Originally played almost exclusively in a South America, the popularity of men's Futsal has rapidly evolved in many countries over the past 10 years. 'Futsal fever' is also catching on in USA. Recognizing numerous technical and tactical benefits transferable to soccer, US Soccer recently mandated all Boys Development Academies, the elite level of youth soccer in America, must enter a 'Futsal Period' each January/February. Promisingly, Soccer clubs around the country are also introducing 'Futsal training periods' and entering boys and girls teams into regional and national Futsal leagues/tournaments. With the popularity and awareness for Futsal gaining great momentum, National Soccer Coaches Association of America in association with U.S. Futsal recognizes the importance of supporting the game with convenient and affordable coaching education opportunities. Together we have introduced the NSCAA Level 1 Futsal Diploma (Spring 2016) and an NSCAA Instructor Program (Winter 2016).
