*Feminism and Pornography* Feb 29 2020 This collection of essays seeks to expand the parameters of the debate on pornography. In an effort to move away from the divisive frameworks of which side are you on? and who counts as women worthy to be listened to? in feminist debates on pornography, this volume seeks to understand what pornography means to those who consume it, fight against it, work within it, and to those engaged in changing its meaning. By opening up a space for divergent points of view to address the complexity of sexual material, this volume seeks to forge solidarity amongst a diverse array of constituencies, including academics,

activists, and sex workers from diverse socio-political contexts. Through seeking to address the relationship between imperialism, the exotic, and the pornographic, the collection moves away from Eurocentric perspectives on pornography, by including the perspectives of women involved in struggles for national liberation in the South. This volume explores a wide range of issues, such as, how the meaning of pornography is shaped by changing historical and political realities; the role law should play, if any, in the sex industry; whether union organizing can change the working conditions in the sex industry; kinds of representational politics available for redefining pornography; and how sexually explicit literature, videos, art, and music can serve the purpose of sexual freedom. Contributors to the volume include Diana Russell, Catharine MacKinnon, Andrea Dworkin, Wendy Brown, Becki Ross, Mallek Alloula, M. **Dust Bowl Girls** May 14 2021 “A thrilling, cinematic story. I loved every minute I spent with these bold, daring women whose remarkable journey is the stuff of American legend.” —Karen Abbott, New York Times bestselling author of Liar, Temptress, Soldier, Spy The Boys in the Boat meets A League of Their Own in this true story of a Depression-era championship women’s team. In the early 1930s, during the worst drought and financial depression in American history, Sam Babb began to dream. Like so many others, this charismatic Midwestern basketball coach wanted a reason to have hope. Traveling from farm to farm near the tiny Oklahoma college where he coached, Babb recruited talented, hardworking young women and offered them a chance at a better life: a free college education in exchange for playing on his basketball team, the Cardinals. Despite their fears of leaving home and the sacrifices that their families would face, the women joined the team. And as Babb coached the Cardinals, something extraordinary happened. These remarkable athletes found a passion for the game and a heartfelt loyalty to one another and their coach--and they began to win. Combining exhilarating sports writing and exceptional storytelling, Dust Bowl Girls takes readers on the Cardinals’ intense, improbable journey all the way to an epic showdown with the prevailing national champions, helmed by the legendary Babe Didrikson. Lydia Reeder captures a moment in history when female athletes faced intense scrutiny from influential figures in politics, education, and medicine who denounced women’s sports as unhealthy and unladylike. At a time when a struggling nation was hungry for inspiration, this unlikely group of trailblazers achieved much more than a championship season.
