded 2nd edition adds developments around the "science of reading," including the expanding impact on state policy and legislation as well as robust additions to the research base around teaching students to read.

Reading Lucan's Civil War Apr 08 2020 Born in 39 C.E., the Roman poet Lucan lived during the turbulent reign of the emperor Nero. Prior to his death in 65 C.E., Lucan wrote prolifically, yet beyond some fragments, only his epic poem, the *Civil War*, has survived. Acclaimed by critics as one of the greatest literary achievements of the Roman Empire, the *Civil War* is a stirring account of the war between Julius Caesar and the forces of the republican senate led by Pompey the Great. Reading Lucan's *Civil War* is the first comprehensive guide to this important poem. Accessible

to all readers, it is especially well suited for students encountering the work for the first time. As the editor, Paul Roche, explains in his introduction, the Civil War (alternatively known in Latin as *Bellum Civile*, *De Bello Civili*, or *Pharsalia*) is most likely an unfinished work. Roche places the poem in historical and literary contexts that will be helpful to first-time readers. The volume presents, chapter-by-chapter, essays that cover each of the Civil War's ten extant books. Five further chapters address topics and issues pertaining to the entire work, including religion and ritual, philosophy, gender dynamics, and Lucan's relationships to Vergil and Julius Caesar. The contributors to this volume are all expert scholars who have published widely on Lucan's work and Roman imperial literature. Their essays provide readers with a detailed understanding of and appreciation for the poem's unique features. The contributors take special care to include translations of all original Latin passages and explain unfamiliar Latin and Greek terms. The volume is enhanced by a map of Lucan's Roman world and a glossary of key terms.

The Friendship War Jan 30 2022 Stickers, Silly Bandz, Rainbow Looms, fidget spinners . . . buttons?! A brand-new school story about friendship and fads from the bestselling author of Frindle. This is war. Okay--that's too dramatic. But no matter what this is called, so far I'm winning. And it feels wonderful. Grace and Ellie have been best friends since second grade. Ellie's always right in the center of everything--and Grace is usually happy to be Ellie's sidekick. But what happens when everything changes? This time it's Grace who suddenly has everyone's attention when she accidentally starts a new fad at school. It's a fad that has first her class, then her grade, and then the entire school collecting and trading and even fighting over . . . buttons?! A fad that might also get her in major trouble and could even be the end of Grace and Ellie's friendship. Because Ellie's not used to being one-upped by anybody. There's only one thing for Grace to do. With the help of Hank--the biggest button collector in the sixth grade--she will have to figure out a way to end the fad once and for all. But once a fad starts, can it be stopped? Andrew Clements, the beloved author of Frindle, returns with a

deliciously entertaining and deeply satisfying story that will resonate with anyone who's ever been in a classroom . . . or been a kid. A fad is a tough thing to kill, but then again, so is a friendship. "On-point."-- Publishers Weekly "A girl accidentally starts a school fad, causing a rift with her best friend, in this latest novel from Clements. The funny, science-loving Grace is an endearing narrator--just the right person to document the strange but creative ways her classmates' button obsession flourishes. A fun, charming story about fads and the friendships that outlast them."--Booklist Praise for Andrew Clements! "Clements is a genius." --The New York Times "We have never read an Andrew Clements book that we haven't loved." --The Washington Post
